(e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for that purpose to be the amount he would have earned had he been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where the services are rendered by paid employees.

(2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.

(5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of the employment prior to the injury, his wages from all the employers shall be considered as if earned

from the employer liable for compensation.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent the gratuities are reported for income tax purposes.

(7) The commissioner shall, from time to time, based upon the best available information, determine by administrative regulation industries which ordinarily do not have a full working day for five (5) days in every week. In those industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used in this subsection means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

(6) The local public agency may allow the withdrawal of a bid where there is a patent error on the face of the bid document, or where the bidder presents sufficient evidence, substantiated by bid worksheets, that the bid was based upon an error in the formulation of the bid price.

Section 14. KRS 45A.370 is amended to read as follows:

(1) A local public agency may contract or purchase through competitive negotiation upon a written finding that:

(a) Specifications cannot be made sufficiently specific to permit award on the basis of either the lowest bid price or the lowest evaluated bid price, including, but not limited to, contracts for experimental or developmental research work, or highly complex equipment which requires technical discussions, and other nonstandard supplies, services, or construction; or

(b) Sealed bidding is inappropriate because the available sources of supply are limited, the time and place of performance cannot be determined in advance, the price is regulated by law, or a fixed price contract is not applicable; or

(c) The bid prices received through sealed bidding are unresponsive or unreasonable as to all or part of the requirements, or are identical or appear to have been the result of collusion; provided each responsible bidder is notified of the intention to negotiate and is given a reasonable opportunity to negotiate, and the negotiated price is lower than the lowest rejected bid by any responsible bidder.

(2) Proposals shall be solicited through ***public notice***[~~advertisement~~] pursuant to KRS 45A.365(3) or any other means which can be demonstrated to notify an adequate number of qualified sources to permit reasonable competition consistent with the nature and requirement of the procurement. (3) Written or oral discussions shall be conducted with all responsible offerors who submit proposals determined in writing to be reasonably susceptible of being selected for award. Discussions shall not disclose any information derived from proposals submitted by competing offerors. Discussions need not be conducted:

(a) With respect to prices, where such prices are fixed by law or regulation except that consideration shall be given to competitive terms and conditions; or

(b) Where time of delivery or performance will not permit discussions; or

(c) Where it can be clearly demonstrated and documented from the existence of adequate competition or accurate prior cost experience with that particular supply, service or construction item that acceptance of an initial offer without discussion would result in fair and reasonable prices and the request for proposal notifies all offerors of the possibility that award may be made on the basis of initial offers.

(4) If discussions pertaining to the revision of the specifications or quantities are held with any potential offeror, all other

potential offerors shall be afforded an opportunity to take part in such discussions. A request for proposals based on revised specifications or quantities shall be issued as promptly as possible, shall provide for an expeditious response to the revised requirements and shall be awarded upon the basis of the lowest bid price or lowest evaluated bid price submitted by any responsive and responsible offeror. No discussion shall be conducted with offerors after submission of revised proposals except for a compelling reason as determined in writing by the local public agency. The request for proposals shall state that an award is to be made without discussion except as herein provided.

(5) Award shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the local public agency based upon the evaluation factors set forth in the request for proposals.

Section 15. KRS 45A.675 is amended to read as follows:

(4) The head of the contracting body or a designee of the officer may conduct discussions with any offeror who has submitted a proposal to determine the offeror's qualifications for further consideration. Discussions shall not disclose any information derived from proposals submitted by other offerors.

(5) Award shall be made to the offeror determined by the head of the contracting body, or a designee of the officer, to be the best qualified of all offerors based on the evaluation factors set forth in the request for proposals and the negotiation of fair and reasonable compensation. If compensation cannot be agreed upon with the best qualified offeror and if proposals were submitted by one (1) or more other offerors determined to be qualified, negotiations may be conducted with the other offeror or offerors in the order of their respective qualification ranking. In this case, the contract may be awarded to the next best ranked offeror for a fair and reasonable compensation. All determinations of the qualification rankings of offerors by the head of the contracting body or a designee of the officer based on evaluation factors set forth in the request for proposals shall be made in writing. Written documentation shall be maintained concerning the final results of negotiation with each vendor and reasoning as to why each vendor was chosen.

(6) The Legislative Research Commission shall ***document***[~~cause to be endorsed on the copies of~~] each personal service contract submitted the time and date of the filing and shall maintain a file of personal service contracts for public inspection, with suitable indexes.

(7) Payment on contracts submitted to the subcommittee shall not be made before completion of the review procedure provided for in KRS 45A.705 unless the secretary of the Finance and Administration Cabinet determines that the time involved with the normal review procedure would be detrimental to the state's ability to act or to procure services. Payment shall not be made until written notification and explanation of the reasons for this action are forwarded to the subcommittee along with the personal service contract for which emergency payment is deemed necessary.

(8) In the event of a governmental emergency, work may begin prior to filing[~~ a copy of~~] the personal service contract with the Legislative Research Commission ***provided***[~~providing~~] that the normal process will not accommodate the emergency.

(b) Examine whether the service could or should be performed by state personnel; and

(c) Examine the cost and duration of the contract. If the subcommittee believes that the contract service, other than an emergency contract approved by the Governor, is not needed, the service could and should be performed by state personnel, the cost is excessive, or the duration is excessive, the subcommittee shall attach a written notation of the reasons for its disapproval or objection to the personal service contract and shall return the personal service contract to the secretary of the Finance and Administration Cabinet. The subcommittee shall give notice of such disapproval or objection to the director of the Legislative Research Commission. The subcommittee shall act on a personal service contract submitted to the Legislative Research Commission within forty-five (45) days of the submission of the personal service contract.

(4) If discussions pertaining to the revision of the specifications or quantities are held with any potential offeror, all other potential offerors shall be afforded an opportunity to take part in such discussions. A request for proposals based on revised specifications or quantities shall be issued as promptly as possible, shall provide for an expeditious response to the revised requirements and shall be awarded upon the basis of the lowest bid price or lowest evaluated bid price submitted by any responsive and responsible offeror. No discussion shall be conducted with offerors after submission of revised proposals except for a compelling reason as determined in writing by the local public agency. In this case, the contract may be awarded to the next best ranked offeror for a fair and reasonable compensation. All determinations of the qualification rankings of offerors by the head of the contracting body or a designee of the officer based on evaluation factors set forth in the request for proposals shall be made in writing. SB 152, AN ACT relating to reorganization.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.17A-020 is amended to read as follows:

(1) There is hereby created the Kentucky Health Purchasing Alliance consisting of the entire Commonwealth. The alliance shall operate independently from the department but shall be attached to the department for administrative purposes. ***The alliance shall be composed of organizational entities deemed appropriate by the alliance board of directors.*** The alliance shall be operational by July 15, 1995.

(2) The alliance designated in subsection (1) of this section shall be the only entity permitted to operate as a statewide health purchasing alliance in the Commonwealth and shall operate for the benefit of the members of the alliance. The alliance is the exclusive entity for the oversight and coordination of alliance member purchases. Any health benefit plan offered through the alliance shall be offered by an accountable health plan, and the alliance shall not:

(a) Directly provide insurance;

(b) Directly contract, for purposes of providing insurance, with a health care provider or provider network, unless the provider or network constitutes an accountable health plan; or

(c) Bear any risk, or form self-insurance plans among its members.

Nothing in KRS 304.17A-010 to 304.17A-070 shall limit the formation of business health coalitions; however, a person or entity that pools together or assists in purchasing health coverage shall not discriminate in its activities based on the health status or historical or projected claims experience of such employers or recipients.

(3) Participation in the alliance shall be limited to mandatory alliance members and voluntary alliance members. The alliance shall be open to voluntary membership by those persons set forth in KRS 304.17A-010(23).

(4) The alliance shall be governed by a board of directors consisting of five (5) members to be appointed by the Governor and confirmed by the Kentucky Senate. Members shall have expertise in business, finance, economics, or health benefits management and shall represent the interests of employers and health care consumers. No member shall be, nor have been:

(a) A health care provider or health insurer;

(b) An employee of a health care provider, health insurer, or health plan; or

(c) A person having a fiduciary relationship to a health care provider, health insurer, or health plan.

(5) The Governor may at any time remove any member of the alliance board of directors for cause after furnishing the member with a written copy of the charges against the member and affording the member a public hearing if requested.

(6) The alliance may have regional advisory boards with the number of members, terms of office, and conditions of participation to be determined by the alliance and with the members to be appointed by the Governor from a list of three (3) candidates for each open position on each regional advisory board submitted by the President of the Senate and the Speaker of the House; however, the terms of office of any member of a regional advisory board shall not exceed four (4) years. The qualifications for regional advisory board members shall be the same as for alliance board members as set forth in subsection (4) of this section.

(7) The members of the alliance board of directors and regional advisory boards shall be reimbursed for actual expenses incurred in the discharge of the member's duties.

(8) The alliance board of directors shall employ ***an***~~[a chief]~~ executive ***director***~~[officer]~~ and comptroller for the alliance. The~~[chief]~~ executive ***director***~~[officer]~~ shall employ any professional staff necessary to carry out the duties of the alliance and any regional advisory board subject to the approval of the department.

(9) No member of the alliance board of directors or any regional advisory board shall be subject to any personal liability for any loss sustained or damage suffered on account of any action or inaction of the alliance.

(10) Nothing in KRS 304.17A-010 to 304.17A-070 shall be construed to prohibit or compel the health purchasing alliance or an accountable health plan from using the services of a licensed insurance agent or broker in order to assist in marketing, consumer education, claims assistance, grievance resolution, and servicing of health benefit coverage offered by the accountable health plan or through the health purchasing alliance. Any commissions or compensation paid by an accountable health plan to a licensed insurance agent or broker shall be determined between the accountable health plan and the agent or broker. An accountable health plan shall not vary compensation or commissions to such agents, brokers, contractors, or producers based directly or indirectly, on the anticipated or actual claims experience or health status associated with particular employers to which each plan is sold.

(11) Notwithstanding any other provisions to the contrary, in order to support the teaching programs at the two (2) Health Science Centers, selective contracting for inpatient and outpatient services will include all university-affiliated teaching facilities in order to maintain a broad base of patients essential for the support of accredited teaching programs.

Any unallotted or unencumbered balances in the fund shall be invested in United States government securities maturing not later than one (1) year from the date of investment and the income from ***the***[~~such~~] investments shall be prorated for expenditure for capital projects in area development districts according to the formula provided in KRS 42.370.

(2) Money in the fund shall be used only for capital projects which contribute to community or industrial development in the Commonwealth, KRS 48.300 and 48.500 notwithstanding. Capital projects eligible for financing out of the fund include and shall be limited to:

All expenses incurred in connection with or incidental to the construction or acquisition of a capital project under this section, including architectural, engineering, legal, and other expenses required for ***the***[~~such~~] projects may be paid out of the fund. Money in the fund may be used to retire a mortgage or other indebtedness encumbering an eligible capital project made within the preceding five (5) calendar years to secure the repayment of moneys loaned or advanced to finance the construction or acquisition of ***the***[~~such~~] project, and may be used in match or in combination with funds obtained from other sources for an eligible capital project. No money shall be expended out of the fund, directly or indirectly, to pay or reimburse the cost of any feasibility study, master plan for any capital improvement development or redevelopment project, the purchase of consumable supplies or any administrative salary, or other operating or capital expense of any area development district, or for the acquisition, construction, reconstruction, renovation or maintenance of any building or property of schools, state institutions of higher learning, or any road, street, bridge or highway.

(3) The board of directors of each area development district shall determine from among the capital project proposals submitted by eligible beneficiary agencies, the capital projects to be proposed to be constructed or acquired out of the fund. Section 8. KRS 42.355 is amended to read as follows:

(1) The Department ***for***[~~of~~] Local Government shall examine each capital project selected by the area development districts, and when it finds that a proposed project conforms to the requirements of KRS 42.350 to 42.370; that the estimated costs of the project are reasonable; that the costs proposed to be paid from the fund are within the amount available; and that the proposed beneficiary agency will be reasonably able to finance the operation and maintain the capital project during its estimated useful life, the commissioner of the Department ***for***[~~of~~] Local Government shall approve it. If the Department ***for***[~~of~~] Local Government determines that a capital project proposal does not conform to the requirements of KRS 42.350 to 42.370, that the estimated costs of the project are excessive or unreasonable in light of the public benefit to be derived from the project, or the unencumbered balance in the fund available for expenditure in the area

development district is insufficient to pay the costs of the project, or the part thereof proposed to be paid out of the fund, or the beneficiary agency cannot reasonably finance the operation of or maintain the capital project during its estimated useful life, the project proposal shall be disapproved by the Department ***for***[~~of~~] Local Government. The final decision to either approve or disapprove any project proposal shall be made no later than forty-five (45) days following official submittal of a complete proposal by the area development district, and the area development district shall be accordingly notified at that time.

(2) The commissioner of the Department ***for***[~~of~~] Local Government may make direct grants in aid of money out of the fund to any beneficiary agency for the construction or acquisition of any approved capital project. When a direct grant in aid has been made to a beneficiary agency, all contracts awarded for the purchase of materials, supplies, equipment, or services, except professional and technical services, required for the construction or acquisition of the project shall be awarded to the lowest and best bidder in the discretion of the beneficiary agency after public advertisement as required by KRS Chapter 424 or other applicable law. All contracts awarded under this section for the construction, reconstruction, or renovation of a building or other improvement to real estate shall be deemed contracts for public works within the meaning of KRS 341.317 and KRS Chapter 376 and other applicable statutes. All beneficiary agencies receiving a direct grant in aid under this subsection shall keep and maintain complete and accurate records of accounts of all expenditures of the grant moneys which shall be subject to audit by the Commonwealth for a period of five (5) years after completion of the capital project. Beneficiary agencies shall complete approved capital projects within a reasonable period of time as determined by the Department ***for***[~~of~~] Local Government. Upon completion of capital projects, beneficiary agencies shall submit project completion reports to the Department ***for***[~~of~~] Local Government as prescribed by the Department ***for***[~~of~~] Local Government and containing[~~ such~~] documents and information as may be necessary to determine compliance with KRS 42.350 to 42.360 and other applicable statutes and administrative regulations. Beneficiary agencies shall be liable to repay to the fund any granted funds for failure to submit full project completion reports within a reasonable period of time or for expenditure of granted funds in violation of statutes and regulations. No additional area development funds may be approved until compliance, except at the discretion of the commissioner of the department. Any grant moneys not required after all of the costs of the capital project have been paid by the beneficiary agency shall be promptly returned to the Commonwealth for reallocation for expenditure for other capital projects in the area development district to which ***the***[~~such~~] funds had been originally allocated.

In determining the method to be adopted, the Department of Employment Services may consult with knowledgeable individuals including, but not limited to, the Office of the United States Bureau of Labor Statistics, state and national researchers, state and local officials, and staff of the Legislative Research Commission. The description of the method used to estimate surplus labor shall be reported in each annual publication provided for in subparagraph 1. of this paragraph.

(3) If the amount paid to any[~~ such~~] clerk during his term or incumbency was not sufficient to pay the salaries and office expenses of the clerk, the Department ***for***[~~of~~] Local Government shall, out of the money collected and paid in as provided in subsection (1) of this section, pay to the clerk, or to the person entitled to receive the same, an amount sufficient to supply the deficit due for salaries and expenses, not exceeding seventy-five percent (75%) of the amount of fees accrued during his official term and which have been collected and paid to the Department ***for***[~~of~~] Local Government.

Section 25. KRS 64.480 is amended to read as follows:

(1) Effective, with respect to the offices of Governor on December 11, 1979, and Lieutenant Governor on the fifth Tuesday following the regular November election in 1975, and with respect to the other offices named in this section on the first Monday in January, 1976, the compensation of the following named officers, payable monthly out of the State Treasury, shall be the sum per annum designated for the respective offices, as follows: Governor, forty-five thousand dollars ($45,000) until December 11, 1981, then fifty thousand dollars ($50,000) until December 13, 1983, and then sixty thousand dollars ($60,000) until January 1, 1985; Lieutenant Governor, twenty-seven thousand nine hundred dollars ($27,900) per annum, plus any compensation received while acting in the place of the Governor; Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky elected in November, 1975, as clerk of the Court of Appeals, twenty-seven thousand nine hundred dollars ($27,900).

(2) In order to equate or adjust the compensation of the Lieutenant Governor, Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky with the purchasing power of the 1949 dollar, the Department ***for***[~~of~~] Local Government of Kentucky shall compute by the second Friday in February of every year, beginning in 1977, the maximum permissible compensation of the officials mentioned in this subsection based precisely upon the consumer price index formula approved in Matthews v. Allen, Kentucky, 360 S.W.2d 139 (1962). Thus the maximum permissible compensation effective for the entire year of 1977 and subsequent years will be the actual compensation to be paid said officials. The year of adjustment will be the particular full calendar year involved.

(3) It is the intention of the Legislature that the constitutionally permissible adjustment of salaries of these officials be framed around equating current salaries with the purchasing power of the dollar in 1949 when Section 246 of the Constitution of Kentucky was amended. Section 246 of the Constitution of Kentucky, as amended, established a monetary level of twelve thousand dollars ($12,000) per annum for said officials. The formula merely effects an adjustment of the constitutional monetary level in terms of the current consumer price index.

(4) In order to adjust the compensation of the Governor to reflect changes in the purchasing power of the dollar, the Department ***for***[~~of~~] Local Government shall compute by the second Friday in February of every year, beginning in 1985, an adjusted salary of the Governor by multiplying sixty thousand dollars ($60,000) by the increase in the consumer price index during the period from January 1, 1984, to the beginning of the then-current calendar year. The actual compensation paid to the Governor for the entire calendar year of 1985 and subsequent years shall be the adjusted salary.

Section 26. KRS 64.527 is amended to read as follows:

In order to equate the compensation of county judges/executive, county clerks, sheriffs, jailers, justices of the peace, county commissioners, and coroners with the purchasing power of the dollar, the Department ***for***[~~of~~] Local Government shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than seven thousand two hundred dollars ($7,200) per annum. The Department ***for***[~~of~~] Local Government shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled ***in accordance with***[~~pursuant to~~] the increase or decrease in the consumer price index. Upon notification from the Department ***for***[~~of~~] Local Government, the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the Department ***for***[~~of~~] Local Government.

Section 27. KRS 64.770 is amended to read as follows:

(1) The County Officials' Compensation Board is hereby created and shall consist of the commissioner of the Department ***for***[~~of~~] Local Government, the state local finance officer, the president of each of the state associations of county clerks, county judges/executive, county attorneys, justices of the peace and commissioners, sheriffs, jailers, and coroners, three (3) members of the General Assembly appointed by the Governor from a list of possible appointees submitted to him by the Legislative Research Commission, and two (2) citizens of the Commonwealth appointed by the Governor. The legislative members shall be appointed for terms of two (2) years, unless their legislative term expires prior to the expiration of their term on the board, in which case a vacancy shall exist. The terms of the members representing the state associations shall be identical to the term of their office as president of the state association. Other members may designate by proxy another person to serve in his stead. ***The***[~~Such~~] proxies shall clearly state the purpose and the length of time ***the***[~~such~~] proxies shall be in effect, but any[~~ such~~] proxy shall be subject to immediate termination by the person initially authorizing the proxy. All proxies shall be filed with the chairman or secretary of the board.

(3) No salary or other compensation shall be allowed any member of the board, but each member or person serving as a proxy may be reimbursed for actual and necessary expenses incurred in the performance of his official duties.

The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the family service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(4)[~~(3)~~] The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(5)[~~(4)~~] The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(6)[~~(5)~~] The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

Section 21. KRS 610.110 is amended to read as follows:

(1) The disposition shall determine the action to be taken by the court on behalf of, and in the best interest of, the child under the provisions of KRS Chapter 630 or 635.

(2) At the disposition, all information helpful in making a proper disposition, including oral and written reports, shall be received by the court in compliance with subsection (1) of this section and relied upon to the extent of their probative value, provided that the parties or their counsel shall be afforded an opportunity to examine and controvert the reports.

(3) The court shall***, and the Department of Juvenile Justice may upon request,*** notify the law enforcement agency of the child's ***city,*** county***, or urban-county*** of residence ***as appropriate*** and the law enforcement agencies where any offense was committed of the disposition of each case and of each child committed by the court who is placed in a residential treatment facility by the Department of Juvenile Justice or the cabinet.

(4) If any court commits a child to the Department of Juvenile Justice or the cabinet, a child-caring facility, or child-placing agency, the court shall cause to be transmitted to the Department of Juvenile Justice or the cabinet, facility, or agency, as appropriate, a certified copy of the commitment order, together with a summary of the court's information concerning the child. A certified copy of the court order shall be proof of the authority of the Department of Juvenile Justice or the cabinet, facility, or agency to hold the child. Such certified order shall be sufficient authority for any law enforcement officer to take into custody any person named therein and deliver him to such a place as shall be directed by the Department of Juvenile Justice or the cabinet, facility, or agency given custody of him in the order.

(5) In placing a child on probation in a home or boarding home, or in committing a child to a child-caring facility or child-placing agency, the court shall as far as practicable select a home, facility, or agency operated or governed by persons of a similar religious faith as the parents of the child.

(6) Upon motion of the child and agreement of the Department of Juvenile Justice or the cabinet, as appropriate, the court

may authorize an extension of commitment up to age twenty-one (21) for the purpose of permitting the Department of Juvenile Justice or the cabinet, as appropriate, to assist the child in establishing independent living arrangements if a return to the child's home is not in his best interest.

Section 22. KRS 610.320 is amended to read as follows:

(1) A special record book shall be kept by the court for all cases, to be known as the "juvenile record," and the docket or calendar of such cases shall be called the "juvenile docket."

(2) No probation officer, nor employee of a probation officer, shall, without the consent of the District Judge sitting in juvenile session, divulge or communicate to any persons other than the court, ***law enforcement, the Department of Juvenile Justice,*** an officer of the court interested in the case, a member of the advisory board of the court, or a representative of the cabinet, any information obtained pursuant to the discharge of his duties, nor shall any record of the action of the probation officer be made public except by leave of the District Judge; provided, that nothing in this subsection shall prohibit the probation officer from divulging or communicating such information to the court, to his colleagues or superiors in his own department, or to another probation officer having a direct interest in the record or social history of the child.

(3) All law enforcement and court records regarding children who have not reached their eighteenth birthday shall not be opened to scrutiny by the public, except court records, limited to the petition, order of the adjudication, and disposition in juvenile delinquency proceedings concerning a child who is adjudicated a juvenile delinquent for the commission of an offense that would constitute a capital offense or a Class A, B, or C felony if the juvenile were an adult, or any offense involving a deadly weapon, or an offense wherein a deadly weapon is used or displayed. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the Federal Social Security Act is also prohibited. The records shall also be made available to the court, probation officers, ***prosecutors, the Department of Juvenile Justice, and law enforcement agencies*** or representatives of the cabinet. Records, limited to the child's adjudication of delinquency, and disposition of a criminal activity covered by KRS 610.345, shall also be made available to public or private elementary and secondary school administrative and counseling personnel, and to any teacher to whose class the student has been assigned for instruction, subject to the provisions of KRS 610.340 and 610.345.

(4) Subject to the Kentucky Rules of Evidence, juvenile court records of adjudications of guilt of a child for an offense which would be a felony if committed by an adult shall be admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial, and may be used during the sentencing phase of a criminal trial. However, the fact that a juvenile has been adjudicated delinquent of an offense which would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication.

(5) This section shall not relieve the probation officer or peace officer from divulging such facts as a witness in a trial or hearing involving any cases falling under KRS Chapters 600 to 645 or the production of juvenile records for use in the trial or proceedings.

(6) This section shall not prohibit release of information regarding juvenile proceedings in the District Court which do not reveal the identity of the child or its parents or guardians, or which relate to the child's eligibility for services under Title IV-E or IV-B of the Federal Social Security Act. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court.

Section 23. KRS 610.340 is amended to read as follows:

Juvenile court records which contain information pertaining to arrests, petitions, adjudications, and dispositions of a child may be disclosed to victims or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the Federal Social Security Act shall not be disclosed to victims or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070.

(2) The provisions of this section shall not apply to public officers or employees engaged ***in the investigation of and*** in the prosecution of cases under KRS Chapters 600 to 645 or other portions of the Kentucky Revised Statutes[~~, provided that the inspection of the records and the disclosure of the information contained therein is limited to that required in the investigation and the prosecution of the case~~].

(3) The provisions of this section shall not apply to employees of the ***Department of Juvenile Justice or*** cabinet or its designees responsible for any services under KRS Chapters 600 to 645 or to attorneys for parties involved in actions relating to KRS Chapters 600 to 645 or other prosecutions authorized by the Kentucky Revised Statutes[~~, provided that the inspection of the records and the disclosure of the information contained therein is limited to that required in the investigation and the representation of the client in the case~~].

(4) The provisions of this section shall not apply to records disclosed pursuant to KRS 610.320 or to public or private elementary and secondary school administrative and counseling personnel, to any teacher to whose class the student has been assigned for instruction, or to persons entitled to have juvenile records under KRS 610.345, if the possession and use of the records is in compliance with the provisions of KRS 610.345 and this section.

(5) No person, including school personnel, shall disclose any record or any information contained therein except as permitted by this section or other specific section of KRS Chapters 600 to 645, or except as permitted by specific order of the court.

(6) No person, including school personnel, authorized to obtain records pursuant to KRS Chapters 600 to 645 shall obtain or attempt to obtain records to which he is not entitled or for purposes for which he is not permitted to obtain them pursuant to KRS Chapters 600 to 645.

(7) No person, including school personnel, not authorized to obtain records pursuant to KRS Chapters 600 to 645 shall obtain or attempt to obtain records which are made confidential pursuant to KRS Chapters 600 to 645 except upon proper motion to a court of competent jurisdiction.

(8) No person shall destroy or attempt to destroy any record required to be kept pursuant to KRS Chapters 600 to 645 unless the destruction is permitted pursuant to KRS Chapters 600 to 645 and is authorized by the court upon proper motion and good cause for the destruction being shown.

(9) As used in this section the term "KRS Chapters 600 to 645" includes any administrative regulations which are lawfully promulgated pursuant to KRS Chapters 600 to 645.

Section 24. KRS 197.045 is amended to read as follows:

(1) Any person convicted and sentenced to a state penal institution may receive a credit on his sentence of not exceeding ten (10) days for each month served, except as otherwise provided in this section, to be determined by the department from the conduct of the prisoner. (3) An inmate may, at the discretion of the commissioner, be allowed a deduction from a sentence not to exceed five (5) days per month for performing exceptionally meritorious service or performing duties of outstanding importance in connection with institutional operations and programs. The allowance shall be an addition to commutation of time for good conduct and under the same terms and conditions and without regard to length of sentence.

(4) ***Until successful completion of the sex offender treatment program, a sex offender may earn good time. However, the good time shall not be credited to the sex offender's sentence. Upon the successful completion of the sex offender treatment program, as determined by the program director, the offender shall be eligible for all good time earned but not otherwise forfeited under administrative regulations promulgated by the Department of Corrections. (5) (a) The Department of Corrections shall, by administrative regulation, specify the length of forfeiture of good time and the ability to earn good time in the future for those inmates who have civil actions dismissed because the court found the action to be malicious or harassing, or if satisfied that the action is legally without merit or factually frivolous.

(b) Penalties set by administrative regulation pursuant to this subsection shall be as uniform as practicable throughout all institutions operated by, under contract to, or under the control of the department and shall specify a specific number of days or months of good time forfeited as well as any prohibition imposed on the future earning of good time.

If, within ten (10) days after such notification, such United States attorney, Commonwealth's attorney or county attorney advises the board that a criminal prosecution is pending upon the same alleged crime and requests that action by the board be deferred, the board shall defer all proceedings under this chapter until such time as such criminal prosecution has been concluded and shall so notify such United States attorney, Commonwealth's or county attorney, and the claimant. When such criminal prosecution has been concluded such United States attorney, Commonwealth's or county attorney shall promptly so notify the board. (c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board, for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the board stating what treatment is planned and for what period of time.[~~ A six (6) months' progress report will also be required by the board.~~] The board shall have the power to discontinue mental health counseling at any time within the two (2) year period. pretrial diversion program.

(7) In prosecution for offenses listed in this section for the purpose of defining "victim," law enforcement agencies and attorneys for the Commonwealth shall promptly return a victim's property held for evidentiary purposes unless there is a compelling reason for retaining it. Photographs of such property shall be received by the court as competent evidence in accordance with the provisions of KRS 422.350.

(8) A victim or witness who so requests shall be assisted by law enforcement agencies and attorneys for the Commonwealth in informing employers that the need for victim or witness cooperation in the prosecution of the case may necessitate absence of that victim or witness from work.

(9) The Attorney General, where possible, shall provide technical assistance to law enforcement agencies and attorneys for the Commonwealth if such assistance is requested for establishing a victim assistance program.

(10) If a defendant seeks appellate review of a conviction and the Commonwealth is represented by the Attorney General, the Attorney General shall make a reasonable effort to notify victims promptly of the appeal, the status of the case, and the decision of the appellate court.

(3) In ruling on any motion or other request for a delay or continuance of the proceedings, the court shall consider and give weight to any adverse impact the delay or continuance may have on the well-being of a child victim or witness.

Section 42. KRS 346.185 is amended to read as follows:

(1) There is established in the State Treasury the "Crime Victims' Compensation Fund," hereinafter referred to as the "fund," to be administered by the Crime Victims' Compensation Board. In all cases in which defendants plead or are found guilty of a crime as defined in KRS 500.080(2), there shall be imposed as an additional cost the sum of ***twenty***~~[ten]~~ dollars ***($20)***~~[($10)]~~. This sum shall not be suspended or probated. This sum shall be collected in its entirety and shall not be prorated. The clerk of the court shall collect the cost and forward it monthly to the State Treasurer, to be deposited in the fund. Nothing herein shall be construed to limit the power of the court to order additional forms of restitution including public or charitable work or reparation to the victim, to the fund, or otherwise as authorized by law.

(2) The fund shall consist of moneys from the following: appropriations by the General Assembly; the federal government; payments by the defendant pursuant to subsection (1) of this section and any other public or private source. Any unexpended balance remaining in the fund at the end of the biennium shall not lapse and be transferred to the general fund, but shall remain in the crime victims' compensation fund. Any funds not utilized by the board shall be used to provide assistance to programs for victims and the board shall allocate such funds to any agency providing services to victims. In the event there are insufficient funds in the fund to pay all claims in full, all claims shall be paid at seventy percent (70%). If there are no moneys in the fund, then no claim shall be paid until moneys have again accumulated. In addition to payment of claims, moneys in the fund shall be used to pay all the necessary and proper expenses of the Crime Victims' Compensation Board.

(3) When judgment is entered against a defendant as provided in this section and each sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the State of Kentucky to such defendant an amount equal to the unpaid amount of the judgment. The amount shall be paid to the crime victims' compensation fund and satisfaction of the judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for judgment.

Section 43. KRS 23A.205 is amended to read as follows:

SECTION 44. A NEW SECTION OF KRS CHAPTER 26A IS CREATED TO READ AS FOLLOWS:

(1) The Court shall collect the crime victim compensation fee specified in KRS 346.185 when court costs are collected. The fee shall be forwarded by the Circuit Clerk to the State Treasurer at the time costs are transferred to the State Treasurer.

(2) The collection of crime victim compensation fees shall be accounted for as a separate item to the State Treasurer and the Administrative Office of the Courts.

SECTION 45. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

(1) Restitution to a named victim, if there is a named victim, shall be ordered in a manner consistent, insofar as possible, with the provisions of this section and Sections 46, 47, 48, and 49 of this Act in addition to any other part of the penalty for any offense under this chapter. The provisions of this section shall not be subject to suspension or nonimposition.

(2) If pretrial diversion is granted, restitution shall be a part of the diversion agreement.

(3) If probation, shock probation, conditional discharge, or other alternative sentence is granted, restitution shall be a condition of the sentence.

(4) If a person is sentenced to incarceration and paroled, restitution shall be made a condition of parole.

SECTION 46. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

When a judge orders restitution, the judge shall:

(1) Order the restitution to be paid to a specific person or organization through the circuit clerk, who shall disburse the moneys as ordered by the court;

(2) Be responsible for overseeing the collection of restitution;

(3) Set the amount of restitution to be paid;

(4) Set the amount and frequency of each restitution payment or require the payment to be made in a lump sum;

(5) Monitor the payment of the restitution to assure that payment is being made;

(6) If restitution is not being paid as ordered, hold a hearing to determine why the restitution is not being paid;

(7) If the restitution is not being paid and no good reason exists therefore institute sanctions against the defendant; and

(8) Not release the defendant from probation supervision until restitution has been paid in full and all other aspects of the probation order have been successfully completed.

SECTION 47. A NEW SECTION OF KRS CHAPTER 439 IS CREATED TO READ AS FOLLOWS:

(1) When there is an identified victim of a defendant's crime to whom restitution has been ordered but not yet paid in full, or restitution has been ordered paid to a government agency and has not yet been paid in full, the Parole Board shall order the defendant to pay restitution as a condition of parole.

(2) When the Parole Board orders restitution, the board shall:

  (a) Order the restitution to be paid to a specific person or organization through the Division of Probation and Parole, which shall disburse the moneys as ordered by the board;

  (b) The Division of Probation and Parole shall be responsible for overseeing the collection of the restitution;

  (c) Set the amount of restitution to be paid, if not already set;

  (d) Set the amount and frequency of each restitution payment or require the payment to be made in a lump sum;

  (e) Monitor the payment of the restitution to assure that payment is being made;

  (f) If restitution is not being paid as ordered, institute parole violation proceedings to determine why the restitution is not being paid;

  (g) If the restitution is not being paid and no good reason exists therefor, institute sanctions against the defendant; and

  (h) Not release the defendant from parole supervision until restitution has been paid in full.

(3) The board, in addition to any other sanctions which may be imposed on the defendant, ask a court to hold a defendant who is not paying restitution in the manner or amount prescribed in contempt of court.

(4) Any statute relating to the length of parole supervision notwithstanding, the parole for a person owing restitution shall be until the restitution is paid in full, even if this would lengthen the period of supervision beyond the statutory limit of parole supervision or the statutory limit for serving out the sentence imposed.

(5) Payment of restitution in full prior to the end of the period of parole supervision shall not shorten the period of parole supervision.

Section 48. KRS 533.020 is amended to read as follows:

(1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance, or direction that the probation service can provide. Conditions of probation shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation.

(2) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.

(3) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.

(4) The period of probation, probation with an alternative sentence, or conditional discharge shall be fixed by the court and at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years***, or the time necessary to complete restitution, whichever is longer,*** upon conviction of a felony nor two (2) years***, or the time necessary to complete restitution, whichever is longer,*** upon conviction of a misdemeanor. Upon completion of the probationary period, probation with an alternative sentence, or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation, probation with an alternative sentence, or conditional discharge has not been revoked.

(5) Notwithstanding the fact that a sentence to probation, probation with an alternative sentence, or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 49. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

- (a) Avoid injurious or vicious habits;
- (b) Avoid persons or places of disreputable or harmful character;
- (c) Work faithfully at suitable employment as far as possible;
- (d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;
- (e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;
- (f) Support his dependents and meet other family responsibilities;
- (g) Pay the cost of the proceeding as set by the court;
- (h) Remain within a specified area;
- (i) Report to the probation officer as directed;
- (j) Permit the probation officer to visit him at his home or elsewhere;
- (k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and
- (l) If the defendant's record indicates a controlled substance or alcohol problem, submit to periodic testing for use of controlled substances or alcohol and pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court, said fee to be collected by the circuit clerk, held in an agency account, and disbursed, on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of

the testing and analysis performed under this subsection. For good cause shown, the testing fee may be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Human Resources, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a)[~~ Restitution by payment may be ordered in a lump sum or in specified payments;~~

~~(b) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the moneys as ordered by the court;~~

~~(c)~~] Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

[~~(d) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;~~]

(b)[~~(e)~~]The circuit clerk shall assess an additional fee of ***five***[~~two~~] percent ***(5%)***[~~(2%)~~] to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to ***a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk and office personnel salaries, or combination thereof***[~~the general fund of the State Treasury~~];

(c)[~~(f)~~] When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court.[~~ The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation~~]; and

(d)[~~(g)~~] An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.

(5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(6) When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed six (6) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2), or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

SECTION 50. A NEW SECTION OF KRS CHAPTER 15 IS CREATED TO READ AS FOLLOWS:

(1) The Attorney General shall develop and administer a program for the protection of crime victims and witnesses and their immediate families.

(2) Within the limits of the administrative regulations, guidelines, and appropriations for this purpose, the program shall provide funding to the State Police or to a sheriff's office or city or county police department agreeing to provide protection to crime victims and witnesses and their families.

(3) Any Commonwealth's attorney or county attorney may apply to the Attorney General for funding for protection of crime victims, witnesses, and their families.

(4) No protective service shall be rendered to the same person for more than six (6) months.

(5) Protective services funded by this program shall be limited to:

Section 72. KRS 532.025 is amended to read as follows:

(1) (a) Upon conviction of a defendant in cases where the death penalty may be imposed, a hearing shall be conducted. In such hearing, the judge shall hear additional evidence in extenuation, mitigation, and aggravation of punishment, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant, or the absence of any prior conviction and pleas; provided, however, that only such evidence in aggravation as the state has made known to the defendant prior to his trial shall be admissible. Subject to the Kentucky Rules of Evidence, juvenile court records of adjudications of guilt of a child for an offense that would be a felony if committed by an adult shall be admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial and may be used during the sentencing phase of a criminal trial; however, the fact that a juvenile has been adjudicated delinquent of an offense that would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or IV-B of the Federal Social Security

Act is also prohibited. The judge shall also hear argument by the defendant or his counsel and the prosecuting attorney, as provided by law, regarding the punishment to be imposed. The prosecuting attorney shall open and the defendant shall conclude the argument. In cases in which the death penalty may be imposed, the judge when sitting without a jury shall follow the additional procedure provided in subsection (2) of this section. Upon the conclusion of the evidence and arguments, the judge shall impose the sentence or shall recess the trial for the purpose of taking the sentence within the limits prescribed by law. If the trial court is reversed on appeal because of error only in the presentence hearing, the new trial which may be ordered shall apply only to the issue of punishment;

(b) In all cases in which the death penalty may be imposed and which are tried by a jury, upon a return of a verdict of guilty by the jury, the court shall resume the trial and conduct a presentence hearing before the jury. Such hearing shall be conducted in the same manner as presentence hearings conducted before the judge as provided in paragraph (a) of this subsection, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant. Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.

(2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:

(a) Aggravating circumstances:

1. The offense of murder or kidnapping was committed by a person with a prior record of conviction for a capital offense, or the offense of murder was committed by a person who has a substantial history of serious assaultive criminal convictions;
2. The offense of murder or kidnapping was committed while the offender was engaged in the commission of arson in the first degree, robbery in the first degree, burglary in the first degree, rape in the first degree, or sodomy in the first degree;
3. The offender by his act of murder, armed robbery, or kidnapping knowingly created a great risk of death to more than one (1) person in a public place by means of a destructive device, weapon, or other device which would normally be hazardous to the lives of more than one (1) person;
4. The offender committed the offense of murder for himself or another, for the purpose of receiving money or any other thing of monetary value, or for other profit;
5. The offense of murder was committed by a person who was a prisoner and the victim was a prison employee engaged at the time of the act in the performance of his duties;
6. The offender's act or acts of killing were intentional and resulted in multiple deaths; and
7. The offender's act of killing was intentional and the victim was a state or local public official or police officer, sheriff, or deputy sheriff engaged at the time of the act in the lawful performance of his duties;

(b) Mitigating circumstances:

1. The defendant has no significant history of prior criminal activity;
2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime;
3. The victim was a participant in the defendant's criminal conduct or consented to the criminal act;
4. The capital offense was committed under circumstances which the defendant believed to provide a moral justification or extenuation for his conduct even though the circumstances which the defendant believed to provide a moral justification or extenuation for his conduct are not sufficient to constitute a defense to the crime;
5. The defendant was an accomplice in a capital offense committed by another person and his participation in the capital offense was relatively minor;
6. The defendant acted under duress or under the domination of another person even though the duress or the domination of another person is not sufficient to constitute a defense to the crime;
7. At the time of the capital offense, the capacity of the defendant to appreciate the criminality of his conduct to the requirements of law was impaired as a result of mental illness or retardation or intoxication even though the impairment of the capacity of the defendant to appreciate the criminality of his conduct or to conform the conduct to the requirements of law is insufficient to constitute a defense to the crime; and

8. The youth of the defendant at the time of the crime.

(3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. The jury, if its verdict be a recommendation of death, ***or imprisonment for life without benefit of probation or parole,*** or imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall designate in writing, signed by the foreman of the jury, the aggravating circumstance or circumstances which it found beyond a reasonable doubt. In nonjury cases, the judge shall make such designation. In all cases unless at least one (1) of the statutory aggravating circumstances enumerated in subsection (2) of this section is so found, the death penalty***, or imprisonment for life without benefit of probation or parole,*** or the sentence to imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall not be imposed.

Section 73. KRS 533.010 is amended to read as follows:

(1) Any person who has been convicted of a crime and who has not been sentenced to death may be sentenced to probation, probation with an alternative sentencing plan, or conditional discharge as provided in this chapter.

(2) Before imposition of a sentence of imprisonment, the court shall consider~~[the possibility of]~~ probation, probation with an alternative sentencing plan, or conditional discharge. ***Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge,*** after due consideration of the nature and circumstances of the crime and the history, character, and condition of the defendant, probation~~[, probation with an alternative sentencing plan,]~~ or conditional discharge ***shall***~~[should]~~ be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:

(a) There is substantial risk that during a period of probation~~[, probation with an alternative sentencing plan,]~~ or conditional discharge the defendant will commit another crime;

(b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(3) ***In the event the court determines that probation is not appropriate after due consideration of the nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:***

(a) There is a likelihood that during a period of probation with an alternative sentencing plan or conditional discharge the defendant will commit a Class D or Class C felony or a substantial risk that the defendant will commit a Class B or Class A felony;

(b) The defendant is in need of correctional treatment that can be provided most effectively by commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(4) The court shall not determine that there is a likelihood that the defendant will commit a Class C or Class D felony based upon the fact that:

(a) The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;

(b) If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or

(c) The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.

(5) In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.

(6) Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the following alternative sentences:

(a) To a halfway house for no more than twelve (12) months;

(b) To home incarceration with or without work release for no more than twelve (12) months;

(c) To jail for a period not to exceed twelve (12) months with or without community service and other programs as required by the court;

(d) To a residential treatment program for the abuse of alcohol or controlled substances; or

(e) To any other specified counseling program, rehabilitation or treatment program, or facility.

(7) If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence, and commit the defendant to an institution.

(8) In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:

(a) A defendant sentenced to a halfway house shall:

1. Be working or pursuing his or her education, or be enrolled in a full-time treatment program;

2. Pay restitution during the term of probation; and

3. Have no contact with the victim of the defendant's crime;

(b) A defendant sentenced to home incarceration shall:

1. Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;

2. Pay restitution during the term of home incarceration;

3. Enter a treatment program, if appropriate;

4. Pay all or some portion of the cost of home incarceration as determined by the court;

5. Comply with other conditions as specified; and

6. Have no contact with the victim of the defendant's crime;

(c) A defendant sentenced to jail with community service shall:

1. Pay restitution during all or some part of the defendant's term of probation; and

2. Have no contact with the victim of the defendant's crime; or

(d) A defendant sentenced to a residential treatment program for drug and alcohol abuse shall:

1. Undergo mandatory drug screening during term of probation;

2. Be subject to active, supervised probation for a term of five (5) years;

3. Undergo aftercare as required by the treatment program;

4. Pay restitution during the term of probation; and

5. Have no contact with the victim of the defendant's crime.

(9) When the court deems it in the best interest of the defendant and the public, the court may order the person to work at community service related projects under the terms and conditions specified in KRS 533.070. Work at community service related projects shall be considered as a form of conditional discharge.

(10) Probation with alternative sentence shall not be available as set out in KRS 532.045 and 533.060, except as provided in KRS 533.030(6).

(11) The court may utilize a community corrections program authorized or funded under KRS Chapter 196 to provide services to any person released under this section.

(12) When the court deems it in the best interest of the defendant and the public, the court may order the defendant to placement for probation monitoring by a private agency. The private agency shall report to the court on the defendant's compliance with his terms of probation or conditional discharge. The defendant shall be responsible for any reasonable charges which the private agency charges.

Section 74. KRS 532.020 is amended to read as follows:

(1) Any offense defined outside this code for which a law outside this code provides a sentence to a term of imprisonment in the state[~~ penitentiary or reformatory~~] for:

(a) At least one (1) but not more than five (5) years shall be deemed a Class D felony;

(b) At least five (5) but not more than ten (10) years shall be deemed a Class C felony;

(c) At least ten (10) but not more than twenty (20) years shall be deemed a Class B felony;

(d) For ***at least*** twenty (20) ***but not***[~~or~~] more ***than fifty (50)*** years ***or for life*** shall be deemed a Class A felony.

(2) Any offense defined outside this code for which a law outside this code provides a sentence to a definite term of imprisonment with a maximum which falls between ninety (90) days and twelve (12) months shall be deemed a Class A

misdemeanor.

(3) Any offense defined outside this code for which a law outside this code provides a sentence to a definite term of imprisonment with a maximum of less than ninety (90) days shall be deemed a Class B misdemeanor.

(4) Any offense defined outside this code for which a law outside this code provides a sentence to a fine only or to any other punishment, whether in combination with a fine or not, other than death or imprisonment shall be deemed a violation.

Section 75. KRS 532.050 is amended to read as follows:

(1) No court shall impose sentence for conviction of a felony, other than a capital offense, without first ordering a presentence investigation after conviction and giving due consideration to a written report of the investigation. The presentence investigation report shall not be waived; however, the completion of the presentence investigation report may be delayed until after sentencing upon the written request of the defendant if the defendant is in custody and is ineligible for probation or conditional discharge.

(2) The report shall be prepared and presented by a probation officer and shall include an analysis of the defendant's history of delinquency or criminality, physical and mental condition, family situation and background, economic status, education, occupation, personal habits, and any other matters that the court directs to be included.

(3) Before imposing sentence for a felony conviction, the court may order the defendant to submit to psychiatric observation and examination for a period not exceeding sixty (60) days. The defendant may be remanded for this purpose to any available clinic or mental hospital or the court may appoint a qualified psychiatrist to make the examination.

(4) If the defendant has been convicted of any felony offense under KRS Chapter 510, 530.020, 530.064, 531.310, any sexual offense under KRS 506.010 or 506.030, or any other felony offense committed in conjunction with a misdemeanor under KRS Chapter 510, the court shall, prior to determining the sentence, order an evaluation of the defendant to be conducted by the sexual offender treatment program operated or approved by the Department of Corrections or the Department for Mental Health and Mental Retardation Services. The evaluation shall provide to the court a recommendation related to the risk of a repeat offense by the defendant and the defendant's amenability to treatment, and shall be considered by the court in determining the appropriate sentence. ***A copy of the evaluation shall be furnished to the Commonwealth and to the defendant.*** If the defendant is eligible and the court suspends the sentence and places the defendant on probation or conditional discharge, the provisions of KRS 532.045(3) to (8) shall apply. All communications relative to the evaluation and treatment of the sex offender shall fall under the provisions of KRS 197.440 and shall not be made a part of the court record subject to review in appellate proceedings. The defendant shall pay for any evaluation or treatment required pursuant to this section up to the defendant's ability to pay but no more than the actual cost of the evaluation or treatment.

(5) ***The presentence investigation report shall identify the counseling treatment, educational, and rehabilitation needs of the defendant and identify community-based and correctional-institutional-based programs and resources available to meet those needs or shall identify the lack of programs and resources to meet those needs.***

(6) Before imposing sentence, the court shall advise the defendant or his counsel of the factual contents and conclusions of any presentence investigation or psychiatric examinations and afford a fair opportunity and a reasonable period of time, if the defendant so requests, to controvert them. The court shall provide the defendant's counsel a copy of the presentence investigation report. It shall not be necessary to disclose the sources of confidential information.

Section 76. KRS 532.080 is amended to read as follows:

(1) When a defendant is found to be a persistent felony offender, the jury, in lieu of the sentence of imprisonment assessed under KRS 532.060 for the crime of which such person presently stands convicted, shall fix a sentence of imprisonment as authorized by subsection (5) or (6) of this section. When a defendant is charged with being a persistent felony offender, the determination of whether or not he is such an offender and the punishment to be imposed pursuant to subsection (5) or (6) of this section shall be determined in a separate proceeding from that proceeding which resulted in his last conviction. Such proceeding shall be conducted before the court sitting with the jury that found the defendant guilty of his most recent offense unless the court for good cause discharges that jury and impanels a new jury for that purpose.

(2) A persistent felony offender in the second degree is a person who is more than twenty-one (21) years of age and who stands convicted of a felony after having been convicted of one (1) previous felony. As used in this provision, a previous felony conviction is a conviction of a felony in this state or conviction of a crime in any other jurisdiction provided:

(a) That a sentence to a term of imprisonment of one (1) year or more or a sentence to death was imposed therefor; and

(b) That the offender was over the age of eighteen (18) years at the time the offense was committed; and

(c) That the offender:

1. Completed service of the sentence imposed on the previous felony conviction within five (5) years prior to the date of commission of the felony for which he now stands convicted; or

2. Was on probation, parole, conditional discharge, conditional release, furlough, appeal bond, or any other form of legal release from any of the previous felony convictions at the time of commission of the felony for which he now stands convicted; or

3. Was discharged from probation, parole, conditional discharge, conditional release, or any other form of legal release on any of the previous felony convictions within five (5) years prior to the date of commission of the felony for which he now stands convicted; or

4. Was in custody from the previous felony conviction at the time of commission of the felony for which he now stands convicted; or

5. Had escaped from custody while serving any of the previous felony convictions at the time of commission of the felony for which he now stands convicted.

(3) A persistent felony offender in the first degree is a person who is more than twenty-one (21) years of age and who stands convicted of a felony after having been convicted of two (2) or more felonies. As used in this provision, a previous felony conviction is a conviction of a felony in this state or conviction of a crime in any other jurisdiction provided:

(a) That a sentence to a term of imprisonment of one (1) year or more or a sentence to death was imposed therefor; and

(b) That the offender was over the age of eighteen (18) years at the time the offense was committed; and

(c) That the offender:

1. Completed service of the sentence imposed on any of the previous felony convictions within five (5) years prior to the date of the commission of the felony for which he now stands convicted; or

2. Was on probation, parole, conditional discharge, conditional release, furlough, appeal bond, or any other form of legal release from any of the previous felony convictions at the time of commission of the felony for which he now stands convicted; or

3. Was discharged from probation, parole, conditional discharge, conditional release, or any other form of legal release on any of the previous felony convictions within five (5) years prior to the date of commission of the felony for which he now stands convicted; or

4. Was in custody from the previous felony conviction at the time of commission of the felony for which he now stands convicted; or

5. Had escaped from custody while serving any of the previous felony convictions at the time of commission of the felony for which he now stands convicted.

(4) For the purpose of determining whether a person has two (2) or more previous felony convictions, two (2) or more convictions of crime for which that person served concurrent or uninterrupted consecutive terms of imprisonment shall be deemed to be only one (1) conviction, unless one (1) of the convictions was for an offense committed while that person was imprisoned.

(5) A person who is found to be a persistent felony offender in the second degree shall be sentenced to an indeterminate term of imprisonment pursuant to the sentencing provisions of KRS 532.060(2) for the next highest degree than the offense for which convicted. A person who is found to be a persistent felony offender in the second degree shall not be eligible for probation, shock probation, or conditional discharge.

(6) A person who is found to be a persistent felony offender in the first degree shall be sentenced to imprisonment as follows:

(a) If the offense for which he presently stands convicted is a Class A or Class B felony, a persistent felony offender in the first degree shall be sentenced to an indeterminate term of imprisonment, the maximum of which shall not be less than twenty (20) years nor more than ***fifty (50) years, or*** life imprisonment; or

(b) If the offense for which he presently stands convicted is a Class C or Class D felony, a persistent felony offender in the first degree shall be sentenced to an indeterminate term of imprisonment, the maximum of which shall not be less than ten (10) years nor more than twenty (20) years.

The attorney for the Commonwealth shall explain to the victim the diversion program, the proposed diversion conditions, and any other matters that the attorney for the Commonwealth deems to be appropriate. The results of the interview and recommendations of the victim may be presented to the court when it is considering the application for pretrial diversion. If the application for diversion is approved by the court, the approval shall be in open court and may be attended by the victim and the victim's family. The attorney for the Commonwealth shall attempt to notify them of this fact and the time, date, and place of the hearing.

(2) In making a determination as to whether or not a pretrial diversion agreement should be voided, the court shall use the same criteria as for the revocation of probation, and the defendant shall have the same rights as he or she would if probation revocation was sought.

(3) Making application for a pretrial diversion agreement tolls any statute of limitations relative to the criminal offenses for which the application is made for the period until the application is granted or denied. Approval of the application for pretrial diversion by the court tolls any statute of limitations relative to criminal offenses diverted for the period of the diversion agreement.

(4) If the court voids the pretrial diversion agreement, the court shall notify the applicable prosecutor, in writing, that the pretrial diversion agreement has been voided and the reasons for the action. The prosecutor shall decide whether or not the defendant should be tried and for what charges. If the decision is made to try the defendant the court shall order the defendant to stand trial. The defendant may be arrested and jailed pending pretrial release. The order voiding the pretrial diversion agreement is subject to appeal in the same manner as any probation revocation under the statutes and the Rules of Criminal Procedure.

SECTION 90. A NEW SECTION OF KRS CHAPTER 533 IS CREATED TO READ AS FOLLOWS:

(1) If the defendant successfully completes the provisions of the pretrial diversion agreement, the charges against the defendant shall be listed as "dismissed-diverted" and shall not constitute a criminal conviction.

(1) In all felony cases, the jury in its initial verdict will make a determination of not guilty, guilty, guilty but mentally ill, or not guilty by virtue of insanity, and no more.

(2) Upon return of a verdict of guilty or guilty but mentally ill against a defendant, the court shall conduct a sentencing hearing before the jury, if such case was tried before a jury. In the hearing the jury will determine the punishment to be imposed within the range provided elsewhere by law. The jury shall recommend whether the sentences shall be served concurrently or consecutively.

(a) Evidence may be offered by the Commonwealth relevant to sentencing including:

Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial, and may be used during the sentencing phase of a criminal trial; however, the fact that a juvenile has been adjudicated delinquent of an offense that would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the federal Social Security Act is also prohibited; ***and***

(c) Upon conclusion of the proof, the court shall instruct the jury on the range of punishment and counsel for the defendant may present arguments followed by the counsel for the Commonwealth. The jury shall then retire and recommend a sentence for the defendant.

(3) All hearings held pursuant to this section shall be combined with any hearing provided for by KRS 532.080.[~~ This section shall not apply to sentencing hearings provided for in KRS 532.025.~~]

(1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the Department of Corrections and all persons supervised pursuant to KRS 439.560 shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.

(2) The fees shall be as follows:

(a) For a felony, not less than ten dollars ($10) per month while on active supervision nor more than two thousand five hundred dollars ($2,500) ***per year***.

(b) For a misdemeanor, not less than ten dollars ($10) per month while on active supervision nor more than five hundred dollars ($500) ***per year***, except as provided in subsection (13) of this section.

(3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.

(4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.

(5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanant probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.

(6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:

(a) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.

(b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.

(7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.

(8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.

(9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.

(11) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section.

(12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its supervision, keep an account of all payments made and report delinquencies to the releasing authority.

(13) In counties containing a city of the first class or an urban-county form of government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanant probation and work release program of the county containing a city of the first class or urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of this section. The fee for a misdemeanant defendant placed under the supervision of an adult misdemeanant probation and work release program of a county containing a city of the first class or an urban-county government shall be not less than one hundred dollars ($100) nor more than five hundred dollars ($500) ***per year***. All sums paid by the defendant under this subsection shall be paid into the general fund of the county containing a city of the first class or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the county containing a city of the first class or urban-county involved. The adult misdemeanant probation and work release program of the county containing a city of the first class or urban-county government shall, for each person released under its supervision, keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk, and report delinquencies to the court.

(c) The aggregate of consecutive indeterminate terms shall not exceed in maximum length the longest extended term which would be authorized by KRS 532.080 for the highest class of crime for which any of the sentences is imposed. ***In no event shall the aggregate of consecutive indeterminate terms exceed seventy (70) years.***

(2) If the court does not specify the manner in which a sentence imposed by it is to run, the sentence shall run concurrently with any other sentence which the defendant must serve.

(3) When a defendant is sentenced to imprisonment for a crime committed while on parole in this state, the term of imprisonment and any period of reimprisonment that the board of parole may require the defendant to serve upon the revocation of his parole shall run concurrently, unless the court orders them to run consecutively.

(4) Notwithstanding any provision in this section to the contrary, if a person is convicted of an offense that is committed while he is imprisoned in a penal or reformatory institution, during an escape from imprisonment, or while he awaits imprisonment, the sentence imposed for that offense may be added to the portion of the term which remained unserved at the time of the commission of the offense. The sentence imposed upon any person convicted of an escape or attempted escape offense shall run consecutively with any other sentence which the defendant must serve.

(5) Notwithstanding any provision in this chapter to the contrary, if a person is convicted of an offense that is committed while he is imprisoned in a penal or reformatory institution, the sentence imposed for that offense may, upon order of the trial court, be served in that institution. Section 116. KRS 640.010 is amended to read as follows:

(1) For children who are alleged to be youthful offenders by falling in the purview of KRS 635.020(2), (3),[~~ (4),~~] (5), (6), (7),[~~ or~~] (8) ***or (9)***, the court shall at arraignment assure that the child's rights as specified in KRS 610.060 have been explained and followed.

(2) In the case of a child alleged to be a youthful offender by falling within the purview of KRS 635.020***(2), (3), (6), (7), (8), or (9)***, the District Court shall, upon motion by the county attorney to proceed under this chapter, and after the county attorney has consulted with the Commonwealth's attorney, conduct a preliminary hearing to determine if the child should be transferred to Circuit Court as a youthful offender. The preliminary hearing shall be conducted in accordance with the Rules of Criminal Procedure.

(a) At the preliminary hearing, the court shall determine if there is probable cause to believe that an offense was committed, that the child committed the offense, and that the child is of sufficient age and has the requisite number of prior adjudications, if any, necessary to fall within the purview of KRS 635.020.

(b) If the District Court determines probable cause exists, the court shall consider the following factors before determining whether the child's case shall be transferred to the Circuit Court:

1. The seriousness of the alleged offense;
2. Whether the offense was against persons or property, with greater weight being given to offenses against persons;
3. The maturity of the child as determined by his environment;
4. The child's prior record;
5. The best interest of the child and community;
6. The prospects of adequate protection of the public; and
7. The likelihood of reasonable rehabilitation of the child by the use of procedures, services, and facilities currently available to the juvenile justice system.

(c) If, following the completion of the preliminary hearing, the District Court finds, after considering the factors enumerated in paragraph (b) of this subsection, that two (2) or more of the factors specified in paragraph (b) of this subsection are determined to favor transfer, the child may be transferred to Circuit Court, and if the child is transferred the District Court shall issue an order transferring the child as a youthful offender and shall state on the record the reasons for the transfer. The child shall then be proceeded against in the Circuit Court as an adult, except as otherwise provided in this chapter.

(d) If, following completion of the preliminary hearing, the District Court is of the opinion, after considering the factors enumerated in paragraph (b) of this subsection that the child shall not be transferred to the Circuit Court, the case shall be dealt with as provided in KRS Chapter 635.

(3) If the child is transferred to Circuit Court under this section and the grand jury does not find that there is probable cause to indict the child as a youthful offender, as defined in KRS 635.020(2), (3), ***(5)***[~~(4)~~], (6),[~~ and~~] (7), ***and (8),*** but does find that there is probable cause to indict the child for another criminal offense, the child shall not be tried as a youthful offender in Circuit Court but shall be returned to District Court to be dealt with as provided in KRS Chapter 635.

(3) If a person is not otherwise prohibited from obtaining probation or conditional discharge under subsection (2), the court may impose on the person a period of probation or conditional discharge. Probation or conditional discharge shall not be granted until the court is in receipt of an evaluation of the offender performed by the sex offender treatment program operated or approved by the Department of Corrections or the Department for Mental Health and Mental Retardation Services. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.220 is amended to read as follows:

(1) Deposits belonging to a resident of Kentucky in any financial institution, as defined in KRS 136.500, and unmanufactured tobacco insofar as it is subject to taxation by KRS 132.190 and 132.200, shall be listed, assessed, and valued as of January 1 of each year. Money in hand shall be listed, assessed, and valued as of January 1 of each year. Shares of stock, notes, bonds, accounts, and other credits, whether secured by mortgage, pledge, or otherwise, or unsecured, and all interest in the property, unless otherwise provided by law, shall be listed, assessed, and valued as of the beginning of business on January 1 of each year. All other taxable property and all interest in other taxable property, unless otherwise specifically provided by law, shall be listed, assessed, and valued as of January 1 of each year. It shall be the duty of all persons owning or having any interest in any real property taxable in this state to list or have listed the property with the property valuation administrator of the county where it is located, between January 1 and March 1 in each year, except as otherwise provided by law. It shall be the duty of all persons owning or having any interest in any intangible personal property or tangible personal property taxable in this state to list or have listed the property with the property valuation administrator of the county of taxable situs or with the cabinet between January 1 and May 15 in each year, except as otherwise prescribed by law. The filing date for an individual's intangible property tax return may be extended to the extended federal income filing date approved by the Internal Revenue Service for that individual. If an individual extends the filing date for the intangible return, no discount shall be allowed upon the payment of the intangible tax. All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.

(2) Any taxpayer may list his property in person before the property valuation administrator or his deputy, or may file a property tax return by first class mail. Any real property correctly and completely described in the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could potentially affect the assessed value have been made to the property. However, if requested in writing by the property valuation administrator or by the cabinet, any real property owner shall submit a property tax return to verify existing information or to provide additional information for assessment purposes. Any real property which has been underassessed as a result of the owner intentionally failing to provide information, or intentionally providing erroneous information, shall be subject to revaluation, and the difference in value shall be assessed as omitted property under the provisions of KRS 132.290.

(3) If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list. The

property valuation administrator, his employee, or employees of the cabinet may physically inspect and revalue land and buildings in the absence of the property owner or resident. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the absence or without the permission of the owner or resident.

(4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.

(5) Real property tax roll entries for which tax bills have not been collected ***at the expiration of the one (1) year tolling period provided for in Section 13 of this Act***[~~for more than one (1) year~~], and for which the property valuation administrator cannot physically locate and identify the real property, shall be deleted ***from the tax roll and the assessment shall be exonerated***. The property valuation administrator shall keep a record ***of these exonerations***, which shall be open under the provisions of KRS 61.870 to 61.884[~~, of these entries~~]. If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290. ***Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.***

(6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the cabinet within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the cabinet. The cabinet shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.

(7) Each property valuation administrator, under the direction of the cabinet, shall review annually all real property listed with him under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

Section 2. KRS 133.220 is amended to read as follows:

(1) The Revenue Cabinet annually shall furnish to each county clerk tax bill forms designed for adequate accounting control sufficient to cover the taxable property on the rolls.

(2) After receiving the forms, the county clerk shall prepare for the use of the sheriff or collector a correct tax bill for each taxpayer in the county whose property has been assessed and whose valuation is included in the certification provided in KRS 133.180. If the bills are bound, the cost of binding shall be paid out of the county levy. Each tax bill shall show the rate of tax upon each one hundred dollars ($100) worth of property for state, county, and school purposes; the name of the taxpayer and his mailing address; the number of acres of farm land and its value; the number of lots and their value; the amount and value of notes and money; the value of mixed personal property;[~~ the county poll; the school poll; the school tax;~~] and the total amount of taxes due the state, county, school fund, and other levies. Provision shall be made for the sheriff to have a stub, duplicate, or other proper evidence of receipt of payment of each tax bill.

(3) Tax bills prepared in accordance with the certification of the Revenue Cabinet shall be delivered to the sheriff or collector by the county clerk before September 15 of each year. The clerk shall take a receipt showing the number of tax bills and the total amount of tax due each taxing district as shown upon the tax bills. The receipt shall be signed and acknowledged by the sheriff or collector before the county clerk, filed with the county judge/executive, and recorded in the order book of the county judge/executive in the manner required by law for recording the official bond of the sheriff.

(4) Upon delivery to him of the tax bills, the sheriff or collector shall mail a notice to each taxpayer, showing the total amount of taxes due the state, county, school fund, and other levies, the date on which the taxes are due, and any discount to which the taxpayer may be entitled upon payment of the taxes prior to a designated date.

(5) All notices returned as undeliverable shall be submitted no later than the following work day to the property valuation administrator. The property valuation administrator shall correct inadequate or erroneous addresses if the information to do so is available and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the corrected notices to the sheriff or collector on a daily basis as corrections are made, but no later than fifteen (15) days after receipt. Uncorrected notices shall be submitted to the cabinet by the property valuation administrator.

Section 3. KRS 134.020 is amended to read as follows:

(1) All state, county, and district taxes, except as otherwise provided by law, shall be due and payable on September 15 following the assessment; except that all taxes in any year on unmanufactured tobacco, money in hand, or money on deposit outside this state, shall be due and payable on the second succeeding September 15 following the assessment,

unless otherwise provided by law.

(2) Any taxpayer who pays his state, county, or district taxes by November 1 after they become due in any year shall be entitled to two percent (2%) discount thereon, and the sheriff shall allow the discount and give a receipt in full to the taxpayer. The sheriff may, at any time after the taxes mentioned in this section become due, receive less than the face amount of the tax bill as a credit on the amount due, including the amount of any penalties then due; and every payment shall be credited upon the tax bill or upon sheets annexed thereto for that purpose, and acknowledged in writing or by a rubber stamp, indicating the amount so paid to the sheriff. ***The sheriff may accept payment of taxes due by any commercially acceptable means, including credit cards.***

(3) All state, county, and district taxes, except as otherwise provided by law, shall become delinquent on January 1 following their due date.

(4) Any taxes which are not paid by the date when they become delinquent shall be subject to a penalty of ten percent (10%) on the taxes due and unpaid; except that taxes which became delinquent on January 1 shall be subject to a penalty of only ***five***[~~two~~] percent ***(5%)***[~~(2%)~~] on the taxes due and unpaid, if paid on or before the last day of January. The sheriff shall collect the penalty and account for it as he is required to collect and account for taxes.

(5) When the tax collection schedule is delayed, through no fault of the taxpayers, the Revenue Cabinet may institute a revised collection schedule. The revised collection dates shall allow a two percent (2%) discount for all payments made within thirty (30) calendar days of the date the tax bills were mailed. Upon expiration of the time period to pay the tax bill with a discount, the face amount of the tax bill shall be due during the next thirty (30) days. If the time period to pay the face amount has lapsed, a ***five***[~~two~~] percent ***(5%)***[~~(2%)~~] penalty shall be added to the tax bill for payments made during the next thirty (30) day period. Upon expiration of this time period, a ten percent (10%) penalty shall be added to all tax bills paid thereafter.

(6) If, upon expiration of the five percent (5%) penalty period, the real property tax delinquencies of the sheriff exceed fifteen percent (15%), the sheriff shall be required to make additional reasonable collection efforts. If the sheriff fails to initiate additional reasonable collection efforts within fifteen (15) business days following the expiration of the five percent (5%) penalty period, the secretary of the cabinet may act in the name of and on behalf of the cities, counties, schools, and other taxing districts to collect the delinquent taxes. In the performance of any tax collection duties undertaken by the cabinet, the cabinet shall have all the powers, rights, and authority for the collection of taxes established in Chapters 131, 132, 133, and 134 of the Kentucky Revised Statutes. If the cabinet assumes collection duties, all fees and commissions which the sheriff would have been entitled to receive from the taxing districts after the expiration of the five percent (5%) penalty period shall be paid to the cabinet for deposit in the delinquent tax fund as provided in KRS 134.400.

Section 4. KRS 134.310 is amended to read as follows:

(1) The sheriff shall annually settle his accounts for county and district taxes with the fiscal court ***after***[~~, before~~] making settlement with the Revenue Cabinet.[~~ At the regular October term each year,~~] The fiscal court shall appoint some competent person other than the Commonwealth's or county attorney to settle the accounts of the sheriff for money due the county or district. ***The cabinet, at the request of the fiscal court or any school district, may conduct the local settlement. Upon completion of the local settlement, the cabinet may receive reasonable reimbursement for expenses incurred.*** The report of ***the state and local***[~~this~~] settlement shall be filed in the county clerk's office and approved by the county judge/executive ***no later than September 1 of each year***. The settlement shall show the amount of ad valorem tax collected, and an itemized statement of the money disbursed.

(2) The settlement shall be published pursuant to KRS Chapter 424. The report of the settlement shall be subject to objections by the sheriff or by the county attorney, who shall represent the state and county, and the county judge/executive shall determine the objections. ***Objections shall be submitted to the county judge/executive within fifteen (15) days of the filing of the settlement in the clerk's office. If no objections are submitted, the settlement will become final.***

(3) ***If the county judge/executive denies the objections, the sheriff***[~~Either party~~] may institute an action in Circuit Court ***within fifteen (15) days of receipt of the denial for review of***[~~to correct~~] the settlement ***and objections. Upon review, the Circuit Court shall issue its determination and the settlement shall become final. The final settlement shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810***.[~~ The settlement, when approved, shall be recorded in the county clerk's office.~~]

(4) On the final settlement, the sheriff shall pay to the county treasurer all money that remains in his hands, and take receipts as provided in KRS 134.300***, and shall pay any additional amounts charged against him as a result of the settlements***.

(5) In counties containing a population of less than seventy thousand (70,000), the sheriff shall file annually with his final settlement:

(a) A complete statement of all funds received by his office for official services, showing separately the total income received by his office for services rendered, exclusive of his commissions for collecting taxes, and the total funds received as commissions for collecting state, county, and school taxes; and

(b) A complete statement of all expenditures of his office, including his salary, compensation of deputies and assistants, and reasonable expenses.

(6) At the time he files the statements required by subsection (5) of this section, the sheriff shall pay to the fiscal court any fees, commissions, and other income of his office, including income from investments, which exceed the sum of his maximum salary as permitted by the Constitution and other reasonable expenses, including compensation of deputies and assistants. The settlement for excess fees and commissions and other income shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810, and the provisions of this subsection shall not be construed to amend KRS 64.820 or 64.830.

Section 5. KRS 134.325 is amended to read as follows:

Each sheriff shall ***conduct the sale of delinquent tax bills required by Section 10 of this Act and*** make his ***records available for*** settlement with the Revenue Cabinet for all taxes collected for the Commonwealth before ***April 30***[~~August 1~~] of each year during his term of office. In the event that any sheriff resigns, dies, or otherwise vacates his office, the ***books and records***[~~settlement~~] shall be made ***available*** within thirty (30) days from the date that the office is vacated. Any sheriff who ***fails***[~~shall fail~~] to make the settlement ***books and records available or fails to remit any amounts which are due to the taxing districts*** as required by law shall be subject to indictment in the county of his residence and fined not less than ***five***[~~one~~] hundred dollars ***($500)***[~~($100)~~] nor more than five ***thousand***[~~hundred~~] dollars ***($5,000)***[~~($500)~~].

Section 6. KRS 134.330 is amended to read as follows:

(1) No tax bill or tax book shall be delivered to the sheriff ***during***[~~after July 31 of~~] the second or any subsequent calendar year of the sheriff's regular term until he exhibits a quietus from the Revenue Cabinet and from the fiscal court of his county for the preceding tax period and his revenue bond***, if bonding is required by the fiscal court,*** for the next tax year.

(2) If the tax records of a county are destroyed by fire, lost, stolen, or mutilated so as to require reassessment of the property in the county or a recertification of the tax bills, the sheriff shall have five (5) months from the time he receives the recertified tax bills within which to make settlement with the cabinet and the fiscal court, and to receive his quietus from the cabinet and the fiscal court.

Section 7. KRS 134.360 is amended to read as follows:

In making his settlements with the fiscal court and the Revenue Cabinet, the sheriff ***shall***[~~may~~] file a list of uncollectible delinquent taxes,[~~ whereupon the fiscal court and the secretary of revenue or his properly designated agent shall administer to the sheriff and his deputies the following oath: "You do swear that this list of insolvents and delinquents returned by you is just and true, as you believe according to the knowledge which you have, and that you have been to the residence (if in the county) of the person from whom the tax is due, and that you cannot find any property liable to sale for taxes, and that you will true answers make to all questions asked you touching said lists and the efforts made by you to collect the amount thereof." The fiscal court and the secretary of revenue shall then examine the sheriff to ascertain the facts, and upon his answers and other evidence, and their own knowledge, shall allow such portions of the list as may be correct,~~] which[~~, being certified as allowed,~~] shall entitle the sheriff to a credit in his official settlement. The sheriff shall also be allowed credit in his official settlement for the tax bills on which certificates of delinquency have properly been issued to the state, county, and taxing districts.

Section 8. KRS 134.380 is amended to read as follows:

(1) [~~If the real property tax delinquency rate as certified by the cabinet for any county exceeds five percent (5%) in any tax year effective after December 31, 1990, ~~]The secretary[~~ shall investigate the reasons for the delinquency and~~] may act in the name of and in behalf of the state and in the name of and in behalf of any and all counties, school, and other taxing districts in the state[~~, except cities,~~] to institute and prosecute any action or proceeding for the collection of delinquent taxes and the assessment of omitted property[~~ for the tax year with the excessive delinquency rate and for any previous tax year~~]. If the cabinet assumes the duties of collecting the delinquent taxes assessed under the authority of KRS Chapter 132, it shall have all the powers, rights, duties, and authority conferred generally upon the cabinet by the Kentucky Revised Statutes, including, but not limited to, Chapters 131, 134, and 135.

(2) Field agents, accountants, and attorneys of the cabinet shall prosecute all actions and proceedings under the direction of the secretary. Field agents, accountants, attorneys, and all other employees of the cabinet engaged in the prosecution of the actions shall not be hired by personal service contract. The secretary shall prosecute diligently, or cause to be prosecuted by field agents, accountants, and attorneys employed by him, the collection of all delinquent taxes due the state.

(3) Nothing contained in this chapter shall prevent the secretary of revenue from assessing any property in accordance with the provisions of KRS 136.020, 136.030, or 136.050, or KRS 136.120 to 136.180.

(4) The cabinet may require ***the use of*** any reports***, forms, or databases*** necessary to administer the law in connection with the collection of delinquent taxes[~~, and may promulgate regulations as to how the tax bills, certificates of delinquency,~~

~~and other forms shall be filed and recorded~~]. The cabinet shall require an index to be kept of all certificates of delinquency.

Section 9. KRS 134.420 is amended to read as follows:

(1) The state and each county, city, or other taxing district shall have a lien on the property assessed for taxes due them respectively for ***ten (10)***[~~five (5)~~] years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes. The lien shall include all interest, penalties, fees, commissions, charges, and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county, or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.

(2) If any person liable to pay any tax administered by the Revenue Cabinet, other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.

(3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the secretary of the Revenue Cabinet, or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.

(4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the secretary of the Revenue Cabinet or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the Revenue Cabinet shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.

(5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:

(a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and

2. Is covered by the terms of a written agreement entered into before tax lien filing; and

(b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 10. KRS 134.430 is amended to read as follows:

(1) All personal property owned by a delinquent taxpayer shall be subject to distraint, and all property owned by him shall be subject to levy and sale by the proper collecting officer at any time from February 1 after the tax claim becomes delinquent until the tax claim is barred by limitations, unless otherwise provided by law.

(2) When any taxpayer becomes delinquent in the payment of a tax bill covering any property assessed by the property valuation administrator, the county board of assessment appeals, the cabinet, or any omitted property irrespective of by whom assessed, the sheriff ***may***[~~shall first~~] distrain a sufficient quantity of the delinquent's personal property in the county to pay the tax claim, and a necessary part of this property shall be sold as under execution for cash.[~~ For failure to first distrain and sell personal property, the sheriff shall be liable for the tax claim represented by the tax bill, but receipt of a quietus for the tax bill shall preclude liability.~~] Neglect on the part of the sheriff to[~~ first~~] distrain and sell personal property shall not affect the validity of the sale of the tax claim, or the lien or the rights of any purchaser. If personal property sufficient to satisfy the tax claim cannot be found in the county, the sheriff ***may***[~~shall~~] sell so much of the personal property as is found and enter proper credit on the tax bill.

(3) ***As compensation for services, the sheriff shall be entitled to an additional ten percent (10%) of that part of the tax claim represented by the total taxes plus ten percent (10%) penalty, for all delinquent taxes collected from the time the ten percent (10%) penalty becomes applicable through the sale of the tax claims. This fee shall be added to the total amount due and paid by the person paying the delinquent tax bill.***

(4) If no personal property is found, or the amount found is insufficient,[~~ a notation to that effect shall be entered on the tax bill.~~] the sheriff shall, ***no later than the first full week in April***[~~after entering this notation on the tax bill~~], advertise[~~ and offer~~] for sale the tax claims of the state, county, and other taxing districts, if there is any real property subject to the lien provided in subsection (1) of KRS 134.420. ***The sheriff shall receive offers for the purchase of tax claims until April 30, or the last business day prior to April 30, if April 30 falls on a weekend or holiday.***

(5)[~~(4)~~] No sheriff shall knowingly sell a tax claim on the same tract of land more than once for the same tax.

Section 11. KRS 134.440 is amended to read as follows:

(1) The advertisement of sale of tax claims shall be published pursuant to KRS Chapter 424. The advertisement may in addition consist of the posting of printed notices containing the same information in three (3) or more conspicuous places in the county, fifteen (15) days before the sale. The sheriff shall place a copy of the advertisement at the courthouse door in a conspicuous place at least fifteen (15) days before the sale. The sale shall be at the courthouse door. The sheriff shall, not less than twelve (12) days before the sale, mail to the delinquent taxpayer's place of residence or business, if it can be ascertained, a notice of the time and place of sale. Failure to send the notice shall have no effect on the validity of the sale.

(2) As compensation for his services, the sheriff shall receive ***five dollars ($5)***[~~one dollar ($1)~~] for each tax claim advertised. ***The***[~~He shall, in addition, when a certificate of delinquency filed with the county clerk is paid, be entitled to six percent (6%) of that part of the tax claim represented by the total taxes plus ten percent (10%) penalty. Both~~] fees shall be added to the amount of the tax claim as a part of the certificate of delinquency and paid by the person who pays the tax claim, and[~~ they~~] shall not be paid by the state, county***,*** or taxing district. Any ***additional*** expenses incurred that must be paid before the sale of a tax claim or the settlement of an action by the state, county***,*** or taxing district shall be paid by the county, and this sum shall be a preferred claim of the county on any proceeds eventually recovered.

Section 12. KRS 134.450 is amended to read as follows:

(1) ***The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims***[~~Any tax claim offered for sale as prescribed in KRS 134.430 and 134.440 shall be sold to any person for cash~~]. If there is more than one (1) willing purchaser ***who has made an offer***[~~at the sale~~], the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person,[~~ the sale shall be made to~~] the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim ***shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance Cabinet shall purchase the delinquent tax bills offered for sale by the sheriff that the Finance Cabinet determines are collectable and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance Cabinet. If the Finance Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase***. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible ***offer***[~~bid~~] in the amount of the tax claim is received, the sheriff shall purchase it for the state, county***,*** and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

Section 13. KRS 134.470 is amended to read as follows:

An uncollectible tax bill or a certificate of delinquency shall embrace the entire tax claim, including the lien provided in subsection (1) of KRS 134.420, and shall continue to be a personal obligation of the delinquent taxpayer. Any property while owned by him shall be subject to foreclosure or execution in satisfaction of a judgment pursuant to an action in rem or an action in personam, or both, to enforce the obligation, and shall also be subject to distraint or levy as provided in subsection (1) of KRS 134.430, but no action may be brought to enforce a certificate of delinquency until one (1) year after the issuance thereof, and the action shall be instituted within ***ten (10)***[~~five (5)~~] years after the expiration of that one (1) year period. During the one (1) year period the statute of limitations shall be suspended in all respects and shall be continued in all respects for ***ten (10)***[~~five (5)~~] years thereafter. If the owner of a certificate of delinquency proceeds to enforce satisfaction of the certificate, he may include all other certificates held by him against the same delinquent taxpayer; but insofar as the proceedings may undertake to effect a lien foreclosure, they shall be governed by the time applicable to the particular property subject to the lien, if that property is no longer owned by the delinquent.

Section 14. KRS 134.480 is amended to read as follows:

(1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district the certified copy of the certificate shall be surrendered to the person making payment, and if he is the person primarily liable on the certificate he may, by exhibiting it to the county clerk, have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the Revenue Cabinet may require. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents ($0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents ($0.50) to the clerk for entering such change on the certificate.

(2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the Revenue Cabinet, the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. ***The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards.*** He shall pay to the Revenue Cabinet for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ***ten***[~~five~~] percent ***(10%)***[~~(5%)~~] of the amount due each taxing unit for his services ***as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim***.

(3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents ($0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.

(5) Copies of the records provided for in KRS 134.450 and 134.480, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 15. KRS 134.490 is amended to read as follows:

(1) ***Within fifty (50) days after the issuance of a certificate of delinquency to a private purchaser, the private purchaser shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address reflected in the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if the certificate is not paid, it will be subject to collection as provided by law.***

(2) If a private person is the owner of a certificate of delinquency, he may, after the expiration of the one (1) year period provided in KRS 134.470:

(a) Institute an action against the delinquent taxpayer to collect the amount of the certificate, and any other certificates subsequently issued to the same owner against the same delinquent, and shall have all the remedies available for the enforcement of a debt; or

(b) Institute an action to enforce the lien provided in subsection (1) of KRS 134.420, represented by the certificate that is more than one (1) year of age, and those certificates subsequently held by the same owner against the same delinquent or property; or

(c) Institute one (1) action including both types of actions mentioned in paragraphs (a) and (b) of this subsection, and the joinder of actions shall not be defeated if the delinquent taxpayer has disposed of any property covered by the lien, but the purchaser of the property shall be made a defendant if the judgment is to affect his interest in the property, and as between them the delinquent taxpayer shall be responsible.

(3)[~~(2)~~] If the state, county***,*** or a taxing district is the owner of a certificate of delinquency, it shall have, after the expiration of the one (1) year period provided in KRS 134.470, in addition to the remedies mentioned in subsection ***(2)***[~~(1)~~] of this section, the right to distrain and sell any property owned by the delinquent, including that on which the lien provided in subsection (1) of KRS 134.420 has attached. Any property sold under distraint proceedings shall be sold in the same manner as provided in KRS 134.430 and 134.440, except that the exercise of the power shall be vested in the county attorney***.***[~~ The county attorney may designate the property subject to distraint and require the sheriff to take custody if he deems custody of the property necessary. If the sheriff fails to perform this duty, he shall not be entitled to his six percent (6%) fee provided in KRS 134.440.~~]

(4)[~~(3)~~] If property is sold pursuant to a judgment of foreclosure, it shall be appraised pursuant to the provisions of KRS 426.520 and there shall be a right of redemption as provided in KRS 426.530. If there is no purchaser at a foreclosure sale, the master commissioner shall make a deed to the person or persons shown by record to be the owner of the certificate or certificates of delinquency, and they shall have a pro rata interest in accordance with the amount of their respective certificates.

Section 16. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum from the date the ***certificate of delinquency is issued***[~~sheriff makes settlement with the cabinet and receives credit therefor~~]. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney***, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner***. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney ***or the Revenue Cabinet*** shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.[~~ A copy of the return receipt shall be filed by the county attorney in the office of the county clerk in the manner prescribed by the cabinet.~~]

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. ***The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the Property Valuation Administration. The Property Valuation Administration shall review this list in accordance with the provisions of Section 1 of this Act to establish that the properties on the list can be identified and physically located.***

(3) ***The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in Section 13 of this Act to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.***

(4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the ***fee***[~~commission~~] shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. ***This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts.*** If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the ***fee***[~~commission on the amount collected for each taxing unit~~]. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which ***is litigated by the taxpayer***[~~results in contested litigation~~], an additional county's attorney fee equal to thirteen percent (13%) of the total tax ***plus ten percent (10%) penalty***,[~~ interest, and penalties due~~] may be added to the certificate or the bill and shall become part of the tax claim.

(5)[~~(4)~~] If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

The Committee Substitute to **HB 568** is as follows:

AN ACT relating to property tax, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.220 is amended to read as follows:

(1) Deposits belonging to a resident of Kentucky in any financial institution, as defined in KRS 136.500, and unmanufactured tobacco insofar as it is subject to taxation by KRS 132.190 and 132.200, shall be listed, assessed, and valued as of January 1 of each year. Money in hand shall be listed, assessed, and valued as of January 1 of each year. Shares of stock, notes, bonds, accounts, and other credits, whether secured by mortgage, pledge, or otherwise, or unsecured, and all interest in the property, unless otherwise provided by law, shall be listed, assessed, and valued as of the beginning of business on January 1 of each year. All other taxable property and all interest in other taxable property, unless otherwise specifically provided by law, shall be listed, assessed, and valued as of January 1 of each year. It shall be the duty of all persons owning or having any interest in any real property taxable in this state to list or have listed the property with the property valuation administrator of the county where it is located, between January 1 and March 1 in each year, except as otherwise provided by law. It shall be the duty of all persons owning or having any interest in any intangible personal property or tangible personal property taxable in this state to list or have listed the property with the property valuation administrator of the county of taxable situs or with the cabinet between January 1 and May 15 in each year, except as otherwise prescribed by law. The filing date for an individual's intangible property tax return may be extended to the extended federal income filing date approved by the Internal Revenue Service for that individual. If an individual extends the filing date for the intangible return, no discount shall be allowed upon the payment of the intangible tax. All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.

(2) Any taxpayer may list his property in person before the property valuation administrator or his deputy, or may file a property tax return by first class mail. Any real property correctly and completely described in the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could

potentially affect the assessed value have been made to the property. However, if requested in writing by the property valuation administrator or by the cabinet, any real property owner shall submit a property tax return to verify existing information or to provide additional information for assessment purposes. Any real property which has been underassessed as a result of the owner intentionally failing to provide information, or intentionally providing erroneous information, shall be subject to revaluation, and the difference in value shall be assessed as omitted property under the provisions of KRS 132.290.

(3) If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list. The property valuation administrator, his employee, or employees of the cabinet may physically inspect and revalue land and buildings in the absence of the property owner or resident. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the absence or without the permission of the owner or resident.

(4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.

(5) Real property tax roll entries for which tax bills have not been collected ***at the expiration of the one (1) year tolling period provided for in Section 13 of this Act***[~~for more than one (1) year~~], and for which the property valuation administrator cannot physically locate and identify the real property, shall be deleted ***from the tax roll and the assessment shall be exonerated***. The property valuation administrator shall keep a record ***of these exonerations***, which shall be open under the provisions of KRS 61.870 to 61.884[~~, of these entries~~]. If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290. ***Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.***

(6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the cabinet within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the cabinet. The cabinet shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.

(7) Each property valuation administrator, under the direction of the cabinet, shall review annually all real property listed with him under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

Section 2. KRS 133.220 is amended to read as follows:

(1) The Revenue Cabinet annually shall furnish to each county clerk tax bill forms designed for adequate accounting control sufficient to cover the taxable property on the rolls.

(2) After receiving the forms, the county clerk shall prepare for the use of the sheriff or collector a correct tax bill for each taxpayer in the county whose property has been assessed and whose valuation is included in the certification provided in KRS 133.180. If the bills are bound, the cost of binding shall be paid out of the county levy. Each tax bill shall show the rate of tax upon each one hundred dollars ($100) worth of property for state, county, and school purposes; the name of the taxpayer and his mailing address; the number of acres of farm land and its value; the number of lots and their value; the amount and value of notes and money; the value of mixed personal property;[~~ the county poll; the school poll; the school tax;~~] and the total amount of taxes due the state, county, school fund, and other levies. Provision shall be made for the sheriff to have a stub, duplicate, or other proper evidence of receipt of payment of each tax bill.

(3) Tax bills prepared in accordance with the certification of the Revenue Cabinet shall be delivered to the sheriff or collector by the county clerk before September 15 of each year. The clerk shall take a receipt showing the number of tax bills and the total amount of tax due each taxing district as shown upon the tax bills. The receipt shall be signed and acknowledged by the sheriff or collector before the county clerk, filed with the county judge/executive, and recorded in the order book of the county judge/executive in the manner required by law for recording the official bond of the sheriff.

(4) Upon delivery to him of the tax bills, the sheriff or collector shall mail a notice to each taxpayer, showing the total amount of taxes due the state, county, school fund, and other levies, the date on which the taxes are due, and any discount to which the taxpayer may be entitled upon payment of the taxes prior to a designated date.

(5) All notices returned as undeliverable shall be submitted no later than the following work day to the property valuation administrator. The property valuation administrator shall correct inadequate or erroneous addresses if the

information to do so is available and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the corrected notices to the sheriff or collector on a daily basis as corrections are made, but no later than fifteen (15) days after receipt. Uncorrected notices shall be submitted to the cabinet by the property valuation administrator.

Section 3. KRS 134.020 is amended to read as follows:

(1) All state, county, and district taxes, except as otherwise provided by law, shall be due and payable on September 15 following the assessment; except that all taxes in any year on unmanufactured tobacco, money in hand, or money on deposit outside this state, shall be due and payable on the second succeeding September 15 following the assessment, unless otherwise provided by law.

(2) Any taxpayer who pays his state, county, or district taxes by November 1 after they become due in any year shall be entitled to two percent (2%) discount thereon, and the sheriff shall allow the discount and give a receipt in full to the taxpayer. The sheriff may, at any time after the taxes mentioned in this section become due, receive less than the face amount of the tax bill as a credit on the amount due, including the amount of any penalties then due; and every payment shall be credited upon the tax bill or upon sheets annexed thereto for that purpose, and acknowledged in writing or by a rubber stamp, indicating the amount so paid to the sheriff. ***The sheriff or any authorized collector of property taxes may accept payment of taxes due by any commercially acceptable means, including credit cards.***

(3) All state, county, and district taxes, except as otherwise provided by law, shall become delinquent on January 1 following their due date.

(4) Any taxes which are not paid by the date when they become delinquent shall be subject to a penalty of ten percent (10%) on the taxes due and unpaid; except that taxes which became delinquent on January 1 shall be subject to a penalty of only ***five***[~~two~~] percent ***(5%)***[~~(2%)~~] on the taxes due and unpaid, if paid on or before the last day of January. The sheriff shall collect the penalty and account for it as he is required to collect and account for taxes.

(5) When the tax collection schedule is delayed, through no fault of the taxpayers, the Revenue Cabinet may institute a revised collection schedule. The revised collection dates shall allow a two percent (2%) discount for all payments made within thirty (30) calendar days of the date the tax bills were mailed. Upon expiration of the time period to pay the tax bill with a discount, the face amount of the tax bill shall be due during the next thirty (30) days. If the time period to pay the face amount has lapsed, a ***five***[~~two~~] percent ***(5%)***[~~(2%)~~] penalty shall be added to the tax bill for payments made during the next thirty (30) day period. Upon expiration of this time period, a ten percent (10%) penalty shall be added to all tax bills paid thereafter.

(6) If, upon expiration of the five percent (5%) penalty period, the real property tax delinquencies of the sheriff exceed fifteen percent (15%), the sheriff shall be required to make additional reasonable collection efforts. If the sheriff fails to initiate additional reasonable collection efforts within fifteen (15) business days following the expiration of the five percent (5%) penalty period, the secretary of the cabinet may act in the name of and on behalf of the cities, counties, schools, and other taxing districts to collect the delinquent taxes. In the performance of any tax collection duties undertaken by the cabinet, the cabinet shall have all the powers, rights, and authority for the collection of taxes established in Chapters 131, 132, 133, and 134 of the Kentucky Revised Statutes. If the cabinet assumes collection duties, all fees and commissions which the sheriff would have been entitled to receive from the taxing districts after the expiration of the five percent (5%) penalty period shall be paid to the cabinet for deposit in the delinquent tax fund as provided in KRS 134.400.

Section 4. KRS 134.310 is amended to read as follows:

(1) The sheriff shall annually settle his accounts for county and district taxes with the fiscal court ***after***[~~, before~~] making settlement with the Revenue Cabinet.[~~ At the regular October term each year,~~] The fiscal court shall appoint some competent person other than the Commonwealth's or county attorney to settle the accounts of the sheriff for money due the county or district. ***The cabinet, at the request of the fiscal court or any school district, may conduct the local settlement. If no local settlement has been initiated by July 1 of any year, the cabinet may initiate the local settlement on behalf of the local district. Upon completion of the local settlement, the cabinet may receive reasonable reimbursement for expenses incurred.*** The report of ***the state and local***[~~this~~] settlement shall be filed in the county clerk's office and approved by the county judge/executive ***no later than September 1 of each year***. The settlement shall show the amount of ad valorem tax collected, and an itemized statement of the money disbursed.

(2) The settlement shall be published pursuant to KRS Chapter 424. The report of the settlement shall be subject to objections by the sheriff or by the county attorney, who shall represent the state and county, and the county judge/executive shall determine the objections. ***Objections shall be submitted to the county judge/executive within fifteen (15) days of the filing of the settlement in the clerk's office. If no objections are submitted, the settlement will become final.***

(3) ***If the county judge/executive denies the objections, the sheriff***[~~Either party~~] may institute an action in Circuit Court ***within fifteen (15) days of receipt of the denial for review of***[~~to correct~~] the settlement ***and objections. Upon review, the Circuit Court shall issue its determination and the settlement shall become final. The final settlement shall be***

subject to correction by audit conducted pursuant to KRS 43.070 or 64.810.[~~ The settlement, when approved, shall be recorded in the county clerk's office.~~]

(4) On the final settlement, the sheriff shall pay to the county treasurer all money that remains in his hands, and take receipts as provided in KRS 134.300***, and shall pay any additional amounts charged against him as a result of the settlements. If the sheriff fails to remit amounts charged against him the cabinet may issue bills for the subsequent year and may assume all collection duties in the name of and on behalf of the cities, counties, school districts, and other taxing districts to collect the taxes. In the performance of any tax collection duties undertaken by the cabinet, the cabinet shall have all the powers, rights, and authority for the collection of taxes established in Chapters 131, 132, 133, and 134 of the Kentucky Revised Statutes. The fees and commissions which the sheriff would have been entitled to receive from the taxing districts shall be paid to the cabinet***.

(5) In counties containing a population of less than seventy thousand (70,000), the sheriff shall file annually with his final settlement:

(a) A complete statement of all funds received by his office for official services, showing separately the total income received by his office for services rendered, exclusive of his commissions for collecting taxes, and the total funds received as commissions for collecting state, county, and school taxes; and

(b) A complete statement of all expenditures of his office, including his salary, compensation of deputies and assistants, and reasonable expenses.

(6) At the time he files the statements required by subsection (5) of this section, the sheriff shall pay to the fiscal court any fees, commissions, and other income of his office, including income from investments, which exceed the sum of his maximum salary as permitted by the Constitution and other reasonable expenses, including compensation of deputies and assistants. The settlement for excess fees and commissions and other income shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810, and the provisions of this subsection shall not be construed to amend KRS 64.820 or 64.830.

Section 5. KRS 134.325 is amended to read as follows:

Each sheriff shall ***conduct the sale of delinquent tax bills required by Section 10 of this Act and*** make his ***records available for*** settlement with the Revenue Cabinet for all taxes collected for the Commonwealth before ***April 30***[~~August 1~~] of each year during his term of office. In the event that any sheriff resigns, dies, or otherwise vacates his office, the ***books and records***[~~settlement~~] shall be made ***available*** within thirty (30) days from the date that the office is vacated. Any sheriff who ***fails***[~~shall fail~~] to make the settlement ***books and records available or fails to remit any amounts which are due to the taxing districts*** as required by law shall be subject to indictment in the county of his residence and fined not less than ***five***[~~one~~] hundred dollars ***($500)***[~~($100)~~] nor more than five ***thousand***[~~hundred~~] dollars ***($5,000)***[~~($500)~~].

Section 6. KRS 134.330 is amended to read as follows:

(1) No tax bill or tax book shall be delivered to the sheriff ***during***[~~after July 31 of~~] the second or any subsequent calendar year of the sheriff's regular term until he exhibits a quietus from the Revenue Cabinet and from the fiscal court of his county for the preceding tax period and his revenue bond***, if bonding is required by the fiscal court,*** for the next tax year.

(2) If the tax records of a county are destroyed by fire, lost, stolen***,*** or mutilated so as to require reassessment of the property in the county or a recertification of the tax bills, the sheriff shall have five (5) months from the time he receives the recertified tax bills within which to make settlement with the cabinet and the fiscal court, and to receive his quietus from the cabinet and the fiscal court.

Section 7. KRS 134.360 is amended to read as follows:

In making his settlements with the fiscal court and the Revenue Cabinet, the sheriff ***shall***[~~may~~] file a list of uncollectible delinquent taxes,[~~ whereupon the fiscal court and the secretary of revenue or his properly designated agent shall administer to the sheriff and his deputies the following oath: "You do swear that this list of insolvents and delinquents returned by you is just and true, as you believe according to the knowledge which you have, and that you have been to the residence (if in the county) of the person from whom the tax is due, and that you cannot find any property liable to sale for taxes, and that you will true answers make to all questions asked you touching said lists and the efforts made by you to collect the amount thereof." The fiscal court and the secretary of revenue shall then examine the sheriff to ascertain the facts, and upon his answers and other evidence, and their own knowledge, shall allow such portions of the list as may be correct,~~] which[~~, being certified as allowed,~~] shall entitle the sheriff to a credit in his official settlement. The sheriff shall also be allowed credit in his official settlement for the tax bills on which certificates of delinquency have properly been issued to the state, county***,*** and taxing districts.

Section 8. KRS 134.380 is amended to read as follows:

(1) [~~If the real property tax delinquency rate as certified by the cabinet for any county exceeds five percent (5%) in any tax year effective after December 31, 1990, ~~]The secretary[~~ shall investigate the reasons for the delinquency and~~] may act in the name of and in behalf of the state and in the name of and in behalf of any and all counties, school, and other taxing districts in the state[~~, except cities,~~] to institute and prosecute any action or proceeding for the collection of delinquent

taxes and the assessment of omitted property[~~ for the tax year with the excessive delinquency rate and for any previous tax year~~]. If the cabinet assumes the duties of collecting the delinquent taxes assessed under the authority of KRS Chapter 132, it shall have all the powers, rights, duties, and authority conferred generally upon the cabinet by the Kentucky Revised Statutes, including, but not limited to, Chapters 131, 134, and 135.

(2) Field agents, accountants, and attorneys of the cabinet shall prosecute all actions and proceedings under the direction of the secretary. Field agents, accountants, attorneys, and all other employees of the cabinet engaged in the prosecution of the actions shall not be hired by personal service contract. The secretary shall prosecute diligently, or cause to be prosecuted by field agents, accountants, and attorneys employed by him, the collection of all delinquent taxes due the state.

(3) Nothing contained in this chapter shall prevent the secretary of revenue from assessing any property in accordance with the provisions of KRS 136.020, 136.030, or 136.050, or KRS 136.120 to 136.180.

(4) The cabinet may require ***the use of*** any reports***, forms, or databases*** necessary to administer the law in connection with the collection of delinquent taxes[~~, and may promulgate regulations as to how the tax bills, certificates of delinquency, and other forms shall be filed and recorded~~]. The cabinet shall require an index to be kept of all certificates of delinquency.

Section 9. KRS 134.420 is amended to read as follows:

(1) The state and each county, city, or other taxing district shall have a lien on the property assessed for taxes due them respectively for ***ten (10)***[~~five (5)~~] years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes. The lien shall include all interest, penalties, fees, commissions, charges, and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county, or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.

(2) If any person liable to pay any tax administered by the Revenue Cabinet, other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.

(3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the secretary of the Revenue Cabinet, or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.

(4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the secretary of the Revenue Cabinet or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the Revenue Cabinet shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.

(5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:

(a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and

2. Is covered by the terms of a written agreement entered into before tax lien filing; and

(b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 10. KRS 134.430 is amended to read as follows:

(1) All personal property owned by a delinquent taxpayer shall be subject to distraint, and all property owned by him shall be subject to levy and sale by the proper collecting officer at any time from February 1 after the tax claim becomes delinquent until the tax claim is barred by limitations, unless otherwise provided by law.

(2) When any taxpayer becomes delinquent in the payment of a tax bill covering any property assessed by the property valuation administrator, the county board of assessment appeals, the cabinet, or any omitted property irrespective of by whom assessed, the sheriff ***may***[~~shall first~~] distrain a sufficient quantity of the delinquent's personal property in the county to pay the tax claim, and a necessary part of this property shall be sold as under execution for cash.[~~ For failure to first distrain and sell personal property, the sheriff shall be liable for the tax claim represented by the tax bill, but receipt of a quietus for the tax bill shall preclude liability.~~] Neglect on the part of the sheriff to[~~ first~~] distrain and sell personal property shall not affect the validity of the sale of the tax claim, or the lien or the rights of any purchaser. If personal property sufficient to satisfy the tax claim cannot be found in the county, the sheriff ***may***[~~shall~~] sell so much of the personal property as is found and enter proper credit on the tax bill.

(3) ***As compensation for services, the sheriff shall be entitled to an additional ten percent (10%) of that part of the tax claim represented by the total taxes plus ten percent (10%) penalty, for all delinquent taxes collected from the time the ten percent (10%) penalty becomes applicable through the sale of the tax claims. This fee shall be added to the total amount due and paid by the person paying the delinquent tax bill.***

(4) If no personal property is found, or the amount found is insufficient,[~~ a notation to that effect shall be entered on the tax bill.~~] the sheriff shall, ***no later than the first full week in April***[~~after entering this notation on the tax bill~~], advertise[~~ and offer~~] for sale the tax claims of the state, county, and other taxing districts, if there is any real property subject to the lien provided in subsection (1) of KRS 134.420. ***The sheriff shall receive offers for the purchase of tax claims up to fifteen (15) business days following the date of the initial advertisement or no later than April 30, or the last business day prior to April 30, if April 30 falls on a weekend or holiday.***

(5)[~~(4)~~] No sheriff shall knowingly sell a tax claim on the same tract of land more than once for the same tax.

Section 11. KRS 134.440 is amended to read as follows:

(1) The advertisement of sale of tax claims shall be published pursuant to KRS Chapter 424. The advertisement may in addition consist of the posting of printed notices containing the same information in three (3) or more conspicuous places in the county, fifteen (15) days before the sale. The sheriff shall place a copy of the advertisement at the courthouse door in a conspicuous place at least fifteen (15) days before the sale. The sale shall be at the courthouse door. The sheriff shall, not less than twelve (12) days before the sale, mail to the delinquent taxpayer's place of residence or business, if it can be ascertained, a notice of the time and place of sale. Failure to send the notice shall have no effect on the validity of the sale.

(2) As compensation for his services, the sheriff shall receive ***five dollars ($5)***[~~one dollar ($1)~~] for each tax claim advertised. ***The***[~~He shall, in addition, when a certificate of delinquency filed with the county clerk is paid, be entitled to six percent (6%) of that part of the tax claim represented by the total taxes plus ten percent (10%) penalty. Both~~] fees shall be added to the amount of the tax claim as a part of the certificate of delinquency and paid by the person who pays the tax claim, and[~~ they~~] shall not be paid by the state, county***,*** or taxing district. Any ***additional*** expenses incurred that must be paid before the sale of a tax claim or the settlement of an action by the state, county***,*** or taxing district shall be paid by the county, and this sum shall be a preferred claim of the county on any proceeds eventually recovered.

Section 12. KRS 134.450 is amended to read as follows:

(1) ***The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims***[~~Any tax claim offered for sale as prescribed in KRS 134.430 and 134.440 shall be sold to any person for cash~~]. If there is more than one (1) willing purchaser ***who has made an offer***[~~at the sale~~], the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person,[~~ the sale shall be made to~~] the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim ***shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the***

delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible ***offer***[~~bid~~] in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

Section 13. KRS 134.470 is amended to read as follows:

An uncollectible tax bill or a certificate of delinquency shall embrace the entire tax claim, including the lien provided in subsection (1) of KRS 134.420, and shall continue to be a personal obligation of the delinquent taxpayer. Any property while owned by him shall be subject to foreclosure or execution in satisfaction of a judgment pursuant to an action in rem or an action in personam, or both, to enforce the obligation, and shall also be subject to distraint or levy as provided in subsection (1) of KRS 134.430, but no action may be brought to enforce a certificate of delinquency until one (1) year after the issuance thereof, and the action shall be instituted within ***ten (10)***[~~five (5)~~] years after the expiration of that one (1) year period. During the one (1) year period the statute of limitations shall be suspended in all respects and shall be continued in all respects for ***ten (10)***[~~five (5)~~] years thereafter. If the owner of a certificate of delinquency proceeds to enforce satisfaction of the certificate, he may include all other certificates held by him against the same delinquent taxpayer; but insofar as the proceedings may undertake to effect a lien foreclosure, they shall be governed by the time applicable to the particular property subject to the lien, if that property is no longer owned by the delinquent.

Section 14. KRS 134.480 is amended to read as follows:

(1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district the certified copy of the certificate shall be surrendered to the person making payment, and if he is the person primarily liable on the certificate he may, by exhibiting it to the county clerk, have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the Revenue Cabinet may require. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents ($0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents ($0.50) to the clerk for entering such change on the certificate.

(2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the Revenue Cabinet, the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. ***The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards.*** He shall pay to the Revenue Cabinet for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ***ten***[~~five~~] percent ***(10%)***[~~(5%)~~] of the amount due each taxing unit for his services ***as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim***.

(3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents ($0.50) as a fee for such service. The name of the bank in which

the money is deposited shall be noted on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.

(5) Copies of the records provided for in KRS 134.450 and 134.480, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 15. KRS 134.490 is amended to read as follows:

(1) ***Within fifty (50) days after the issuance of a certificate of delinquency to a private purchaser, the private purchaser shall give the same notice as required of a county attorney in subsection (2) of Section 16 of this Act. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if the certificate is not paid, it will be subject to collection as provided by law.***

(2) If a private person is the owner of a certificate of delinquency, he may, after the expiration of the one (1) year period provided in KRS 134.470:

(a) Institute an action against the delinquent taxpayer to collect the amount of the certificate, and any other certificates subsequently issued to the same owner against the same delinquent, and shall have all the remedies available for the enforcement of a debt; or

(b) Institute an action to enforce the lien provided in subsection (1) of KRS 134.420, represented by the certificate that is more than one (1) year of age, and those certificates subsequently held by the same owner against the same delinquent or property; or

(c) Institute one (1) action including both types of actions mentioned in paragraphs (a) and (b) of this subsection, and the joinder of actions shall not be defeated if the delinquent taxpayer has disposed of any property covered by the lien, but the purchaser of the property shall be made a defendant if the judgment is to affect his interest in the property, and as between them the delinquent taxpayer shall be responsible.

(3)[~~(2)~~] If the state, county***,*** or a taxing district is the owner of a certificate of delinquency, it shall have, after the expiration of the one (1) year period provided in KRS 134.470, in addition to the remedies mentioned in subsection ***(2)***[~~(1)~~] of this section, the right to distrain and sell any property owned by the delinquent, including that on which the lien provided in subsection (1) of KRS 134.420 has attached. Any property sold under distraint proceedings shall be sold in the same manner as provided in KRS 134.430 and 134.440, except that the exercise of the power shall be vested in the county attorney.[~~ The county attorney may designate the property subject to distraint and require the sheriff to take custody if he deems custody of the property necessary. If the sheriff fails to perform this duty, he shall not be entitled to his six percent (6%) fee provided in KRS 134.440.~~]

(4)[~~(3)~~] If property is sold pursuant to a judgment of foreclosure, it shall be appraised pursuant to the provisions of KRS 426.520 and there shall be a right of redemption as provided in KRS 426.530. If there is no purchaser at a foreclosure sale, the master commissioner shall make a deed to the person or persons shown by record to be the owner of the certificate or certificates of delinquency, and they shall have a pro rata interest in accordance with the amount of their respective certificates.

Section 16. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum from the date the ***certificate of delinquency is issued***[~~sheriff makes settlement with the cabinet and receives credit therefor~~]. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney***, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner***. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney ***or the Revenue Cabinet*** shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.[~~ A copy of the return receipt shall be filed by the county attorney in the office of the county clerk in the manner prescribed by the cabinet.~~]

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. ***The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the Property Valuation Administration. The Property Valuation Administration shall review this list in accordance with the provisions of Section 1 of this Act to establish that the properties on the list can be identified and physically located.***

(3) ***The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in Section 13 of this Act to collect delinquent tax bills or to initiate court action for their collection., At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.***

(4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the ***fee***[~~commission~~] shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. ***This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts.*** If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the ***fee***[~~commission on the amount collected for each taxing unit~~]. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which ***is litigated by the taxpayer***[~~results in contested litigation~~], an additional county's attorney fee equal to thirteen percent (13%) of the total tax ***plus ten percent (10%) penalty***,[~~ interest, and penalties due~~] may be added to the certificate or the bill and shall become part of the tax claim.

(5)[~~(4)~~] If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(6)[~~(5)~~] Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

Section 17. KRS 134.800 is amended to read as follows:

HB 572, AN ACT relating to a certificate to extend or operate a utility.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 278.020 is amended to read as follows:

(1) No person, partnership, public or private corporation, or combination thereof shall ***furnish to the public or*** begin the construction of any plant, equipment, property or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until ***that***[~~such~~] person has obtained from the Public Service Commission a certificate that public convenience and necessity require ***the service or***[~~such~~] construction. Upon the filing of an application for[~~ such~~] a certificate, and after any public hearing which the commission may in its discretion conduct for all interested parties, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part, except that the commission shall not refuse or modify an application submitted under KRS 278.023 without consent by the parties to the agreement. The commission, when considering an application for a certificate to construct a base load electric generating facility, may consider the policy of the General Assembly to foster and encourage use of Kentucky coal by electric utilities serving the Commonwealth. Unless exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.

(2) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one (1) year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.

(3) No utility shall apply for or obtain any franchise, license, or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.

(4) No person shall acquire or transfer ownership of, or control, or the right to control, any utility under the jurisdiction of the commission by sale of assets, transfer of stock, or otherwise, or abandon the same, without prior approval by the commission. The commission shall grant its approval if the person acquiring the utility has the financial, technical, and managerial abilities to provide reasonable service.

(5) No individual, group, syndicate, general or limited partnership, association, corporation, joint stock company, trust, or other entity (an "acquirer"), whether or not organized under the laws of this state, shall acquire control, either directly or indirectly, of any utility furnishing utility service in this state, without having first obtained the approval of the commission. Any[~~ such~~] acquisition of control without[~~ such~~] prior authorization shall be void and of no effect. As used in this subsection, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a utility, whether through the ownership of voting securities, by effecting a change in the composition of the board of directors, by contract or otherwise. Control shall be presumed to exist if any[~~ such~~] individual or entity, directly or indirectly, owns ten percent (10%) or more of the voting securities of the utility. This presumption may be rebutted by a showing that[~~ such~~] ownership does not in fact confer control. Application for any[~~ such~~] approval or authorization shall be made to the commission in writing, verified by oath or affirmation, and be in ***a***[~~ such~~] form and contain ***the***[~~such~~] information as the commission requires. The commission shall approve any[~~ such~~] proposed acquisition when it finds that the same is to be made in accordance with law, for a proper purpose and is consistent with the public interest. The commission may make[~~ such~~] investigation and hold[~~ such~~] hearings in the matter as it deems necessary, and thereafter may grant any application under this subsection in whole or in part and with[~~ such~~] modification and upon[~~ such~~] terms and conditions as it deems necessary or appropriate. The commission shall grant, modify, refuse, or prescribe appropriate terms and conditions with respect to every such application within sixty (60) days after the filing of the application therefor or on a later date mutually acceptable to the commission and the acquirer. In the absence of ***that***[~~any such~~] action within ***that***[~~such~~] period of time, any[~~ such~~] proposed acquisition shall be deemed to be approved.

(6) Subsection (5) of this section shall not apply to any acquisition of control of any:

(a) Utility which derives a greater percentage of its gross revenue from business in another jurisdiction than from business in this state if the commission determines that the other jurisdiction has statutes or rules which are applicable and are being applied and which afford protection to ratepayers in this state substantially equal to that afforded such ratepayers by subsection (5) of this section;

(b) Utility by an acquirer who directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, ***the***[~~such~~] utility, including any entity created at the direction of such utility for purposes of corporate reorganization; or

(c) Utility pursuant to the terms of any indebtedness of the utility, provided the issuance of[~~ such~~] indebtedness was approved by the commission.

(7) If any provision of this section or the application thereof to any person or circumstance is held invalid, ***the***[~~such~~] invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to that end the provisions are declared to be severable.

The Committee Amendment No. 1 to **HB 572** is as follows:

On page 1, line 3, by deleting "***furnish to the public or***" and by inserting "***commence providing utility service to or for the public or***" in lieu thereof.

HB 577, AN ACT relating to gas pipeline safety.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 278.992 is amended to read as follows:

(1) Any person who violates any ***minimum safety standard adopted by the United States Department of Transportation pursuant to the federal pipeline safety laws, 49 U.S.C. sec. 60101 et seq., or any amendments thereto, or any*** regulation adopted and filed pursuant to KRS Chapter 13A by the Public Service Commission governing the safety of pipeline facilities or the transportation of gas as those terms are defined in the Natural Gas Pipeline Safety Act[~~ of 1968, U. S. Congress~~], shall be subject to a civil penalty to be assessed by the Public Service Commission not to exceed ***twenty-five***[~~ten~~] thousand dollars ***($25,000)***[~~($10,000)~~] for each violation for each day that the violation persists. However, the maximum civil penalty shall not exceed five hundred thousand dollars ($500,000) for any related series of violations. Any civil penalty assessed for such a violation may be compromised by the commission. In determining the amount of the penalty, or the amount agreed upon in compromise, the appropriateness of the penalty to the size of the business of the person charged, the gravity of the violation, and the good faith of the person charged in attempting to achieve compliance, after notification of the violation, shall be considered. The amount of the penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the Commonwealth of Kentucky to the person charged or may be recovered in a civil action in the Franklin Circuit Court.

(2) Any person who willfully and knowingly defaces, damages, removes, or destroys any pipeline sign or right-of-way marker required by the Natural Gas Pipeline Safety Act or any regulation or order issued pursuant to it shall, upon conviction, be subject for each offense to a fine of not more than five thousand dollars ($5,000), imprisonment for a term not to exceed one (1) year, or both.

HB 644, AN ACT relating to a purchase of development rights program in urban-counties.

(2) The General Assembly further finds and declares that the preservation of agriculture and rural landscapes contributes to the development of tourism and recreation.

(3) The General Assembly further finds and declares that the urban-county form of government promotes industrialization and commercialization, attended by rapid residential development, which threatens the preservation of agriculture and rural landscapes.

(4) The General Assembly further finds and declares that in urban counties a single government embraces the entire county and, by nature, has within its jurisdiction both substantial urban areas and substantial rural areas thereby creating the ability to distribute both the benefits and the financial obligations of a purchase of development rights program fairly among the constituents of a single government.

(5) The General Assembly further finds and declares that conferring responsibility upon the electorate in urban-county governments to make decisions regarding the establishment and funding of programs to retain and enhance agriculture and rural landscapes and to promote tourism and recreation is consistent with the broad home rule concepts embodied in this chapter.

AN ACT relating to a purchase of development rights program in urban-counties.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 67A IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly hereby finds and declares that it is a policy of the Commonwealth to retain agriculture and rural landscapes in urban counties.

(2) The General Assembly further finds and declares that the preservation of agriculture and rural landscapes contributes to the development of tourism and recreation.

(3) The General Assembly further finds and declares that the urban-county form of government promotes industrialization and commercialization, attended by rapid residential development, which threatens the preservation of agriculture and rural landscapes.

(4) The General Assembly further finds and declares that in urban counties a single government embraces the entire county and, by nature, has within its jurisdiction both substantial urban areas and substantial rural areas thereby creating the ability to distribute both the benefits and the financial obligations of a purchase of development rights program fairly among the constituents of a single government.

(5) The General Assembly further finds and declares that conferring responsibility upon the electorate in urban-county governments to make decisions regarding the establishment and funding of programs to retain and enhance agriculture and rural landscapes and to promote tourism and recreation is consistent with the broad home rule concepts embodied in this chapter.

The independent certified public accountant shall make a report of the audits to the board and to the appropriate chief executive officer or officers of the CMRS providers and PSAPs. The board shall incorporate the auditor's findings in its studies of the CMRS service charge required by subsection (4) of this section. (14) To ensure that all carriers have an equal opportunity to participate in the wireless E911 system; and

(15) To ensure that wireless E911 systems are compatible with wireline E911 systems.

SECTION 6. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The moneys in the CMRS fund shall be apportioned among the approved uses of the fund as specified in this section. The board shall make individual disbursements from the fund upon such terms and conditions necessary in view of the amount of revenues on deposit at the time each request for disbursement is reviewed and approved.

(1) Not more than two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement by the board to pay the administrative costs and expenses incurred in the operation of the board, including the compensation of the administrator and expenses incurred pursuant to subsections (10), (11), and (13) of Section 5 of this Act.

(2) From the balance of the total monthly revenues deposited into the CMRS fund after the amounts disbursed or reserved for disbursement under subsection (1) of this section have been subtracted, fifty percent (50%) shall be distributed to PSAPs eligible to receive disbursement from the CMRS fund under subsection (4) of this section who actually request disbursement, as follows:

(a) Twenty-five percent (25%) shall be distributed according to the "PSAP pro rata formula," whereby each receives a percentage determined by dividing one (1) by the total number of PSAPs eligible to request and actually requesting disbursements under subsection (4) of this section; and

(b) Twenty-five percent (25%) shall be distributed according to the "PSAP volume formula," whereby each receives a percentage determined by dividing the number of wireless E911 calls received by that PSAP in the previous calendar year by the total number of wireless E911 calls received in the previous calendar year by all PSAPs located within the boundaries of the Commonwealth that are eligible to receive and actually requesting disbursements under subsection (4) of this section.

All amounts distributed to PSAPs under this subsection shall be used by the PSAPs solely for the purposes of answering, routing, and properly disposing of CMRS 911 calls, and of complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission pursuant to the FCC order, including the payment of costs and expenses incurred in designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service.

(3) The balance of the total monthly revenues deposited into the CMRS fund which remains after the disbursements or disbursement reservations prescribed by subsections (1) and (2) of this section have been made shall be distributed to CMRS providers licensed to do business in the Commonwealth solely for the purpose of reimbursing the actual expenses incurred by the CMRS providers in complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, costs and expenses incurred for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service. Sworn invoices shall be presented to the board in connection with any request for reimbursement under this subsection, and approval by a majority vote of the board shall be required prior to any disbursement, which approval shall not be withheld unreasonably. In no event shall any invoice for reimbursement be approved for payment of costs that are not related to compliance with requirements established by the FCC order, or for payment of any costs incurred by a CMRS provider exceeding one hundred twenty-five percent (125%) of the CMRS emergency service charges remitted by that CMRS provider, unless prior approval for the expenditures was given by the CMRS Board. If the total amount of invoices submitted to the CMRS Board and approved for payment exceeds the amount in the CMRS fund in any month. CMRS providers that have invoices approved for payment shall receive a pro rata share of the fund available that month, based on approved invoices, and the balance of the payments shall be carried over to the following months until all of the approved payments are made.

(4) Notwithstanding any other provision of the law, no PSAP shall be eligible to request or receive a disbursement from the CMRS fund under subsection (2) of this section unless and until the PSAP:

(a) Is expressly certified as a PSAP by the CMRS Board, upon written application to the CMRS Board;

(b) Demonstrates that the PSAP is located within the boundaries of a local government that has adopted an ordinance either imposing a special tax, license, or fee as authorized by KRS 65.760(3) or establishing other

means of funding wireline 911 emergency telephone service;

(c) Demonstrates that the administrator of the PSAP sent a request for wireless, E911 service to a CMRS provider, and that the infrastructure of the local exchange carrier will support wireless E911 service;

(d) Provides an accounting of the number of wireless E911 calls received by the PSAP during the prior calendar year; and

(e) Either demonstrates that the PSAP has made the investment which is necessary to allow the PSAP to receive and utilize the data elements associated with wireless E911 service, or provides to the board a binding resolution, duly adopted by the governing authority of the PSAP, committing the PSAP to expend funds to lease or purchase emergency telephone equipment, including necessary computer hardware and software, for database provisioning, for addressing, and for the other nonrecurring costs of establishing wireless E911 service.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) The CMRS Board shall implement the provisions of Sections 1 to 12 of this Act through the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A.

(2) As soon as practicable after its creation, the board shall promulgate regulations:

(a) Establishing procedures for the submission of plans or modifications of plans to the board, for its review and approval or disapproval, for complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, projections of anticipated costs and expenses necessary for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining on an ongoing basis all necessary data, hardware, and software required in order to provide this service;

Each billing provider shall list the CMRS service charge as a separate entry on each bill which includes a CMRS service charge. If a CMRS provider receives a partial payment for a monthly bill from a CMRS customer, the provider shall first apply the payment against the amount the CMRS customer owes the CMRS provider.

(2) A CMRS provider has no obligation to take any legal action to enforce the collection of the CMRS service charges for which any CMRS customer is billed. Collection actions to enforce the collection of the CMRS service charge against any CMRS customer may, however, be initiated by the state, on behalf of the board, in the Circuit Court of the county where the bill for CMRS service is regularly delivered, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.

(3) State and local taxes shall not apply to CMRS service charges.

(4) To reimburse itself for the cost of collecting and remitting the CMRS service charge, each CMRS provider may deduct and retain from the CMRS service charges it collects during each calendar month an amount not to exceed one and one-half percent (1.5%) of the gross aggregate amount of CMRS service charges it collected that month.

(5) All CMRS service charges imposed under Sections 1 to 12 of this Act collected by each CMRS provider, less the administrative fee described in subsection (4) of this section, are due and payable to the board monthly and shall be remitted on or before sixty (60) days after the end of the calendar month. Collection actions may be initiated by the state, on behalf of the board, in the Franklin Circuit Court or any other court of competent jurisdiction, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.

Notwithstanding any other provision of the law, no proprietary information provided to PSAPs under this section shall be subject to subpoena of the PSAP or otherwise released to any person other than to the submitting CMRS provider, the administrator, the board, and the independent certified public accountant retained by the board under subsection (13) of Section 5 of this Act without the express permission of the submitting CMRS provider. General information collected by the independent certified public accountant shall only be released or published in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to an individual CMRS provider.

SECTION 11. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Wireless emergency telephone service shall not be used for personal use but shall be used solely for the purpose of communications by the public in emergency situations. Any person who knowingly uses or attempts to use wireless emergency telephone service for a purpose other than obtaining public safety assistance or who knowingly uses or attempts to use wireless emergency telephone service in an effort to avoid any CMRS charges shall be guilty of a Class A misdemeanor. If the value of the wireless emergency telephone service obtained in a manner prohibited by this section or the value of the CMRS charges exceeds one hundred dollars ($100), the offense may be prosecuted as a Class D felony.

The board shall administer the provisions of Sections 1 to 12 of this Act, and shall have the following powers and duties:

The amount of the CMRS service charge shall not be increased except by act of the General Assembly;

(4) To review the rate of the CMRS service charge at least once every eighteen (18) months and, at its discretion, to decrease the rate or recommend that the General Assembly increase the rate if the board determines that changing the rate is necessary to achieve the purposes of Sections 1 to 12 of this Act. The first cost study shall be completed on or before July 1, 1999, and shall be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives, and the board shall recommend, on the basis of the cost study, whether legislation to increase the CMRS service charge should be proposed during the 2000 Regular Session of the General Assembly;

(5) To administer and maintain the CMRS fund according to the provisions of Section 4 of this Act, and promptly to deposit all revenues from the CMRS service charge into the CMRS fund;

(9) To submit annual reports to the Auditor of Public Accounts no later than sixty (60) days after the close of each fiscal year, which shall provide an accounting for all CMRS service charges deposited into the CMRS fund during the preceding fiscal year and all disbursements to CMRS providers and PSAPs during the preceding fiscal year;

(12) To retain any and all information, including all proprietary information, that is submitted to the board by CMRS providers and PSAPs, for the purposes of maintaining it and verifying its accuracy;

(13) To retain, with approval by the Auditor of Public Accounts, an independent certified public accountant who shall audit, once every eighteen (18) months, the books of the board, CMRS providers, and PSAPs eligible to request or receive disbursements from the CMRS fund under Section 6 of this Act for the following purposes:

  (a) To verify the accuracy of collection, receipts, and disbursements of all revenues derived from the CMRS service charge and the number of wireless E911 calls received by each PSAP eligible to request or receive disbursements from the CMRS fund; and

  (b) To determine whether the revenues generated by the CMRS service charge equal, exceed, or are less than the costs incurred in order to comply with the FCC order.

The independent certified public accountant shall make a report of the audits to the board and to the appropriate chief executive officer or officers of the CMRS providers and PSAPs. The board shall incorporate the auditor's findings in its studies of the CMRS service charge required by subsection (4) of this section. All information with *respect to the audits shall be released to the public or published only in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to individual CMRS providers;*

(14) To ensure that all carriers have an equal opportunity to participate in the wireless E911 system; and

(15) To ensure that wireless E911 systems are compatible with wireline E911 systems.

SECTION 6. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The moneys in the CMRS fund shall be apportioned among the approved uses of the fund as specified in this section. The board shall make individual disbursements from the fund upon such terms and conditions necessary in view of the amount of revenues on deposit at the time each request for disbursement is reviewed and approved.

(1) Not more than two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement by the board to pay the administrative costs and expenses incurred in the operation of the board, including the compensation of the administrator and expenses incurred pursuant to subsections (10), (11), and (13) of Section 5 of this Act.

(2) From the balance of the total monthly revenues deposited into the CMRS fund after the amounts disbursed or reserved for disbursement under subsection (1) of this section have been subtracted, fifty percent (50%) shall be distributed to PSAPs eligible to receive disbursement from the CMRS fund under subsection (4) of this section who actually request disbursement, as follows:

(a) Twenty-five percent (25%) shall be distributed according to the "PSAP pro rata formula," whereby each receives a percentage determined by dividing one (1) by the total number of PSAPs eligible to request and actually requesting disbursements under subsection (4) of this section; and

(b) Twenty-five percent (25%) shall be distributed according to the "PSAP volume formula," whereby each receives a percentage determined by dividing the number of wireless E911 calls received by that PSAP in the previous quarter by the total number of wireless E911 calls received in the previous quarter by all PSAPs located within the boundaries of the Commonwealth that are eligible to receive and actually requesting disbursements under subsection (4) of this section.

All amounts distributed to PSAPs under this subsection shall be used by the PSAPs solely for the purposes of answering, routing, and properly disposing of CMRS 911 calls, and of complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission pursuant to the FCC order, including the payment of costs and expenses incurred in designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service.

(3) The balance of the total monthly revenues deposited into the CMRS fund which remains after the disbursements or disbursement reservations prescribed by subsections (1) and (2) of this section have been made shall be distributed to CMRS providers licensed to do business in the Commonwealth solely for the purpose of reimbursing the actual expenses incurred by the CMRS providers in complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, costs and expenses incurred for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service. Sworn invoices shall be presented to the board in connection with any request for reimbursement under this subsection, and approval by a majority vote of the board shall be required prior to any disbursement, which approval shall not be withheld unreasonably. In no event shall any invoice for reimbursement be approved for payment of costs that are not related to compliance with requirements established by the FCC order, or for payment of any costs incurred by a CMRS provider exceeding one hundred twenty-five percent (125%) of the CMRS emergency service charges remitted by that CMRS provider, unless prior approval for the expenditures was given by the CMRS Board. If the total amount of invoices submitted to the CMRS Board and approved for payment exceeds the amount in the CMRS fund in any month, CMRS providers that have invoices approved for payment shall receive a pro rata share of the fund available that month, based on approved invoices, and the balance of the payments shall be carried over to the following months until all of the approved payments are made.

(4) Notwithstanding any other provision of the law, no PSAP shall be eligible to request or receive a disbursement from the CMRS fund under subsection (2) of this section unless and until the PSAP:

(a) Is expressly certified as a PSAP by the CMRS Board, upon written application to the CMRS Board;

(b) Demonstrates that the PSAP is located within the boundaries of a local government that has adopted an ordinance either imposing a special tax, license, or fee as authorized by KRS 65.760(3) or establishing other means of funding wireline 911 emergency telephone service;

(c) Demonstrates that the administrator of the PSAP sent a request for wireless, E911 service to a CMRS

provider, and that the infrastructure of the local exchange carrier will support wireless E911 service;

(d) Provides an accounting of the number of wireless E911 calls received by the PSAP during the prior calendar year; and

(e) Either demonstrates that the PSAP has made the investment which is necessary to allow the PSAP to receive and utilize the data elements associated with wireless E911 service, or provides to the board a binding resolution, duly adopted by the governing authority of the PSAP, committing the PSAP to expend funds to lease or purchase emergency telephone equipment, including necessary computer hardware and software, for database provisioning, for addressing, and for the other nonrecurring costs of establishing wireless E911 service.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) The CMRS Board shall implement the provisions of Sections 1 to 12 of this Act through the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A.

(2) As soon as practicable after its creation, the board shall promulgate regulations:

(a) Establishing procedures for the submission of plans or modifications of plans to the board, for its review and approval or disapproval, for complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, projections of anticipated costs and expenses necessary for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining on an ongoing basis all necessary data, hardware, and software required in order to provide this service;

(b) Establishing procedures and guidelines to be followed by the board in reviewing, evaluating, and approving or disapproving the plans or modifications of plans that are submitted to it in accordance with the procedures promulgated under paragraph (a) of this subsection;

(c) Establishing procedures and guidelines to be followed by the board in reviewing, evaluating, and approving or disapproving disbursements from the CMRS fund and requests for disbursements under subsection (2) and (3) of Section 6 of this Act; and

(d) Establishing procedures and guidelines for resolving disputes regarding reimbursable costs and expenses under subsections (2) and (3) of Section 6 of this Act.

SECTION 8. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) Each CMRS provider shall act as a collection agent for the CMRS fund and shall, as part of the provider's normal monthly billing process, collect the CMRS service charges levied upon CMRS connections under subsection (2) of Section 5 of this Act from each CMRS connection to whom the billing provider provides CMRS. Each billing provider shall list the CMRS service charge as a separate entry on each bill which includes a CMRS service charge. If a CMRS provider receives a partial payment for a monthly bill from a CMRS customer, the provider shall first apply the payment against the amount the CMRS customer owes the CMRS provider.

(2) A CMRS provider has no obligation to take any legal action to enforce the collection of the CMRS service charges for which any CMRS customer is billed. Collection actions to enforce the collection of the CMRS service charge against any CMRS customer may, however, be initiated by the state, on behalf of the board, in the Circuit Court of the county where the bill for CMRS service is regularly delivered, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.

(3) State and local taxes shall not apply to CMRS service charges.

(4) To reimburse itself for the cost of collecting and remitting the CMRS service charge, each CMRS provider may deduct and retain from the CMRS service charges it collects during each calendar month an amount not to exceed one and one-half percent (1.5%) of the gross aggregate amount of CMRS service charges it collected that month.

(5) All CMRS service charges imposed under Sections 1 to 12 of this Act collected by each CMRS provider, less the administrative fee described in subsection (4) of this section, are due and payable to the board monthly and shall be remitted on or before sixty (60) days after the end of the calendar month. Collection actions may be initiated by the state, on behalf of the board, in the Franklin Circuit Court or any other court of competent jurisdiction, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.

SECTION 9. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Not withstanding any other provision of law, no CMRS provider or service supplier, nor their employees, directors, officers, or agents, except in cases of negligence or wanton and willful misconduct or bad faith, shall be liable for any damages in a civil action or subject to criminal prosecution resulting from death or injury to any person or from damage to property *incurred by any person in connection with developing, adopting, establishing, participating in, implementing, maintaining, or providing access to a CMRS system for the purposes of providing wireless 911 service or E911 service in compliance with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC orders: in connection with the quality of the service; in connection with ensuring that any 911 call goes through properly; or in connection with providing access to CMRS service in connection with providing wireless 911 service or E911 service.*

SECTION 10. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Each CMRS provider shall provide customer mobile handset telephone numbers and names to PSAPs when required by the board. Each CMRS provider shall provide a quarterly report to the board of the number of calls the provider forwarded to each PSAP during that quarter. Funds from the CMRS fund may be used to pay for the costs associated with providing this information. Although customer mobile handset telephone numbers and names shall be available to PSAPs, and to the board, this information shall remain the property of the disclosing CMRS provider and shall be used only in providing emergency response services to 911 calls. Mobile handset telephone numbers and names which are required to be provided under this section constitute confidential proprietary information and shall not be released to any person for purposes other than for including the numbers and names in the emergency telephone system database and for providing the numbers and names to permit a response to police, fire, medical, or other emergency situations. Notwithstanding any other provision of the law, no proprietary information provided to PSAPs under this section shall be subject to subpoena of the PSAP or otherwise released to any person other than to the submitting CMRS provider, the administrator, the board, and the independent certified public accountant retained by the board under subsection (13) of Section 5 of this Act without the express permission of the submitting CMRS provider. General information collected by the independent certified public accountant shall only be released or published in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to an individual CMRS provider.

SECTION 11. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Wireless emergency telephone service shall not be used for personal use but shall be used solely for the purpose of communications by the public in emergency situations. Any person who knowingly uses or attempts to use wireless emergency telephone service for a purpose other than obtaining public safety assistance or who knowingly uses or attempts to use wireless emergency telephone service in an effort to avoid any CMRS charges shall be guilty of a Class A misdemeanor. If the value of the wireless emergency telephone service obtained in a manner prohibited by this section or the value of the CMRS charges exceeds one hundred dollars ($100), the offense may be prosecuted as a Class D felony.

SECTION 12. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 12 of this Act shall not be construed as enabling the Commonwealth of Kentucky, including the Public Service Commission of Kentucky, to regulate CMRS in contravention of Section 332(c)(3) of the Communications Act of 1934, as amended, 47 U.S.C. sec. 332(c)(3).

(b) If the department receives delegation of authority for administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended), the department may, by administrative regulation, establish a fee or schedule of fees in an amount not to exceed fifty dollars ($50) per well, in addition to the fees imposed by paragraph (a) of this subsection, upon each application to drill, deepen, or reopen a well for any purpose relating to the production, repressuring, or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. The fees or schedule of fees to be established by administrative regulation shall not exceed an amount sufficient to recover the costs incurred by the department in administering the Underground Injection Control Program less any other state or federal funds which are made available for this purpose.

(c) All money paid to the State Treasurer for fees required by paragraph (b) of this subsection shall be for the sole use of the department in the administration of the Underground Injection Control Program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended).

(3) All money paid to the State Treasurer for licenses and fees required by KRS 353.500 to 353.720 shall be for the sole use of the department and shall be in addition to any moneys appropriated by the General Assembly for the use of the department.

The department may further require that all future plats submitted by the applicant be prepared either by a person approved by the director or an engineer registered in Kentucky.]~~

(5) When any person submits to the Department of Mines and Minerals an application for a permit to drill a well, or to reopen, deepen, or temporarily abandon any well which is not covered by surety bond, the department shall except as provided in this section, require from the well operator a bond in the sum of five hundred dollars ($500) for a well to be drilled to a depth of five hundred feet (500') or less; one thousand dollars ($1,000) for a well to be drilled to a depth between five hundred and one feet (501') and one thousand feet (1,000'); one thousand five hundred dollars ($1,500) for a well to be drilled to a depth between one thousand and one feet (1,001') and one thousand five hundred feet (1,500'); two thousand dollars ($2,000) for a well to be drilled to a depth between one thousand five hundred and one feet (1,501') and two thousand feet (2,000'); two thousand five hundred dollars ($2,500) for a well to be drilled to a depth between two thousand and one feet (2,001') and two thousand five hundred feet (2,500'); three thousand dollars ($3,000) for a well to be drilled to a depth between two thousand five hundred and one feet (2,501') and three thousand feet (3,000'); three thousand five hundred dollars ($3,500) for a well to be drilled to a depth between three thousand and one feet (3,001') and three thousand five hundred feet (3,500'); four thousand dollars ($4,000) for a well to be drilled to a depth between three thousand five hundred and one feet (3,501') and four thousand feet (4,000'); and five thousand dollars ($5,000) for a well to be drilled to a depth of more than four thousand feet (4,000'). The bonds shall be made in favor of the Department of Mines and Minerals, conditioned that the wells upon abandonment shall be plugged in accordance with the administrative regulations of the department and that all records required by the department be filed as specified. An operator may petition the department to amend the drilling depth and bond amount applicable to a particular well, and shall not proceed to drill to a depth greater than that authorized by the department until the operator is so authorized except pursuant to administrative regulations promulgated by the department. The commission may establish a bond in a sum greater than five thousand dollars ($5,000) for any well to be drilled to a depth of more than four thousand feet (4,000') if the members of the commission determine that the particular circumstances of the drilling of the well warrant an increase in the bond amount established above. All bonds shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of the bond may file with the department a blanket bond in a sum of ten thousand dollars ($10,000), covering all wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of the blanket bond shall be in full compliance with the above provision requiring an individual well bond. A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds, and a property bond may be executed by an operator who owns all of the surface and mineral rights of a tract proposed for drilling. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may also be accepted by the department. If an operator is required to post individual well bonds exceeding a total of five thousand dollars ($5,000) or elects to post a blanket bond, the certificate of deposit shall be accepted by the department in lieu of that portion of the amount of the bonds exceeding five thousand dollars ($5,000). The bond or bonds referred to in this section shall be executed by the well operator as principal and, if a surety bond, by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the

above bonds; all cash bonds accepted by the department shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the oil and gas well plugging fund, created in subsection (9) of this section, to be used in accordance with the purposes described therein. All cash bonds being held by the department on July 13, 1990, shall likewise be deposited in the interest-bearing account, with the proceeds to be used for the purposes established for the oil and gas well plugging fund. The bond amounts shall be applicable only to permits issued upon and after July 13, 1990. All bonds posted for permits issued prior to July 13, 1990, shall remain in full force and effect for the duration of the permits.

(6) A successor to the well operator shall post bond and notify the department in writing in advance of commencing use or operation of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee.

(7) If the requirements of subsection (5) of this section with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department***, by administrative regulation,*** or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit. The notice shall specify in what respects the operator has failed to comply with this chapter or the administrative regulations[~~ or orders~~] of the department. If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall be forfeited to the department.

(8) A bond forfeited pursuant to the provisions of this chapter may be collected by an attorney for the department or by the Attorney General, after notice from the director.

(9) All sums received ***under subsection (5) of this section or*** through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the oil and gas well plugging fund, which shall be an interest-bearing account with the interest thereon payable to the fund. This fund shall be available to the department and shall be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for the plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.

(10) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of the hole confidential until the information is allowed to be released by the person obtaining the permit.

(11) For the purpose of this chapter, "water supply well" shall not include:

(1) Each district board of education shall prepare a general school budget in formats prescribed and furnished by the Kentucky Board of Education, showing the amount of money needed for current expenses, debt service, capital outlay, and other necessary expenses of the schools during the succeeding fiscal year, the estimated total amount that will be received from the common school fund and other sources, the assessed valuation of property subject to local taxation in the school district furnished as provided in subsection (3) of KRS 160.460, an estimate made by the Revenue Cabinet of public service company assessments and assessments of other property in the school district not furnished under the provisions of subsection (3) of KRS 160.460, and the amount that will be needed to be raised by local taxation, including the rate of levy necessary to raise such an amount.

(2) (a) Notwithstanding any statutory provisions to the contrary, no district board of education shall levy a general tax rate, voted general tax rate, or voted building tax rate for 1979-80 which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the maximum general tax rate, voted general tax rate, or voted building tax rate, respectively, that could have been levied in 1978-79, to the 1978-79 assessment, except as provided in subsection (12) of this section and KRS 157.440. In succeeding years, no district board of education shall levy a general tax rate, a voted general tax rate, or a voted building tax rate which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the general tax rate, maximum voted general tax rate, or maximum voted building tax rate, respectively, that could have been levied in the preceding year to the preceding year's assessment, except as provided in subsection (12) of this section and KRS 157.440.

(b) If an election is held as provided for in KRS 132.017 and the question should fail, such failure shall not reduce the ". . .general tax rate, maximum voted general tax rate, or maximum voted building tax rate, respectively, that could have been levied in the preceding year. . .," referred to in subsection (2)(a) of this section, for purposes of computing the general tax rate, voted general tax rate, or voted building tax rate for succeeding years.

(3) No district board of education shall levy a general tax rate, voted general tax rate, or voted building tax rate within the limits imposed in subsection (2) of this section which respectively exceeds the compensating tax rate defined in KRS

132.010, except as provided in subsection (12) of this section, KRS 157.440, and KRS 157.621, until the district board of education has complied with the provisions of subsection (10) of this section.

The failure of the district board of education to furnish the budget within the time prescribed shall not invalidate any levy made thereafter.

(7) The budget shall be disapproved by the Kentucky Board of Education if it is financially unsound or fails to provide for:

(c) In lieu of the two (2) published notices, a single notice containing the required information may be sent by first-class mail to each person owning real property, addressed to the property owner at his residence or principal place of business as shown on the current year property tax roll.

(d) The hearing shall be open to the public. All persons desiring to be heard shall be given an opportunity to present oral testimony. The district board of education may set reasonable time limits for testimony.

3. The name, address, and telephone number of the county clerk of the county or urban-county in which the school district is located, with a notation to the effect that that official can provide the necessary information about the petition required to initiate recall of the tax rate.

(12) (a) Notwithstanding any statutory provisions to the contrary, effective for school years beginning after June 30, 1990, the board of education of each school district shall levy a minimum equivalent tax rate of thirty cents ($0.30) for general school purposes. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill, that the teacher was absent for the purpose of attending to a member of his immediate family who was ill, or for the purpose of mourning a member of his immediate family. The ten (10) days of sick leave herein granted may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.

(3) Days of sick leave not taken by a teacher during any school year shall accumulate without limitation and be credited to that teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of Education to a school district after June 30, 1985.

(4) Accumulated days of sick leave shall be granted to a teacher, if prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.

(5) Any school employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.

(6) A district board of education may adopt a plan for a sick leave bank. The plan may include limitations upon the number of days a teacher may annually contribute to the bank and limitations upon the number of days a teacher may annually draw from the bank. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.

(7) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.

(8) After July 1, 1982, a district board of education may compensate, at the time of retirement, an employee or a teacher for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment ***and provided the state or school district makes the regular retirement contribution for employers plus additional payments to meet the full actuarial cost of including sick leave payments in the annual salary of the final year of service as provided in KRS Chapter 161.550. In the event that additional payments are not made to the Teachers' Retirement System to meet the full actuarial cost that result from inclusion of sick leave payments in the last annual salary of retiring members, the Teachers' Retirement System Board of Trustees shall determine the percentage of the sick leave payments that may be included for retirement purposes based upon the amount of additional funding that is provided to pay the resulting cost***. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.

(9) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. At the time of retirement or death of a member there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance and provide for benefits under KRS 161.520, 161.525, and 161.655;

(4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances and benefits provided under KRS 161.520, 161.525, and 161.655. (5) The medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS 161.675. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits; and

(6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, to finance operating expenses directly related to investment management services, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest, and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to these funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. The board of trustees may, at any time during a fiscal year, transfer from the guarantee fund to the medical insurance fund an amount not to exceed four percent (4%) of the income earned from investments during the immediate past year.

(7) The school employee annuity fund shall consist of those funds voluntarily contributed under the provisions of section 403(b) of the Internal Revenue Code by ***a retired***[~~any~~] member of the Teachers' Retirement System ***with accounts that existed on or after July 1, 1996***[~~, or the employer of the member, or both~~]. (1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event a member is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.

(2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.

(3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.

Section 8. KRS 161.545 is amended to read as follows:

(1) A member in active contributing status may purchase any service credit which the member is authorized to purchase by making installment payments in lieu of a lump-sum payment.

(2) To initiate an installment payment plan, a member shall make a written request to the retirement system for an estimate to purchase service credit by making installment payments.

(3) To qualify for installment payments, the member contribution plus interest of eight percent (8%) per annum shall exceed one thousand dollars ($1000).

(4) A member may select the service credit to be purchased by installment payments and that service credit shall be purchased before any other credit may be purchased by installment payments.

(5) Installment payments shall be at least fifty dollars ($50) per month and shall be made for a period of time which is not less than twelve (12) months nor more than sixty (60) months.

(6) Installment payments shall be made on a monthly basis by payroll deduction ***or electronic fund transfer*** and forwarded separately to the Teachers' Retirement System on forms or by computer format not later than fifteen (15) days following the end of each month. The payments shall be considered accumulated contributions and shall not be picked up as provided in KRS 161.560.

A member on a leave of absence may make personal installment payments. Termination of employment in a covered position shall terminate ***installment payments***~~[payroll deductions]~~. If the member is later employed by a different employer in a covered position, the member may request a new estimate and reinstate installment payments. Section 12. KRS 161.605 is amended to read as follows:

(1) Retired members may perform substitute teaching in the public schools for the equivalent of one hundred (100) days in any one (1) school year and receive compensation based on a standard salary schedule adopted by a district for all

substitute teachers without reduction in retirement annuities.

(2) A retired member may be employed as a part-time or temporary teacher in the public schools for a period not to exceed the equivalent of one hundred (100) days in any one (1) school year.

(3) Retired members may be employed part-time or temporarily in a nonteaching capacity in the public schools and receive compensation for this employment without reduction in retirement annuities, except that retired members may not be employed in excess of a one hundred (100) day period in any one (1) school year in the same position from which they retired, or a position substantially similar to the one from which they retired, or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the one hundred (100) day limitation in this subsection. The board of trustees shall determine if employment in a nonteaching position qualifies for an exemption under this subsection.

(4) Members retired from ***an agency***[~~a university~~] listed in KRS 161.220(4)(b) may be employed in a part-time teaching capacity by one (1) of the universities ***participating in the Teachers' Retirement System***, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year.

The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service.

(6) When a retired member returns to employment as a part-time teacher or in a nonteaching capacity as provided in subsections (2), (3), and (4) of this section, the employer ***contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for nonuniversity and university members***[~~shall withhold and remit regular retirement contributions. These contributions shall be maintained in a separate account by the retirement system and shall not be used to increase the annuity of the retiree. Upon request of the retired member at the close of a fiscal year, the retirement system shall return the retiree's contribution with regular interest on funds held beyond one (1) year, but the retired member shall have no claim on any contributions made by the state or employer or to contributions made to the medical insurance fund. Upon death of the retired member, the retirement system shall pay to the retired member's estate or designated beneficiary the amount that would have been refunded to the retired member~~].

Section 13. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

(b)[~~For retirements effective January 1, 1984, and thereafter, the annual allowance shall be determined as set out in subsection (1)(a) of this section, except that the allowance for service performed after January 1, 1984, shall be valued at the annual rate of two and one-half percent (2.5%) of the final average salary for all members not employed by a state university or college. For purposes of implementing the change in the value of a year of service, the board of trustees shall establish, by administrative regulation, the value of services performed during the 1983-84 fiscal year, but in no case shall the value of service performed during the 1983-84 fiscal year exceed two and one quarter percent (2.25%); and~~

~~(c)~~] The retirement allowance of a member at retirement shall not exceed the member's last annual compensation or the member's final average salary, whichever is the greater amount.

(2) Effective July 1, 1990, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option who has been retired at least ten (10) months shall be increased in the amount of one and one-half percent (1.5%).

These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection.[~~ The increases provided for in this~~

~~subsection shall not be implemented unless funding is provided in the 1994-96 biennium budget appropriation.]~~

(4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.

(5) Effective July 1, ***1998***~~[1996]~~, the monthly allowance of each member retired ***for at least one (1) year***~~[on or before July 1, 1995]~~, and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed ***one and one-half***~~[three]~~ percent ***(1.5%)***~~[(3%)]~~ of the monthly allowance in effect the previous month~~[where the monthly allowance is less than eight hundred thirty-four dollars ($834) and in an amount not to exceed one percent (1%) of the monthly allowance in effect the previous month where the monthly allowance is eight hundred thirty-four dollars ($834) or more based on an assumed maximum monthly allowance of one thousand two hundred fifty dollars ($1,250)]~~. The level of increase provided for in this subsection shall be determined by the funding provided in the ***1998-2000***~~[1996-98]~~ biennium budget appropriation.

(6) Effective July 1, ***1999***~~[1997]~~, the monthly allowance of each member retired ***for at least one (1) year***~~[on or before July 1, 1996]~~, and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed ***one and one-half***~~[three]~~ percent ***(1.5%)***~~[(3%)]~~ of the monthly allowance in effect the previous month~~[where the monthly allowance is less than eight hundred thirty-four dollars ($834)]~~. The level of increase provided for in this subsection shall be determined by the funding provided in the ***1998-2000***~~[1996-98]~~ biennium budget appropriation.

(7) Effective July 1, 1990, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code as enacted in 1988.

(9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall be disregarded. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.

Section 14. KRS 161.640 is amended to read as follows:

(1) Retirement annuities shall be payable monthly. The first payment to an annuitant shall be made at the payment date at the end of one (1) full payment period after his retirement and shall consist of one (1) regular monthly payment. Retirement for a member receiving one (1) full year of service credit during a fiscal year, shall be no earlier than July 1 next following the end of such fiscal year.

(2) The board of trustees may enter into agreements with retired members for payroll deductions when it is deemed in the best interest of the retired members and the retirement system.

(3) All new retirees, on or after July 1, 1998, shall receive their monthly annuity checks by electronic fund transfer. All annuity and survivor monthly allowance payments shall be made by electronic fund transfer by December 31, 1998.

Section 15. KRS 161.655 is amended to read as follows:

(1) ***Effective July 1, 1998,*** upon the death of a member retired for service or disability, a death benefit of ***three***~~[two]~~ thousand~~[and eight hundred]~~ dollars ***($3,000)***~~[($2,800)]~~ shall be paid to the member's estate or to a party designated by the member on a form prescribed by the retirement system. Upon the death of an active contributing member, a death benefit of two thousand dollars ($2,000) shall be paid to the member's estate or to a party designated by the member on a form prescribed by the retirement system. Application for the death benefit shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the payment of death benefits under this section.

(2) Suit or civil action shall not be required for the collection of the death benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the death benefit.

Section 16. KRS 161.675 is amended to read as follows:

(1) ***(a)*** The board of trustees ***shall***~~[is empowered to]~~ enter into contracts with insurance carriers ***or other health care providers*** for the purpose of providing a ~~[broad]~~program of hospital and medical insurance coverage to members ***who are age sixty-five (65) or older and*** retired for service~~[or disability. (b) The board of trustees may enter into contracts with insurance carriers or other health providers for the purpose of providing a broad program of hospital and medical insurance coverage to members below age sixty-five (65) who are retired for service or disability and to the surviving spouse of deceased members who are eligible to receive the member's retirement benefits as provided in KRS 161.525.

(c) The board of trustees may offer, on a cost basis, coverage of spouses ***and***~~[or]~~ dependents not eligible for regular coverage.

(2) The coverage provided shall be as set forth in the contracts and the administrative regulations of the board of trustees. The board of trustees may change the levels of coverage to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program. The contracts and administrative regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital, and miscellaneous hospital costs. A retiree whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the Teachers' Retirement System or of combined service in the Kentucky Employees Retirement System, of which at least two (2) years was creditable service under KRS 161.510 and 161.607(2), to qualify for the coverage. The board of trustees shall offer coverage to the disabled child of a retired member regardless of the disabled child's age if the retired member pays the entire premium for the disabled child's coverage. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(3) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the hospital and medical insurance program. The board of trustees is empowered to pay the expenses for insurance coverage from the medical insurance fund, from the premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute. The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to ***active and retired*** state employees ***and active teachers***, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.

(4) Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.

(5) The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient.

Section 17. Whereas, retirement annuity adjustments are implemented at the beginning of the fiscal year, an emergency is declared to exist, and the provisions of this Act shall become effective July 1, 1998.

The Committee Substitute to **HB 532** is as follows:

The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. (5) If an employee moves his place of residence or employment out of the service area of a health maintenance organization or of a prepaid dental plan organization, under which he has elected coverage, into either the service area of another health maintenance organization or prepaid dental plan organization or into an area of the state not within a health maintenance organization service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to elect coverage either by the health maintenance organization or prepaid dental plan organization into which service area he moves or is transferred or to elect standard insurance coverage offered by the employer.

(6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.

(c) "Immediate family" shall mean the teacher's spouse, children including stepchildren, parents and spouse's parents, grandparents, and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's home; and

(d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers for use by teachers who have exhausted all sick leave and other available paid leave days.

(2) Each district board of education shall allow to each teacher in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill, that the teacher was absent for the purpose of attending to a member of his immediate family who was ill, or for the purpose of mourning a member of his immediate family. The ten (10) days of sick leave herein granted may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.

(3) Days of sick leave not taken by a teacher during any school year shall accumulate without limitation and be credited to that teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of Education to a school district after June 30, 1985.

(5) Any school employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.

(6) A district board of education may adopt a plan for a sick leave bank. The plan may include limitations upon the number of days a teacher may annually contribute to the bank and limitations upon the number of days a teacher may annually draw from the bank. Only those teachers who contribute to the bank may draw upon the bank. Days contributed will be deducted from the days available to the contributing teacher. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.

(7) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.

(8) After July 1, 1982, a district board of education may compensate, at the time of retirement, an employee or a teacher for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment ***and provided the state or school district makes the regular retirement contribution for employers plus additional payments to meet the full actuarial cost of including sick leave payments in the annual salary of the final year of service as provided in KRS Chapter 161.550. In the event that additional payments are not made to the Teachers' Retirement System to meet the full actuarial cost that result from inclusion of sick leave payments in the last annual salary of retiring members, the Teachers' Retirement System Board of Trustees shall determine the percentage of the sick leave payments that may be included for retirement purposes based upon the amount of additional funding that is provided to pay the resulting cost***. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.

(9) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. At the time of retirement or death of a member there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance and provide for benefits under KRS 161.520, 161.525, and 161.655;

(4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances and benefits provided under KRS 161.520, 161.525, and 161.655. In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund, and the state accumulation fund, the amounts as may be held in those funds for the account or benefit of the member;

(5) The medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS 161.675. One and five tenths percent (1.5%) of the gross annual payroll of all members shall be deposited to this fund. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits; and

(6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, to finance operating expenses directly related to investment management services, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest, and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any

(1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event a member is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.

(2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.

(3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.

Section 8. KRS 161.545 is amended to read as follows:

(1) Members may make contributions and receive service credit for substitute, part-time, or any service other than regular full-time teaching as provided in the administrative regulations of the board of trustees.[~~ A member may also obtain credit for part-time service performed prior to becoming a member upon payment of the amount determined for the member's contribution and an amount actuarially determined equal to the increased liability of the Teachers' Retirement System, if the service was at least half (1/2) time and occurred in the two (2) years preceding the individual's becoming a member of the retirement system.~~] Members placed on leave of absence may make contributions and receive service credit for this leave only if contributions are made by the end of the fiscal year next succeeding the year in which the leave was effective as provided in administrative regulations promulgated by the board of trustees. (c) The member shall receive credit for no more than two (2) years under the provisions of this subsection.

(3) Active contributing members who had breaks in their participation in the retirement system for reasons of health or for the purpose of obtaining Rank I status, a master's degree in education, or a doctorate degree in education and did not qualify at the time of the absence to obtain credit for the absence, may qualify to obtain credit for the absence under the following conditions:

(a) The period of a qualified absence shall be substantiated and verified in a manner required by the board of trustees;

(b) The member shall receive credit for no more than two (2) years of service under the provisions of this subsection;

In the event an annual appropriation is less than the amount of these requirements, the state shall make up the deficit in the next biennium budget appropriation to the retirement system. Employer contributions to the retirement system are for the exclusive purpose of providing benefits to members and annuitants and these contributions shall be considered deferred compensation to the members.

Section 10. KRS 161.553 is amended to read as follows:

Section 11. KRS 161.597 is amended to read as follows:

(1) A member in active contributing status may purchase any service credit which the member is authorized to purchase by making installment payments in lieu of a lump-sum payment.

(2) To initiate an installment payment plan, a member shall make a written request to the retirement system for an estimate to purchase service credit by making installment payments.

(3) To qualify for installment payments, the member contribution plus interest of eight percent (8%) per annum shall exceed one thousand dollars ($1000).

(4) A member may select the service credit to be purchased by installment payments and that service credit shall be purchased before any other credit may be purchased by installment payments.

(5) Installment payments shall be at least fifty dollars ($50) per month and shall be made for a period of time which is not less than twelve (12) months nor more than sixty (60) months.

(6) Installment payments shall be made on a monthly basis by payroll deduction ***or electronic fund transfer*** and forwarded separately to the Teachers' Retirement System on forms or by computer format not later than fifteen (15) days following the end of each month. The payments shall be considered accumulated contributions and shall not be picked up as provided in KRS 161.560.

(7) A member may elect to terminate payroll deductions at any time and purchase the remaining service credit by lump-sum payment. A member on a leave of absence may make personal installment payments. Termination of employment in a covered position shall terminate ***installment payments***[~~payroll deductions~~]. If the member is later employed by a different employer in a covered position, the member may request a new estimate and reinstate installment payments. A member that misses two (2) consecutive installment payments shall be in default. A member in default shall receive service credit on a pro rata basis for the total amount of contributions made by installment payments. A member in default may not reinstate installment payments for twelve (12) months from the date the member was in default.

(8) If a member dies before completing scheduled installment payments, the named beneficiary of the member's retirement account may pay the remaining balance due by a lump-sum payment within thirty (30) days of the death of the member.

Section 12. KRS 161.605 is amended to read as follows:

(1) Retired members may perform substitute teaching in the public schools for the equivalent of one hundred (100) days in any one (1) school year and receive compensation based on a standard salary schedule adopted by a district for all substitute teachers without reduction in retirement annuities.

(2) A retired member may be employed as a part-time or temporary teacher in the public schools for a period not to exceed the equivalent of one hundred (100) days in any one (1) school year.

(3) Retired members may be employed part-time or temporarily in a nonteaching capacity in the public schools and receive compensation for this employment without reduction in retirement annuities, except that retired members may not be employed in excess of a one hundred (100) day period in any one (1) school year in the same position from which they retired, or a position substantially similar to the one from which they retired, or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the one hundred (100) day limitation in this subsection. The board of trustees shall determine if employment in a nonteaching position qualifies for an exemption under this subsection.

(4) Members retired from ***an agency***[~~a university~~] listed in KRS 161.220(4)(b) may be employed in a part-time teaching capacity by one (1) of the universities ***participating in the Teachers' Retirement System***, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year.

(5) Calculation of the number of days for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service.

(6) When a retired member returns to employment as a part-time teacher or in a nonteaching capacity as provided in subsections (2), (3), and (4) of this section, the employer shall ***contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for nonuniversity and university members***[~~withhold and remit regular retirement contributions. These contributions shall be maintained in a separate account by the retirement system and shall not be used to increase the annuity of the retiree. Upon request of the retired member at the close of a fiscal year, the retirement system shall return the retiree's contribution with regular interest on funds held beyond one (1) year, but the retired member shall have no claim on any contributions made by the state or employer or to contributions made to the medical insurance fund. Upon death of the retired member, the retirement system shall pay to the retired member's estate or designated beneficiary the amount that would have been refunded to the retired member~~].

Section 13. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

(a) For retirements effective July 1, ***1998***[~~1984~~], and thereafter, the annual allowance for each year of service ***shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all members not employed by a state college or university***[~~performed prior to January 1, 1984, shall be two percent (2%) of the final average salary~~]. ***The annual retirement allowance for each year of service performed at state colleges or universities that participate in the Teachers' Retirement System shall be two percent (2%) of the final average salary.*** Actuarial discounts due to age or service credit at retirement may be applied as provided in this section; ***and***

(b)[~~For retirements effective January 1, 1984, and thereafter, the annual allowance shall be determined as set out in subsection (1)(a) of this section, except that the allowance for service performed after January 1, 1984, shall be valued at the annual rate of two and one-half percent (2.5%) of the final average salary for all members not employed by a state university or college. For purposes of implementing the change in the value of a year of service, the board of trustees shall establish, by administrative regulation, the value of services performed during the 1983-84 fiscal year, but in no case shall the value of service performed during the 1983-84 fiscal year exceed two and one quarter percent (2.25%); and~~

~~(c)~~] The retirement allowance of a member at retirement shall not exceed the member's last annual compensation or the member's final average salary, whichever is the greater amount.

(2) Effective July 1, 1990, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option who has been retired at least ten (10) months shall be increased in the amount of one and one-half percent (1.5%).

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than ***three hundred***[~~two hundred sixty~~] dollars ***($300)***[~~($260)~~] effective July 1, ***1998***[~~1994~~], ***and not less than three hundred ten dollars ($310) effective July 1, 1999,*** multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection.[~~The increases provided for in this subsection shall not be implemented unless funding is provided in the 1994-96 biennium budget appropriation.~~]

(4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.

(5) Effective July 1, ***1998***[~~1996~~], the monthly allowance of each member retired ***for at least one (1) year***[~~on or before July 1, 1995~~], and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed ***one and one-half***[~~three~~] percent ***(1.5%)***[~~(3%)~~] of the monthly allowance in effect the previous month[~~ where the monthly allowance is less than eight hundred thirty-four dollars ($834) and in an amount not to exceed one percent (1%) of the monthly allowance in effect the previous month where the monthly allowance is eight hundred thirty-four dollars ($834) or more based on an assumed maximum monthly allowance of one thousand two hundred fifty dollars ($1,250)~~]. The level of increase provided for in this subsection shall be determined by the funding provided in the ***1998-2000***[~~1996-98~~] biennium budget appropriation.

(6) Effective July 1, ***1999***[~~1997~~], the monthly allowance of each member retired ***for at least one (1) year***[~~on or before July 1, 1996~~], and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed ***one and one-half***[~~three~~] percent ***(1.5%)***[~~(3%)~~] of the monthly allowance in effect the previous month[~~ where the monthly allowance is less than eight hundred thirty-four dollars ($834)~~]. The level of increase provided for in this subsection shall be determined by the funding provided in the ***1998-2000***[~~1996-98~~] biennium budget appropriation.

(7) Effective July 1, 1990, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code as enacted in 1988.

(9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall be disregarded. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.

Section 14. KRS 161.640 is amended to read as follows:

(1) Retirement annuities shall be payable monthly. The first payment to an annuitant shall be made at the payment date at the end of one (1) full payment period after his retirement and shall consist of one (1) regular monthly payment. Retirement for a member receiving one (1) full year of service credit during a fiscal year, shall be no earlier than July 1 next following the end of such fiscal year.

(2) The board of trustees may enter into agreements with retired members for payroll deductions when it is deemed in the best interest of the retired members and the retirement system.

(3) All new retirees, on or after July 1, 1998, shall receive their monthly annuity checks by electronic fund transfer. All annuity and survivor monthly allowance payments shall be made by electronic fund transfer by December 31, 1998.

Section 15. KRS 161.655 is amended to read as follows:

(1) ***Effective July 1, 1998,*** upon the death of a member retired for service or disability, a death benefit of ***three***[~~two~~] thousand[~~ and eight hundred~~] dollars ***($3,000)***[~~($2,800)~~] shall be paid to the member's estate or to a party designated by the member on a form prescribed by the retirement system. Upon the death of an active contributing member, a death benefit of two thousand dollars ($2,000) shall be paid to the member's estate or to a party designated by the member on a form prescribed by the retirement system. Application for the death benefit shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the payment of death benefits under this section.

(2) Suit or civil action shall not be required for the collection of the death benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the death benefit.

Section 16. KRS 161.675 is amended to read as follows:

(1) ***(a)*** The board of trustees ***shall***[~~is empowered to~~] enter into contracts with insurance carriers ***or other health care providers*** for the purpose of providing a [~~broad~~]program of hospital and medical insurance coverage to members ***who are age sixty-five (65) or older and*** retired for service[~~ or disability. Coverage may be extended to the spouses and minor children of retired members, provided the member began participating in the Teachers' Retirement System prior to July 1, 1978. Coverage may also be extended to spouses and to minor children of members in active contributing status who are deceased prior to retirement if the surviving spouse is eligible to receive the member's retirement benefit as provided~~

~~in KRS 161.525 and elects to receive those retirement benefits~~].

(b) The board of trustees may enter into contracts with insurance carriers or other health providers for the purpose of providing a broad program of hospital and medical insurance coverage to members below age sixty-five (65) who are retired for service or disability and to the surviving spouse of deceased members who are eligible to receive the member's retirement benefits as provided in KRS 161.525.

(c) The board of trustees may offer, on a cost basis, coverage of spouses ***and***~~[or]~~ dependents not eligible for regular coverage.

(2) The coverage provided shall be as set forth in the contracts and the administrative regulations of the board of trustees. The board of trustees may change the levels of coverage to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program. The contracts and administrative regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital, and miscellaneous hospital costs. A retiree whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the Teachers' Retirement System or of combined service in the Kentucky Employees Retirement System, of which at least two (2) years was creditable service under KRS 161.510 and 161.607(2), to qualify for the coverage. The board of trustees shall offer coverage to the disabled child of a retired member regardless of the disabled child's age if the retired member pays the entire premium for the disabled child's coverage. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(3) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the hospital and medical insurance program. The board of trustees is empowered to pay the expenses for insurance coverage from the medical insurance fund, from the premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute. The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to ***active and retired*** state employees ***and active teachers***, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.

(4) Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.

(5) The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient.

SECTION 17. A NEW SECTION OF KRS 161.230 TO 161.716 IS CREATED TO READ AS FOLLOWS:

On or after August 1, 1998, a member of the Teachers' Retirement System in active contributing status who has a minimum of twenty (20) years of service credit may purchase up to a maximum of five (5) years of service credit that is not otherwise purchasable under any of the provisions of KRS 161.230 to 161.716 and that meets the definition of nonqualified service as provided in Section 1526 of the Federal Taxpayer Relief Act of 1997. The member shall pay the full actuarial cost of the service credit as determined by the Teachers' Retirement System. The payment shall not be picked up by the employer as described in KRS 161.540(2), and the member's payment shall be credited to the member's contribution account and shall be considered accumulated contributions of the member. Payment by the member may be by lump sum or by installment payments as provided in KRS 161.597.

Section 18. Whereas, retirement annuity adjustments are implemented at the beginning of the fiscal year, an emergency is declared to exist, and the provisions of this Act shall become effective July 1, 1998.

Section 1. KRS 212.755 is amended to read as follows:

(1) If, after the establishment of the public health taxing district as provided for in this section and KRS 212.750, the tax levying authorities of the district, in the opinion of the county or city-county board of health, do not appropriate an amount sufficient to meet the public health needs of the county or the city-county health department or do not appropriate an amount sufficient to meet the standards prescribed by the Cabinet for Human Resources for local health departments,

the county or city-county board of health, acting as the governing body of the taxing district shall, with the approval of the Cabinet for Human Resources, request the fiscal court to impose by resolution a special ad valorem public health tax in ***an***[~~such~~] amount that it deems sufficient, but not in excess of ***ten cents ($0.10)***[~~four cents ($0.04)~~] per one hundred dollars ($100) of full value assessed valuation. (2) Public health taxing districts[~~ heretofore~~] organized pursuant to the provisions of KRS 212.720 to 212.740 or organized pursuant to this section and KRS 212.750 shall not be subject to the provisions of the compensating tax rate as defined by KRS 132.010 nor to Chapter 2, 1965 First Extraordinary Session of the General Assembly; provided, however, that no public health taxing district shall impose a rate higher than ***ten cents ($0.10)***[~~four cents ($0.04)~~] per one hundred dollars ($100) of full value assessed valuation.

Section 2. This Act takes effect January 1, 1999.

HB 467, AN ACT relating to the funding of county jails.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 441.206 is amended to read as follows:

(1) For the care and maintenance of prisoners charged with or convicted of violations of state law, each county shall receive a contribution from the State Treasury in an amount equal to that paid to the county pursuant to this section in fiscal year 1983-84 or the amount that should have been paid to the county in fiscal year 1983-84 under the conditions set forth in subsection ***(7)***[~~(5)~~] of this section. Any additional moneys appropriated for county jails***, except moneys appropriated to fulfill the requirements of subsection (2) of this section*** shall be allocated on the basis of a formula comprised of the following factors:

(a) Sixty percent (60%) of the allocation shall be based on the amount of the 1983-84 funding formula each county received, or should have received under the conditions set forth in subsection ***(7)***[~~(5)~~] of this section;

(b) Ten percent (10%) of the allocation shall be based on each county's comparative ranking of median household income in inverse order, as determined by the 1980 federal census of population; and

(c) Thirty percent (30%) of the allocation shall be based on the proportion of each county's age at risk population (18-34) to the state total, as determined by the 1980 federal census of population.

(2) ***In addition to the state contribution established by subsection (1) of this section, each county shall receive the following for the care and maintenance of state prisoners:***

(a) Thirty dollars ($30) per day for minimum security state prisoners. "Minimum security state prisoners" means prisoners who have been classified in writing as minimum security by the Department of Corrections; and

(b) Thirty-five dollars ($35) per day for all other state prisoners. "All other state prisoners" includes, but is not limited to, parole violators, controlled intake prisoners, and inmates who have received final sentences but who have not been classified

(3) (a) Routine medical expenses and the cost of inmate pay for qualified inmates shall be paid from the per diem amount established in paragraphs (a) and (b) of subsection (1) of this section. Nonroutine medical expenses shall be paid by the Commonwealth and shall include:

1. Inpatient medical and surgical procedures;

2. Outpatient surgical procedures;

3. Costs of anesthesia;

4. Costs associated with admission of the inmate to a hospital; and

5. Costs of all medical care, medicine, and other costs related to follow-up or continuing care of an inmate for a condition specified in subparagraphs 1. to 4. of this paragraph, so long as the inmate remains incarcerated.

Nonroutine medical expenses not of an emergency nature shall receive prior approval from the Department of Corrections.

(b) The dollar amounts established in paragraphs (a) and (b) of subsection (2) of this section shall be adjusted annually based on the annual consumer price index, as released by the federal Bureau of Labor Statistics.

(4) Payments of the state contribution for jail operating expenses ***and the per diem payments established under subsection (2) of this section*** shall be made monthly by the Department of Corrections to the county treasurer. The election by a county to close its jail and to contract with another county for the incarceration of prisoners, as permitted by KRS 441.025, shall not affect the state contribution provided for in subsection (1) of this section.

(5)[~~(3)~~] All state funds paid to a county under this section, any funds paid to a county by the United States government, a city, or another county for the incarceration of prisoners and any interest earned on the funds shall be expended on the incarceration of prisoners, as provided in KRS 441.025. Any funds paid under subsection (1) ***or (2)*** of this section and any interest earned on the funds shall be expended on the incarceration of prisoners, in accordance with regulations promulgated pursuant to KRS 441.055, within twelve (12) months of the close of the fiscal year in which the funds were received. Any funds received by a county under subsection (1) ***or (2)*** of this section that are not expended for this purpose shall be returned to the State Treasury.

(6)[~~(4)~~] A county shall not receive less than twenty-four thousand dollars ($24,000) pursuant to ***subsection (1) of*** this section from the State Treasury for the care and maintenance of prisoners charged with or convicted of violations of state law.

(7)[~~(5)~~] If the capacity of a jail was substantially increased during the years 1980 through 1982 due to construction or renovation, and if, a result, the amount paid to the county in fiscal year 1983-84 pursuant to this section and to 1982 Ky. Acts ch. 385, sec. 3, was not representative of the true jail population, then the commissioner of the Department of Corrections may, upon proper documentation by the county, permit an estimate of the current capacity of the jail to be used as a basis for calculating the amount that should have been paid to the county in fiscal year 1983-84. The estimate of current capacity shall be used to calculate payments made pursuant to subsection (1) of this section after July 14, 1992, but shall not be used to recalculate past payments.

The Committee Substitute to **HB 467** is as follows:

Any additional moneys appropriated for county jails***, except moneys appropriated to fulfill the requirements of subsection (2) of this section*** shall be allocated on the basis of a formula comprised of the following factors:

(2) ***In addition to the state contribution established by subsection (1) of this section, each county shall receive the following for the care and maintenance of state prisoners:***

Acts ch. 385, sec. 3, was not representative of the true jail population, then the commissioner of the Department of Corrections may, upon proper documentation by the county, permit an estimate of the current capacity of the jail to be used as a basis for calculating the amount that should have been paid to the county in fiscal year 1983-84. Such compact shall provide a framework for cooperation between the city and the county and shall contain such provisions as are required by this section and KRS 79.315 to 79.330 and may contain any other provisions which are not in conflict with this section and KRS 79.315 to 79.330 as may be agreed upon by the city and the county. Section 2. KRS 81A.005 is amended to read as follows:

(1) When a city of the first class, which has in effect a compact with the county pursuant to KRS 79.310 to 79.330, desires to annex unincorporated territory, the legislative body of the city shall enact an ordinance stating the intention of the city to

annex. If an ordinance proposing to annex unincorporated territory has been enacted prior to July 15, 1986, and the ordinance annexing the territory to the city has not been enacted, then in order for the city to annex the territory during the time the compact is in effect, the legislative body of the city shall reenact the ordinance only including the same territory as the original and stating the intention of the city to annex. Such ordinances shall accurately define the boundary of the unincorporated territory proposed to be annexed, and declare it desirable to annex the unincorporated territory.

(2) The mayor of the city shall deliver a certified copy of the ordinance to the county clerk of the county in which the territory proposed to be annexed is located, who shall have prepared to be placed before the voters in each precinct embraced in whole or in part within the territory proposed to be annexed the question: "Are you in favor of being annexed to the city of ....?" If only a part of any precinct is embraced within the territory proposed to be annexed only persons who reside within the territory proposed to be annexed shall be permitted to vote. The question shall be submitted to the voters at the next regular election if the ordinance is filed with the county clerk not later than the second Tuesday in August preceding the regular election. The clerk shall cause the sheriff or sheriffs to deliver to the election officers in each precinct in the appropriate counties copies of the ordinance proposing to annex:

(a) If more than fifty percent (50%) of those voting on the question approve of the annexation, the legislative body may proceed to annex the territory. Within sixty (60) days of the certification of the election results in which more than fifty percent (50%) of those voting in the election approved the annexation, the legislative body of the city may enact an ordinance annexing to the city the territory described in the ordinance. Upon enactment of the ordinance the territory shall become part of the city for all purposes; or

(b) If fifty percent (50%) or less of those voting on the question approve the annexation, the ordinance proposing annexation shall become ineffectual for any purpose, subject to the provisions of KRS 81A.460.

(3) Once the ordinance stating the intention of the city to annex an area has been given its first reading or enacted by the city legislative body, no part of such area may be incorporated or be annexed by another city, unless such incorporation or annexation is pending at the time the ordinance is given its first reading, until the annexation proposal by the city of the first class is defeated pursuant to subsection (2) of this section or until the ordinance is withdrawn, repealed, or amended as to the area to be annexed ***according to subsection (4) of this section***. This subsection shall apply to any proposing ordinance which has had a first reading or has been enacted as of January 1, 1986. Notwithstanding anything to the contrary in this subsection, any annexation by a city other than the first class or incorporation prior to January 1, 1986, shall not be nullified by the application of KRS 79.310 to 79.330; provided, however, that any city of the first class shall retain any legal annexation priorities which existed on January 1, 1986, to the territory so annexed or incorporated. All pending litigation challenging annexation of a specific unincorporated territory by the city of the first class arising from ordinances proposing to annex such territory enacted prior to July 15, 1986, shall, at the discretion of the court, be remanded on the docket of the appropriate court without prejudice during the term of the compact.

(4) The legislative body of the city may elect to amend the description of the territory proposed to be annexed under an ordinance stating the intention of the city to annex an area as described in subsection (1) of this section at any time after the effective date of this Act and prior to September 30, 1998, for the purpose of excluding a specific area or areas from the ordinance in order to permit these areas to be annexed by an abutting city located in the county according to KRS 81A. 412. Amendment of the ordinance according to this subsection shall not affect the priority granted this annexation proposal according to subsection (3) of this section.

SECTION 3. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

If any provision of Sections 1 and 2 of this Act or KRS 79.315 to 79.330 is held to be unconstitutional or invalid, that provision shall not be severable but Sections 1 and 2 of this Act and KRS 79.315 to 79.330 shall be invalidated, because it is the intention of the General Assembly that the provisions of Sections 1 and 2 of this Act and KRS 79.315 to 79.330 are so essentially and inseparably connected with and dependent upon every other provision that Sections 1 and 2 of this Act and KRS 79.315 to 79.330 would have not been enacted without the inclusion of every provision in Sections 1 and 2 of this Act and in KRS 79.315 to 79.330.

Section 4. Whereas the compact entered into pursuant to Section 1 of this Act terminates on June 30, 1998, an emergency is declared to exist and this Act takes effect on June 1, 1998.

(a) If more than fifty percent (50%) of those voting on the question approve of the annexation, the legislative body may proceed to annex the territory. Amendment of the ordinance according to this subsection shall not affect the priority granted this annexation proposal according to subsection (3) of this section.

SECTION 3. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

If any provision of Sections 1 and 2 of this Act or KRS 79.315 to 79.330 is held to be unconstitutional or invalid, that provision shall not be severable but Sections 1 and 2 of this Act and KRS 79.315 to 79.330 shall be invalidated, because it is the intention of the General Assembly that the provisions of Sections 1 and 2 of this Act and KRS 79.315 to 79.330 are so essentially and inseparably connected with and dependent upon every other provision that Sections 1 and 2 of this Act and KRS 79.315 to 79.330 would have not been enacted without the inclusion of every provision in Sections 1 and 2 of this Act and in KRS 79.315 to 79.330.

(2) Each qualified police officer, whose local government receives a supplement pursuant to subsection (1) of this section, shall be paid by the local government the supplement which his qualifications brought to the local government. The supplement paid each police officer shall be in addition to his regular salary.

(3) (a) Each qualified sheriff who receives the maximum salary allowed by Section 246 of the Constitution of Kentucky and KRS 64.527 shall not receive the supplement.

(b) Each qualified sheriff who does not receive the maximum salary allowed by Section 246 of the Kentucky Constitution and KRS 64.527, exclusive of the expense allowance provided by KRS 70.170, shall upon final settlement with the fiscal court pursuant to KRS 134.310, receive that portion of the supplement that will not cause his compensation to exceed the maximum salary.

(c) Each qualified sheriff who seeks to participate in the fund shall forward a copy of the final settlement prepared pursuant to KRS 134.310 to the fund. The fund shall be reimbursed by the sheriff if an audit of the final settlement conducted pursuant to KRS 134.310 reflects that the sheriff received all or a portion of the supplement in violation of this section. A sheriff who fails to provide a copy of the final settlement to the fund or to reimburse the fund after correction by audit, if required, shall not be qualified to participate in the fund for a period of two (2) years.

(d) Each qualified deputy sheriff shall receive the supplement from the sheriff if the sheriff administers his own budget or from the county treasurer if the sheriff pools his fees. Section 4. KRS 95A.250 is amended to read as follows:

(1) Beginning July 1, 1982, an eligible local government shall be entitled to receive annually a supplement of two thousand ***seven***[~~five~~] hundred ***fifty*** dollars ***($2,750)***[~~($2,500)~~] for each qualified professional firefighter it employs, ***and beginning on July 1, 1999, an annual supplement of three thousand dollars ($3,000) for each qualified professional firefighter it employs,*** plus an amount equal to the required employer's contribution on the supplement to the defined benefit pension plan, or to a plan qualified under Section 401(a) or Section 457 of the Internal Revenue Code of 1954 as amended, provided that the employer's contribution on the supplement to any of these plans shall not exceed that amount which is required of employers under the County Employees Retirement System pursuant to KRS Chapter 78, to which the officer belongs, but no more than the required employer's contribution to the County Employees Retirement System hazardous duty category. In the case of County Employees Retirement System membership, the pension contribution on the supplement shall be paid whether the officer enters the system under hazardous duty coverage or nonhazardous coverage. The local unit of government shall pay the amount received for retirement coverage to the appropriate retirement system to cover the required employer contribution on the pay supplement. Should the foundation program funds be insufficient to pay employer contributions to the system, then the total amount available for pension payments shall be prorated to each eligible government so that each receives the same percentage of required pension costs attributable to the cash salary supplement.

(2) Each qualified professional firefighter, whose local government receives a supplement pursuant to subsection (1) of this section, shall be paid by that local government the supplement which his qualifications brought to the local government. The supplement paid each qualified firefighter shall be in addition to his regular salary.

Section 5. KRS 95A.262 is amended to read as follows:

(1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Human Resources, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky

against hepatitis B. The program shall be funded from revenues allocated to the Firefighters Foundation Program fund pursuant to KRS 136.392 and 42.190. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred up to the amount allowed by the Cabinet for Human Resources for hepatitis B inoculations.

(2) Except as provided in subsection (3) of this section and KRS 61.316, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273. The commission shall allot ***eight***[~~five~~] thousand dollars ***($8,000)***[~~($5,000)~~] annually to each qualifying department***, and beginning on July 1 of 1999, the commission shall allot eight thousand dollars ($8,000) annually to each qualifying department***. Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars ($500) of its allotment. The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. Fifty percent (50%) of the firefighters shall have completed at least one half (1/2) of one hundred fifty (150) training hours toward certification within the first six (6) months of the first year of the department's application for certification, and there shall be a plan to complete the one hundred fifty (150) training hours within the second year. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. No allotment shall exceed the total value of the funds, equipment, lands, and buildings made available to the local fire units from any source whatever for the year in which the allotment is made. A portion of the funds provided for above may be used to purchase group or blanket health insurance and shall be used to ***purchase*** workers' compensation insurance, and the remaining funds shall be distributed as set forth in this section.

(3) There shall be allotted two hundred thousand dollars ($200,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund that shall be allocated each fiscal year of the biennium to the firefighters training center fund, which is hereby created and established, for the purposes of constructing new or upgrading existing training centers for firefighters. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars ($200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.

(5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.

(6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.

(7) The amount of reimbursement for any given year for costs incurred by the department for administering these funds, including, but not limited to the expenses and costs of commission operations, shall be determined by the commission and shall not exceed five percent (5%) of the total amount of moneys accruing to the Firefighters Foundation Program fund which are allotted for the purposes specified in this section during any fiscal year.

(8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

(a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;

(b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;

(c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;

(d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;

(e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;

(f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and

(g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

(11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.

(12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.

(13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.

(14) There shall be allotted each year of the 1992-93 biennium one million dollars ($1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars ($1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

Section 6. KRS 42.190 is amended to read as follows:

(3) Moneys deposited in the Firefighters Foundation Program fund's trust and agency account, and in the Law Enforcement Foundation Program fund's trust and agency account, shall be invested by the state in accordance with state investment practices, and all earnings from such investments shall accrue to, and be paid into the respective account from which such investments are made. All moneys remaining on deposit at the close of the state's fiscal year in the Firefighters Foundation Program fund's trust and agency account and all earnings from investments made from moneys in this account in excess of ***three***[~~one~~] million dollars ***($3,000,000)***[~~($1,000,000)~~], beginning with fiscal year 1994-95***, through June 30, 1999***, shall lapse, except that moneys in the revolving loan fund established in KRS 95A.262 shall not lapse. (4) The cabinet shall provide monthly financial reports to the administrator of the Firefighters Foundation Program fund and the administrator of the Law Enforcement Foundation Program fund respecting the amount of funds received and on deposit in each fund and the amount of earnings accruing to each fund from their investment.

Section 7. KRS 15.430 is amended to read as follows:

(2) All moneys remaining in this fund on July 1, 1982, and deposited thereafter, including earnings from their investment, shall be deemed a trust and agency account, but, beginning with fiscal year 1994-95***, through June 30, 1999***, moneys remaining in the account at the end of the fiscal year in excess of three million dollars ($3,000,000) shall lapse. ***On and after July 1, 1999, moneys in this account shall not lapse.***

Section 9. KRS 136.392 is amended to read as follows:

(1) (a) Every domestic, foreign, or alien insurer, other than life and health insurers, which is either subject to or exempted from Kentucky premium taxes as levied pursuant to the provisions of either KRS 136.340, 136.350, 136.370, or 136.390, shall charge and collect a surcharge of one dollar and fifty cents ($1.50) upon each one hundred dollars ($100) of premium, assessments, or other charges, except for those municipal premium taxes, made by it for insurance coverage provided to its policyholders, on risk located in this state, whether the charges are designated as premiums, assessments, or otherwise. The premium surcharge shall be collected by the insurer from its policyholders at the same time and in the same manner that its premium or other charge for the insurance coverage is collected. The premium surcharge shall be disclosed to policyholders pursuant to administrative regulations promulgated by the commissioner of insurance. However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth day of each month, each insurer shall report and remit to the Revenue Cabinet, on forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any moneys returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. The rate shall be calculated using as its base the number of local government units eligible for participation in the funds under applicable statutes as of January 1, 1994. To allow the secretary of revenue to calculate an appropriate rate, the secretary for the Public Protection and Regulation Cabinet and the secretary for the Justice Cabinet shall certify to the secretary of revenue, no later than January 1, of each year, the estimated budgets for the respective funds specified above, including any surplus moneys in the funds, which shall be incorporated into the consideration of the adjusted rate for the next biennium. As soon as practical, the secretary of revenue shall advise the commissioner of insurance of the new rate and the commissioner shall inform the affected insurers. The rate adjustment process shall continue on a biennial basis.

(2) Within five (5) days after the end of each month, all insurance premium surcharge proceeds deposited in the State

HB 211, AN ACT relating to boating.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 235 IS CREATED TO READ AS FOLLOWS:

(1) No vessel on lake waters of this state shall moor or anchor within one hundred (100) feet of a drinking water intake.

(2) The Division of Water shall identify areas on lake waters of this state where a drinking water intake is located. The Division of Water shall post signs visible to persons operating vessels indicating areas containing a drinking water intake.

HB 498, AN ACT relating to forfeited mining reclamation bonds.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.131 is amended to read as follows:

(1) When a bond for an interim or preinterim program permit was forfeited prior to July 15, 1988, by the cabinet, and the entire forfeited amount is not necessary to establish proper drainage and revegetation on the permit area for which it was submitted, the cabinet may use any remaining funds to supplement reclamation of other forfeited or released permit areas, if the other permit areas endanger public health and safety.

(2) When the bond for an interim or permanent program permit is forfeited by the cabinet, and the entire forfeited amount is more than the amount necessary to complete reclamation, the unused funds ***less any interest that has accrued*** shall be returned to the party from whom they were collected, subject to the cabinet's right to attach or set off the proceeds under other state laws.

(3) Notwithstanding any other provisions of this chapter or the provisions of KRS Chapter 45A, when the bond, other than a surety bond or bond secured by a letter of credit, for an interim or permanent program permit is forfeited and collected by the cabinet, and a person subsequently applies for a permit overlapping all or part of the disturbed area of the permit area for which the bond is forfeited, the cabinet may negotiate and enter into a contract with the applicant to reclaim the disturbed area overlapped in exchange for all or part of the forfeited bond funds held by the cabinet, if requested by the applicant. If the applicant proposes to overlap only a part of the disturbed area the cabinet may enter into a contract with the applicant to reclaim the overlapped part of the disturbed area if the cabinet has retained a portion of the forfeited bond that is sufficient for the cabinet to reclaim the part of the disturbed area that is not overlapped. Any applicant under this subsection shall not be eligible for the benefits available under this subsection if the applicant has any ownership or control connection with the permittee or operator with respect to which the bond was forfeited. The amount of forfeited bond funds the cabinet may pay to the applicant shall be determined by the cabinet based upon the estimated cost for the cabinet to reclaim the disturbed area overlapped to the reclamation standards applicable to the original permit, but not to exceed the forfeited bond amount collected and held by the cabinet. Payments under this subsection shall be made only after release of the bond pursuant to KRS 350.093(4)(a) for those areas of the overlapping permit that are covered by the contract. If the applicant obtains a permanent program permit overlapping a forfeited interim permit, any disturbances created in connection with the overlapping permit on areas that were disturbed under the forfeited interim permit may be covered by a contract under this subsection and shall be reclaimed to permanent program standards. Areas where coal is not removed under the overlapping permit and the disturbances are for reclamation of the interim permit only shall be reclaimed to interim program standards. If the applicant obtains a permanent program permit overlapping a forfeited interim permit, any disturbances created in connection with the overlapping permit on areas that were not disturbed under the forfeited interim permit shall not be covered by a contract under this subsection and shall be reclaimed to permanent program standards. Nothing in this subsection shall be construed to exempt a person from the permitting, bonding, and reclamation requirements imposed in this chapter or to infringe upon the right of any surety to reclaim any permit or increment thereof to avoid bond forfeiture.

Section 2. KRS 350.139 is amended to read as follows:

(1) All prior enactments of this General Assembly to the contrary notwithstanding, all funds received by the Natural Resources and Environmental Protection Cabinet through the payment of fees and civil penalties shall be deposited in the State Treasury to the credit of the general fund ***except as provided in subsection (1) of Section 3 of this Act***. All funds from the forfeiture of bonds shall be placed in the State Treasury ***in an interest-bearing account*** and credited to a special agency account. ***The interest shall become a supplemental fund and may be used to supplement forfeited bonds which are inadequate to complete the reclamation plan. Except as provided in subsection (1) of Section 1 of this Act, forfeited bond funds***[~~As far as is practicable, this fund~~] shall be expended upon the lands for which the bond was given. ***The interest may be expended upon lands other than those for which the bond was given. No more than twenty-five percent (25%) of the supplemental fund may be expended upon any single site, unless a larger expenditure is necessary to abate an imminent danger to public health or safety.***

(2) The State Treasurer shall on or before August 1 of each year transfer thirty-three and one-third percent (33-1/3%) of all funds paid during the preceding fiscal year as fees for the issuance of any permit for surface coal mining operations to the fiscal courts of the county in which the permitted operation is located for the general purposes of that fiscal court.

Section 3. KRS 350.990 is amended to read as follows:

(1) Any permittee, person, or operator who violates any of the provisions of this chapter or ***administrative*** regulations ***promulgated***[~~adopted~~] pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order ***issued***[~~promulgated~~] pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for the violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which the violation continues. Any person issued an order pursuant to KRS 350.130(4) shall be assessed a civil penalty of not more than five thousand dollars ($5,000) for each violation cited in the underlying notice of noncompliance issued therewith. No separate civil penalty shall be assessed for the order issued pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Office of Legal Services. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and ***KRS*** 350.700 to 350.755 ***until the fund reaches sixteen million dollars ($16,000,000) or a higher amount as may be established by the most recent actuarial study, after which excess money collected shall be deposited fifty percent (50%) to the bond pool fund and fifty percent (50%) to the supplemental fund established under subsection (1) of Section 2 of this Act, and used for the purposes of that section. If the bond pool fund falls below sixteen million dollars ($16,000,000) or a higher amount as may be established by the most recent actuarial study, all excess moneys shall be deposited in the bond pool fund until that fund reaches sixteen million dollars ($16,000,000) or a higher amount as may be established by the most recent actuarial study***. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person or operator who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any permittee, person, or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and

cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred and fifty dollars ($750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) The cabinet's Office of Legal Services shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination ***issued***[~~promulgated~~] pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any permittee, operator, or person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order ***issued***[~~promulgated~~] pursuant to the sections of this chapter which have become final, shall be guilty of a Class A misdemeanor. Each day on which the violation occurs may constitute a separate offense.

(5) (a) Any person or operator who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person or operator who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony.

(b) Any person or operator who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony.

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any permittee, operator, or person who knowingly makes any false statement, representation, or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a Class A misdemeanor.

(8) Except as permitted by law, any permittee, operator, or person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall be guilty of a Class A misdemeanor.

(9) When a corporate permittee violates any provision of this chapter or administrative regulation ***promulgated***[~~issued~~] pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

(11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet's Division of Abandoned Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

HB 593, AN ACT relating to surface mining permit renewal.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.060 is amended to read as follows:

(1) (a) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the permittee to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period not to exceed five (5) years. However, if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for the specified longer term, the cabinet may grant a permit for the longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.

(b) Subject to the provisions of KRS 350.010(1) and (2), no person shall knowingly and willfully receive, transport, sell, convey, transfer, trade, exchange, donate, purchase, deliver, or in any way derive benefit from coal removed from any surface mining operation which does not have a permit as required under this section.

(2) No permit or revision application shall be approved unless the application affirmatively demonstrates, and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

(3) A person desiring a permit to engage in surface coal mining operations shall file an application which shall state:

(a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

(b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;

(c) The owner or owners of the coal to be mined;

(d) The source of the applicant's legal right to mine the coal on the land affected by the permit;

(e) The permanent and temporary post office addresses of the applicant, which shall be updated immediately if changed at any point prior to final bond release;

(f) Whether the applicant or any person, partnership, or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of the permits;

(g) The names and addresses of every officer, partner, director, or person performing a function similar to a director of the applicant, together with the names and addresses of any individual owning of record ten percent (10%) or more of any class of voting stock of the applicant, and whether the applicant or any person is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify. The permittee shall submit updates of this information as changes occur or as otherwise provided by administrative regulation; however, failure to submit updated information shall constitute a violation of this chapter only upon the permittee's refusal or failure to timely submit the information to the cabinet upon request. Upon receipt of updated information satisfactory to the cabinet, the cabinet shall promptly update its computer system containing the information;

(h) A listing of any violations of this chapter, Public Law 95-87, and any law, rule, or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. The list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is in compliance with current reclamation standards, and, if not, identify the needed reclamation work.

(4) The application for a permit shall be accompanied by an official document, and an affidavit attesting to the document's authenticity, which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, an affidavit so stating.

(5) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States Geological Survey topographic map or other map acceptable to the cabinet on which the applicant has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which the drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(6) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States Geological Survey topographic map or other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:

(a) Be prepared and certified by a professional engineer registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (8) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of the area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point, and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. The plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(7) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions, and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability. This determination shall not be required until the time hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. The permit shall not be approved until the information is available and is incorporated into the application.

(8) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map

as incomplete if it is not properly certified.

(9) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation; the manner, time, and distance for backfilling; grading work; and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and administrative regulations adopted pursuant thereto.

(10) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations of the cabinet. The coverage shall be maintained in full force and effect during the terms of the permit and any permit renewal, and until reclamation operations are completed.

(11) A basic fee set by administrative regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375), plus a fee set by administrative regulation but not to exceed seventy-five dollars ($75), for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required in this section shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The applicant shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. In determining the amount of the bond, the cabinet shall take into consideration the character and nature of the overburden; the future suitable use of the land involved; the cost of backfilling, grading, and reclamation to be required; and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate administrative regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of bonds.

(12) Surface coal mining and reclamation operations which affected two (2) acres or less, as defined by administrative regulations of the cabinet, which were conducted pursuant to two (2)-acre-or-less permits issued by the cabinet, which were commenced on or before June 5, 1987, and on which mining ceased on or before November 7, 1987, shall be exempt from the requirements of this chapter, except as follows. Reclamation of the operations shall be accomplished in accordance with administrative regulations promulgated by the cabinet for operations of two (2) acres or less. The cabinet shall not require that the highwalls left by the operations be eliminated. Bond shall be maintained until reclamation is successfully completed. All procedural provisions and the penalty provisions of KRS 350.990 shall apply to operations conducted pursuant to this subsection. The cabinet shall enforce this subsection consistent with this chapter, except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(13) The cabinet shall promulgate administrative regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require that all the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (11) of this section, KRS 350.070, or KRS 350.151.

(14) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. An applicant for renewal of a permit shall pay a basic fee set by regulation, not to exceed three hundred seventy-five dollars ($375). The holders of the permit may apply for renewal and the renewal shall be issued, provided that on application for renewal the burden shall be on the opponents of renewal, subsequent to the fulfillment of the public notice requirements of this chapter, unless it is established and written findings by the cabinet are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the applicant's continuing responsibility on existing permit areas;

(d) The applicant has not provided evidence that the performance bond in effect for the operation will continue in full force and effect for any renewal requested in the application as well as any additional bond the cabinet might require; or

(e) Any additional revised or updated information required by the cabinet has not been provided.

Prior to the approval of any renewal of permit, the cabinet shall provide notice to the appropriate public authorities.

(15) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(16) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred twenty (120) days prior to the expiration of the valid permit. *However, if a permit has expired or if a permit renewal application has not been timely filed, and the operator or permittee desires to continue the surface coal mining operation, the cabinet shall forthwith cause a notice of noncompliance to be issued. The notice of noncompliance shall be deemed to have been complied with, and the permit may be renewed, if the cabinet receives a permit renewal application within thirty (30) days of the receipt of the notice of noncompliance. Upon the submittal of a permit renewal application, the operator or permittee shall be deemed to have timely filed the permit renewal application and shall be entitled to continue, under the terms of the expired permit, the surface coal mining operation, pending the issuance of the permit renewal. Failure to comply with the remedial measures of the notice of noncompliance shall result in the cessation of the surface coal mining operation.*

(17) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by the permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that the extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at the time the construction of the synthetic fuel or generating facility is initiated.

(18) Each application for a permit or revision for auger mining on a previously mined area shall contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(19) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

HB 598, AN ACT relating to public water systems.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that the federal Safe Drinking Water Act, as amended by Public Law 104-182, creates an opportunity for Kentucky to improve public drinking water supplies. Therefore, the cabinet shall administer a system capacity program for public water systems consistent with the federal law. For purposes of Sections 1 to 4 of this Act, "system capacity" means the technical, financial, and managerial capacity to operate a public water system in compliance with the federal Safe Drinking Water Act, as amended by Public Law 104-182. The cabinet may promulgate administrative regulations as necessary to administer Sections 1 to 4 of this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) Not later than August 6, 2000, the cabinet shall develop and begin implementing, a strategy to assist public water systems in acquiring and maintaining technical, financial, and managerial system capacity.

(2) In preparing the system capacity development strategy, the cabinet shall solicit and consider public comment on, and incorporate into the strategy as appropriate:

(a) The methods or criteria that the cabinet will use to identify and prioritize public water systems most in need of improving technical, financial, and managerial capacity;

(b) A description of the institutional, regulatory, financial, tax, or legal factors at the federal, state, or local level that encourage or impair system capacity development;

(c) A description of how the cabinet will use the authorities and resources of the Safe Drinking Water Act as

amended by PL 104-182, or other means, to assist public water systems in complying with national primary drinking water regulations, to encourage the development of partnerships between public water systems to enhance the system capacity of public water systems, and to assist public water systems in the training and certification of operators;

(d) A description of how the cabinet will establish a baseline against which to measure improvements in system capacity with respect to national primary drinking water regulations, this chapter, KRS 224.10-110, and administrative regulations promulgated thereunder; and

(e) An identification of the persons that have an interest in and are involved in the development and implementation of the system capacity development strategy, including all appropriate agencies of federal, state, and local governments, private and nonprofit public water systems, and public water system customers.

(3) If the cabinet determines that an existing public water system does not have system capacity, it may assist the public water system in submitting a system capacity development plan as part of the long range water supply plan required by KRS 151.114. The plan shall contain timetables, goals, and funding sources necessary for the public water system to achieve system capacity.

SECTION 3. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

After October 1, 1999, new community or nontransient noncommunity public water systems, as defined by federal law, shall not be created unless they have system capacity. For new community or nontransient noncommunity public water systems that intend to begin operating after October 1, 1999, the cabinet shall not approve plans pursuant to KRS 224.10-110 and the administrative regulations promulgated pursuant thereto, unless the systems demonstrate to the cabinet that they have system capacity.

SECTION 4. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

The cabinet shall conduct a source water assessment and delineation program as described in the 1996 amendments to the federal Safe Drinking Water Act, Public Law 104-182.

HB 636, AN ACT relating to waste tires.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBCHAPTER 50 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that waste tires are a threat to human health, safety, and the environment when they are not properly managed. The General Assembly further finds that waste tires can be used in civil engineering applications, as tire-derived fuel, and may be recycled, but that markets for these uses have not been adequately developed. Therefore a waste tire program should be established to manage waste tires in a way that protects human health, safety, and the environment, and which encourages the development of markets for waste tires.

SECTION 2. A NEW SECTION OF SUBCHAPTER 50 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) A waste tire program is created to manage waste tires which for the purposes of Sections 1 to 16 of this Act shall include:

(a) Tires not used for their original, intended purpose due to wear or damage;

(b) Used tires stored for resale; and

(c) Processed waste tire material.

(2) The cabinet may promulgate administrative regulations to implement the waste tire program.

SECTION 3. A NEW SECTION OF SUBCHAPTER 50 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The waste tire program shall not apply to:

(1) A person who accumulates waste tires for an agricultural purpose;

(2) A person who stores waste tires for resale, if the storage of the waste tires complies with environmental performance standards established by the cabinet for waste sites or facilities and follows common business practices of storing new motor vehicle tires on racks and moving the waste tires indoors at the close of the business day;

(3) A person who accumulated up to seven hundred and fifty (750) waste tires before January 16, 1991, and who meets the following conditions:

(a) The waste tires are used as an integral part of a business, including safety barriers but excluding storage or disposal;

(b) The number of waste tires has not increased since January 16, 1991; and

(c) The person certifies to the cabinet within thirty (30) days of the effective date of this Act that actions have been taken to prevent fires and the spread of illness through disease vectors.

SECTION 4. A NEW SECTION OF SUBCHAPTER 50 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) No person shall engage in disposal of waste tires in Kentucky except by transfer to a permitted solid waste disposal facility and except as follows:

(a) If transferred to a contained landfill, the waste tires shall be processed to prevent the entrapment of air or water;

(b) If transferred to a residual landfill, the waste tires shall be rendered suitable for disposal in a landfill and the landfill shall accept only waste tires for disposal; or

(c) If transferred to an incinerator, the incinerator shall be permitted to allow the burning of waste tires and shall have received a local determination related to the waste tires in accordance with KRS 224.40-315 (1).

(2) No person shall accumulate more than twenty-five (25) waste tires in Kentucky at a time for processing, by baling, chopping, recycling, shredding, or other means of changing their shape, size, or chemical content without meeting the requirements of the waste tire program. For processing which had been approved by the cabinet before the effective date of this Act, the person who had received the approval shall register within forty-five (45) days of the effective date of this Act.

(3) No person shall transport more than fifty (50) waste tires in Kentucky at a time, either in one (1) vehicle or more than one (1) vehicle managed by or operated under contract with that person, without meeting the requirements of the waste tire program, unless transported in accordance with subsection (5) of this section.

The office shall not provide a grant-in-aid to any organization which interferes with collective bargaining in any plant or industry. The Office of Labor-Management Relations ***and Mediation*** shall promulgate administrative regulations necessary to carry out this section.

Section 7. KRS 342.122 is amended to read as follows:

(1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards***, Apprenticeship and Training***[~~ and Mediation~~] and the Office of Labor-Management Relations ***and Mediation***, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

(b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Revenue Cabinet shall credit nineteen million dollars ($19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars ($19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars ($4,750,000).

(d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.

(2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this

section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

(4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years.

(5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

(10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 8. KRS 336.140 is amended to read as follows:

The ***secretary***[~~commissioner~~] may inquire into the causes of strikes, lockouts, and other disputes between employers and employees, and endeavor to effect an amicable settlement. He may create[~~ within the department~~] boards to which disputes between employers and employees may be submitted on request of both the employer and the employees for mediation. Where a joint wage agreement, existing between an employer and any labor organization, provides for the settlement of disputes, any disputes that arise shall be settled by the terms of the contract, and when so settled shall be binding and final upon the ***secretary***[~~commissioner~~].

Section 9. KRS 336.151 is amended to read as follows:

(1) It shall be the duty of the ***secretary***[~~commissioner~~], in order to prevent or minimize interruptions growing out of labor disputes, to assist parties to labor disputes to settle such disputes through conciliation and mediation.

(2) The ***secretary***[~~commissioner~~] may proffer his services in any labor dispute either upon his own motion or upon the request of one or more of the parties to the dispute. Whenever the ***secretary***[~~commissioner~~] proffers his services in any dispute and the services of the ***secretary***[~~commissioner~~] have been accepted, it shall be the duty of the ***secretary***[~~commissioner~~] to put himself in communication with the parties and to use his best efforts, by mediation and conciliation, to bring them to agreement.

(3) If the ***secretary***[~~commissioner~~] is not able to bring the parties to agreement by mediation within a reasonable time, he

shall seek to induce the parties voluntarily to seek other means of settling the dispute without resort to strike, lockout, or other coercion. The failure or refusal of either party to agree to any procedure suggested by the ***secretary***[~~commissioner~~] shall not be deemed a violation of any duty or obligation imposed by KRS 336.151 and 336.152.

Section 10. KRS 336.152 is amended to read as follows:

In order to prevent or minimize interruptions growing out of labor disputes, employees and employers and their representatives, shall:

(1) Exert every reasonable effort to make and maintain agreements concerning rates of pay, hours, and working conditions, including provision for adequate notice of any proposed change in the terms of such agreements;

(2) Whenever a dispute arises over the terms or application of a collective-bargaining agreement and a conference is requested by a party or prospective party thereto, arrange promptly for such a conference to be held and endeavor in such conference to settle such dispute expeditiously;

(3) In case such dispute is not settled by conference, participate fully and promptly in such meetings as may be undertaken by the ***secretary***[~~commissioner~~] under KRS 336.151 and 336.152 for the purpose of aiding in a settlement of the dispute.

Section 11. KRS 336.160 is amended to read as follows:

Section 13. KRS 345.080 is amended to read as follows:

(1) If after a reasonable period, but in no event less than thirty (30) days, of negotiations over the terms of a new collective bargaining agreement or modifications in an existing agreement the parties to the negotiations are deadlocked, either party or the parties jointly may petition the board, by certified mail, return receipt requested, or by registered mail, to initiate fact finding.

(2) Upon receipt of a petition to initiate fact finding, the ***secretary***[~~commissioner~~] shall cause an investigation to determine whether or not the parties are deadlocked in their negotiations. During the course of this investigation, the ***secretary***[~~commissioner~~] is empowered to utilize his office in an effort to effectuate a settlement between the parties through mediation and conciliation.

(3) Upon completion of the ***secretary's***[~~commissioner's~~] investigation, and if a settlement between the parties has still not been reached, the ***secretary***[~~commissioner~~] shall within five (5) days appoint a qualified and disinterested person as the impartial chairman of a three (3) man panel to function as the fact finders. In addition to the impartial chairman, the other two (2) members of the panel shall be one (1) member named by the labor organization and one (1) by the employer, parties to the deadlocked negotiations.

Regardless of the origin of the proposed amendment, it shall be referred to the planning commission before adoption. The planning commission shall hold at least one (1) public hearing after notice as required by KRS Chapter 424 and make a recommendation as to the text of the amendment and whether the amendment shall be approved or disapproved and shall state the reasons for its recommendation. (a) Any published notice shall include the street address of the property in question, or if one is not available or practicable due to the number of addresses involved, a geographic description sufficient to locate and identify the property, and the names of two (2) streets on either side of the property which intersect the street on which the property is located; and

(b) When the property in question is located at the intersection of two (2) streets, the notice shall designate the intersection by name of both streets rather than name the two (2) streets on either side of the property.

(6) In addition to the public notice requirements prescribed in subsection (3) of this section, when the planning commission, fiscal court, or legislative body of any planning unit originates a proposal to amend the zoning map of that unit, notice of the public hearing before the planning commission, fiscal court, or legislative body shall be given at least thirty (30) days in advance of the hearing by first class mail to an owner of every parcel of property the classification of which is proposed to be changed. Records by the property valuation administrator may be relied upon to determine the identity and address of said owner.

(7) The fiscal court or legislative body shall take final action upon a proposed zoning map amendment within ***one hundred (100)***[~~ninety (90)~~] days of the date upon which the planning commission takes its final action upon such proposal. ***Failure of the fiscal court or legislative body to take final action within that time shall entitle any aggrieved person to seek an order of mandamus, and may result in a penalty against the fiscal court or legislative body pursuant to KRS 100.991, but this failure shall not result in a deemed approval nor shall it deprive the fiscal court or legislative body of jurisdiction to take final action after that time.***

(5) All assets of the city of the sixth class existing on the date of annexation shall become the property of the annexing city. Any indebtedness for which the city of the sixth class is liable on the date of annexation shall be assumed by the annexing city, so that after annexation the burden of taxation shall be uniform throughout the area of the two (2) cities.

The dealer may pay usage tax on the loaner motor vehicle as provided in KRS 138.460, or, subject to the provisions of this section, may pay a usage tax of six percent (6%) levied upon the fair market lease value of the vehicle as established by the Transportation Cabinet in accordance with subsection (9) of Section 4 of this Act.

(2) A dealer shall pay the usage tax on a loaner motor vehicle in the manner provided by KRS 138.460 unless the dealer shows to the satisfaction of the cabinet that he is regularly engaged in the servicing or repair of motor vehicles and loans the loaner motor vehicle, for no consideration or monetary value except as allowed in subsection (4) of this section, to a retail customer while the customer's motor vehicle is at the dealership for repair or service.

(3) For a dealer to be eligible to pay the usage tax on a loaner motor vehicle under this section, the dealer shall identify the motor vehicle as a loaner motor vehicle to the Transportation Cabinet and shall maintain records, as required by the Transportation Cabinet, which show all uses of the loaner motor vehicle.

and collected from the customer operating the loaner motor vehicle. The cost of providing liability insurance for the customer may also be charged to and collected from the customer. However, the customer shall not be required to pay any additional costs for the use of the loaner motor vehicle.

(5) The tax due under subsection (1) of this section shall be remitted to the cabinet monthly on forms prescribed by and in accordance with administrative regulations promulgated by the cabinet.

(6) (a) The cabinet shall audit each return as soon as practicable after it is received. A notice of assessment shall be mailed to the taxpayer. The time provided in this paragraph may be extended by agreement between the taxpayer and the cabinet.

(b) Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.

(c) For the purposes of paragraphs (a) and (b) of this subsection, a return filed before the last day prescribed by law for filing the return shall be considered as filed on the last day.

(7) Failure of a motor vehicle dealer to remit the taxes applicable to a loaner motor vehicle under this subsection shall be sufficient cause for the Transportation Cabinet to revoke the authority to use that motor vehicle as a loaner motor vehicle and cause the usage tax on that motor vehicle to be due and payable in accordance with KRS 138.460 on the retail price of that motor vehicle when it was first purchased by the dealer.

The penalty shall be in addition to all other applicable penalties provided by law.***

(3) If any holder of a permit under KRS 138.463(2) ***or a dealer under Section 1 of this Act*** fails to make and file a return required by KRS 138.463 ***or Section 1 of this Act*** on or before the due date of the return or the due date as extended by the cabinet, ***or if the tax, or any installment or portion of the tax imposed by KRS 138.463 or Section 1 of this Act, is not paid on or before the date prescribed for its payment,*** then, unless it is shown to the satisfaction of the cabinet that the failure is due to a reasonable cause, five percent (5%) of the tax found to be due shall be added to the tax for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the tax; provided, however, that in no case shall the penalty be less than ten dollars ($10).

(4)[~~(3)~~] If the tax imposed by KRS 138.463 ***or Section 1 of this Act***, whether assessed by the cabinet***, the dealer,*** or the permit holder, or any installment or portion of the tax is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the tax, interest upon the unpaid amount at the tax interest rate as defined in KRS 131.010(6) from the date prescribed for its payment until payment is actually made.

Section 4. KRS 138.463 is amended to read as follows:

(1) A holder of a permit as required under KRS 281.615 to operate as a U-Drive-It as defined in KRS 281.014 may pay the usage tax as provided in KRS 138.460 or, subject to the provisions of this section, may pay a usage tax of six percent (6%) levied upon the amount of the gross rental or lease charges paid by a customer or lessee renting or leasing a motor vehicle from such holder of the permit.

(2) The provisions of KRS 138.462 and this section shall apply to all rental and leasehold contracts entered into after March 9, 1990.

(3) A holder of a permit shall pay the usage tax as provided in KRS 138.460 unless he shows to the satisfaction of the cabinet that he is regularly engaged in the renting or leasing of motor vehicles to retail customers as a part of an established business. Persons first engaging in the renting or leasing of motor vehicles to retail customers shall, in addition to obtaining a permit required under KRS 281.615, demonstrate to the satisfaction of the cabinet that they are prepared to qualify under the standards set forth in this subsection.

(4) In the event the holder of such permit qualifies under subsection (3) of this section and elects to pay the usage tax by the alternate method as provided in subsection (1) of this section, or is required by subsection (8) of this section to pay by the alternate method, he shall pay the seat tax imposed by KRS 186.281(3) and in addition shall pay the monthly tax authorized by subsection (1) of this section.[~~ The cabinet shall provide the holder with evidence that he has been qualified to pay the monthly tax. The holder shall present such evidence to the county clerk at the time the motor vehicle is offered for registration in Kentucky and the following provisions shall be applicable.~~]

(5) The tax authorized by subsection (1) of this section shall be the direct obligation of the holder of the permit but it may be charged to and collected from the customer in addition to the rental or lease charges. The tax due shall be remitted to the cabinet each month on forms and pursuant to regulations promulgated by the cabinet.

(6) (a) As soon as practicable after each return is received, the cabinet shall examine and audit it. If the amount of tax computed by the cabinet is greater than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within four (4) years from the date the return was filed, except as provided in paragraph (c) of this subsection, and except that in the case of a failure to file a return or of a fraudulent return the excess may be assessed at any time. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the cabinet.

(b) For the purpose of paragraphs (a) and (c) of this subsection, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.

(c) Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.

(7) Failure of the holder of the permit to remit the taxes applicable to the rental charges as provided herein shall be sufficient cause for the Department of Vehicle Regulation to void the permit issued to such holder and the usage tax on each of the motor vehicles which had been registered by the holder under the permit shall be due and payable on the retail price of each such motor vehicle when it was first purchased by the holder.

(8) Notwithstanding the provisions of KRS 138.460 and subsection (1) of this section, a holder of a permit operating a fleet of rental passenger cars which has been registered pursuant to an allocation formula approved by the cabinet shall pay the tax by the method provided in this section. The provisions of this section shall apply to all vehicles rented by the holder in this state.

(9) The usage tax reported and paid on every rental or lease of a vehicle registered pursuant to this section shall be based on the fair market rental or lease value of the vehicle. Fair market rental or lease value shall be based on standards established by administrative regulation promulgated by the cabinet. The cabinet may remove a vehicle from the U-Drive-It program without a hearing if it is determined by the cabinet that no taxes have been remitted on that vehicle

during the registration period. However, the tax reported and paid to the Transportation Cabinet shall not be less than the amount due based on the actual terms of a rental or lease agreement. The burden of proving that the consideration charged by the holder satisfies this subsection is on the holder.

The Committee Substitute to **HB 656** is as follows:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS 138.455 TO 138.470 IS CREATED TO READ AS FOLLOWS:

(1) A motor vehicle dealer who operates a service or repair component in his dealership may register a motor vehicle to be used exclusively as a loaner motor vehicle to the customers of this service or repair department. The dealer may pay usage tax on the loaner motor vehicle as provided in KRS 138.460, or, subject to the provisions of this section, may pay a usage tax of six percent (6%) levied upon the fair market lease value of the vehicle as established by the Transportation Cabinet in accordance with subsection (9) of Section 4 of this Act.

(2) A dealer shall pay the usage tax on a loaner motor vehicle in the manner provided by KRS 138.460 unless the dealer shows to the satisfaction of the cabinet that he is regularly engaged in the servicing or repair of motor vehicles and loans the loaner motor vehicle, for no consideration or monetary value except as allowed in subsection (4) of this section, to a retail customer while the customer's motor vehicle is at the dealership for repair or service.

(3) For a dealer to be eligible to pay the usage tax on a loaner motor vehicle under this section, the dealer shall identify the motor vehicle as a loaner motor vehicle to the Transportation Cabinet and shall maintain records, as required by the Transportation Cabinet, which show all uses of the loaner motor vehicle.

(4) The tax authorized by subsection (1) of this section shall be the direct obligation of the dealer. However, the customer shall not be required to pay any additional costs for the use of the loaner motor vehicle.

(5) The tax due under subsection (1) of this section shall be remitted to the cabinet monthly on forms prescribed by and in accordance with administrative regulations promulgated by the cabinet.

(6) (a) The cabinet shall audit each return as soon as practicable after it is received. If the amount of tax computed by the cabinet is greater than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within four (4) years from the date the return was filed, except as provided in paragraph (b) of this subsection, and except that in the case of a failure to file a return or of a fraudulent return the excess may be assessed at any time. A notice of assessment shall be mailed to the taxpayer. The time provided in this paragraph may be extended by agreement between the taxpayer and the cabinet.

(b) Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.

(c) For the purposes of paragraphs (a) and (b) of this subsection, a return filed before the last day prescribed by law for filing the return shall be considered as filed on the last day.

(7) Failure of a motor vehicle dealer to remit the taxes applicable to a loaner motor vehicle under this subsection shall be sufficient cause for the Transportation Cabinet to revoke the authority to use that motor vehicle as a loaner motor vehicle and cause the usage tax on that motor vehicle to be due and payable in accordance with KRS 138.460 on the retail price of that motor vehicle when it was first purchased by the dealer.

The penalty shall be in addition to all other applicable penalties provided by law.***

(3) If any holder of a permit under KRS 138.463(2) ***or a dealer under Section 1 of this Act*** fails to make and file a return required by KRS 138.463 ***or Section 1 of this Act*** on or before the due date of the return or the due date as extended by the cabinet, ***or if the tax, or any installment or portion of the tax imposed by KRS 138.463 or Section 1 of this Act, is not paid on or before the date prescribed for its payment,*** then, unless it is shown to the satisfaction of the cabinet that the failure is due to a reasonable cause, five percent (5%) of the tax found to be due shall be added to the tax for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the tax; provided, however, that in no case shall the penalty be less than ten dollars ($10).

(4)~~[(3)]~~ If the tax imposed by KRS 138.463 ***or Section 1 of this Act***, whether assessed by the cabinet***, the dealer,*** or the permit holder, or any installment or portion of the tax is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the tax, interest upon the unpaid amount at the tax interest rate as defined in KRS 131.010(6) from the date prescribed for its payment until payment is actually made.

Section 4. KRS 138.463 is amended to read as follows:

(1) A holder of a permit as required under KRS 281.615 to operate as a U-Drive-It as defined in KRS 281.014 may pay the usage tax as provided in KRS 138.460 or, subject to the provisions of this section, may pay a usage tax of six percent (6%) levied upon the amount of the gross rental or lease charges paid by a customer or lessee renting or leasing a motor vehicle from such holder of the permit.

(2) The provisions of KRS 138.462 and this section shall apply to all rental and leasehold contracts entered into after March 9, 1990.

(3) A holder of a permit shall pay the usage tax as provided in KRS 138.460 unless he shows to the satisfaction of the cabinet that he is regularly engaged in the renting or leasing of motor vehicles to retail customers as a part of an established business. The issuance of a U-Drive-It permit under the provisions of KRS Chapter 281 shall create a rebuttable presumption that the holder of a permit is regularly engaged in renting or leasing. Persons first engaging in the renting or leasing of motor vehicles to retail customers shall, in addition to obtaining a permit required under KRS 281.615, demonstrate to the satisfaction of the cabinet that they are prepared to qualify under the standards set forth in this subsection.

(4) In the event the holder of such permit qualifies under subsection (3) of this section and elects to pay the usage tax by the alternate method as provided in subsection (1) of this section, or is required by subsection (8) of this section to pay by the alternate method, he shall pay the seat tax imposed by KRS 186.281(3) and in addition shall pay the monthly tax authorized by subsection (1) of this section.~~[The cabinet shall provide the holder with evidence that he has been qualified to pay the monthly tax. The holder shall present such evidence to the county clerk at the time the motor vehicle is offered for registration in Kentucky and the following provisions shall be applicable.]~~

(5) The tax authorized by subsection (1) of this section shall be the direct obligation of the holder of the permit but it may be charged to and collected from the customer in addition to the rental or lease charges. The tax due shall be remitted to the cabinet each month on forms and pursuant to regulations promulgated by the cabinet.

(6) (a) As soon as practicable after each return is received, the cabinet shall examine and audit it. If the amount of tax

computed by the cabinet is greater than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within four (4) years from the date the return was filed, except as provided in paragraph (c) of this subsection, and except that in the case of a failure to file a return or of a fraudulent return the excess may be assessed at any time. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the cabinet.

(b) For the purpose of paragraphs (a) and (c) of this subsection, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.

(c) Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.

(7) Failure of the holder of the permit to remit the taxes applicable to the rental charges as provided herein shall be sufficient cause for the Department of Vehicle Regulation to void the permit issued to such holder and the usage tax on each of the motor vehicles which had been registered by the holder under the permit shall be due and payable on the retail price of each such motor vehicle when it was first purchased by the holder.

(8) Notwithstanding the provisions of KRS 138.460 and subsection (1) of this section, a holder of a permit operating a fleet of rental passenger cars which has been registered pursuant to an allocation formula approved by the cabinet shall pay the tax by the method provided in this section. The provisions of this section shall apply to all vehicles rented by the holder in this state.

(9) The usage tax reported and paid on every rental or lease of a vehicle registered pursuant to this section shall be based on the fair market rental or lease value of the vehicle. Fair market rental or lease value shall be based on standards established by administrative regulation promulgated by the cabinet. The cabinet may remove a vehicle from the U-Drive-It program without a hearing if it is determined by the cabinet that no taxes have been remitted on that vehicle during the registration period. However, the tax reported and paid to the Transportation Cabinet shall not be less than the amount due based on the actual terms of a rental or lease agreement. The burden of proving that the consideration charged by the holder satisfies this subsection is on the holder.

Act shall be sold at public auction to federally licensed firearms dealers holding a license appropriate for the type of firearm sold. Prior to the sale of any firearm, the Kentucky State Police shall make an attempt to determine if the firearm to be sold has been stolen or otherwise unlawfully obtained from an innocent owner and return the firearm to its lawful innocent owner, unless that person is ineligible to purchase a firearm under federal law.

(2) The proceeds of firearms sales shall be utilized by the Kentucky State Police to provide grants to city, county, charter county, and urban-county police and sheriff's departments for the purchase of body armor for sworn peace officers of those departments. Body armor purchased by the department receiving grant funds shall meet or exceed the standards issued by the National Institute of Justice for body armor. No police or sheriff's department shall apply for a grant to replace existing body armor unless that body armor has been in actual use for a period of five (5) years or longer.

1. The state if the property was seized by an agency of the state or peace officer thereof;
2. The county, if the property was seized by the sheriff or an agency or peace officer of the county;

Prior to the sale of any firearm, the law enforcement agency shall make a bona fide attempt to determine if the firearm to be sold has been stolen or otherwise unlawfully obtained from an innocent owner and return the firearm to its lawful innocent owner, unless that person is ineligible to purchase a firearm under federal law. This subsection relating to auction of firearms shall not apply to firearms auctioned by the Department of Fish and Wildlife that may be sold to individual purchasers residing in Kentucky who are eligible under federal law to purchase firearms of the type auctioned.***

(d) Proceeds from firearms sales shall be utilized by the law enforcement agency for the purchase of body armor meeting National Institute of Justice Standards for sworn officers of the law enforcement agency or for the purchase of firearms, ammunition, or range facilities, or a combination thereof, by the law enforcement agency. (2) Money which has been obtained or conferred in violation of any section of this code shall, upon conviction, be forfeited for the use of the state. This subsection shall not apply when, during the course of the proceeding in which the conviction is obtained, the person from whom said money was unlawfully acquired is identified.

(3) Property forfeited under any section of this code shall be disposed of in accordance with this section only after being advertised pursuant to KRS Chapter 424. This subsection shall not apply to property which is designed and suitable only for criminal use or to money forfeited under subsection (2) of this section.

(4) The trial court shall remit the forfeiture of property when the lawful claimant:

(b) Establishes his legal interest in the property; and

(c) Establishes that the unlawful use of the property was without his knowledge and consent. Subsection (4) shall not apply to a lienholder of record when the trial court elects to dispose of the property pursuant to subsection (1)(b) of this section.

The purchaser of the property shall be given a document stating that the property had been forfeited pursuant to law and that a number, shown on the document, has been assigned which shall be deemed as compliance of the owner with KRS 514.120. When property is returned to an owner pursuant to this section and its identity has been obscured by another person in violation of KRS 514.120 the court shall provide a document to the owner relieving him of liability for its continued possession. This document shall serve as evidence of compliance with KRS 514.120 by the owner or any person to whom he lawfully disposes of the property. This section shall not apply to any person after property has been sold or returned in compliance with this section, who violates the provisions of KRS 514.120 with respect to that property.

(7) Before forfeiture of any property under this section it shall be the duty of the trial court to determine if a lawful owner or claimant to the property has been identified or is identifiable. If a lawful owner or claimant has been identified or is identifiable the court shall notify the owner or claimant that the property is being held and specify a reasonable period of time during which the claim may be made, or may, in lieu thereof, order the return of the property to the lawful owner or claimant. If the lawful owner or claimant does not assert his claim to the property after notification or if he renounces his claim to the property, the property shall be disposed of as provided in this section. It shall be the duty of all peace officers and other public officers or officials having knowledge of the lawful owner or claimant of property subject to forfeiture to report the same to the trial court before the act of forfeiture occurs.

As used in this section, except subsection (1), "public school officer" means a person who previously served as a superintendent of schools or board member during which time charges were brought against him under this section.

(1) The chief state school officer shall recommend, by written charges to the proper school authorities having immediate jurisdiction, the removal of any superintendent of schools, principal, teacher, member of a school council, or other public school officer as to whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, willful neglect of duty, or nonfeasance. In the case of a member of a school council, the written charges shall be provided to the local board of education.

(2) The chief state school officer shall recommend by written charges the suspension by the Kentucky Board of Education of any district board member, superintendent of schools, or other public school officer whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, willful neglect of duty, nonfeasance, or who shall be removed pursuant to KRS 158.6455[~~(7)~~]. If the charges brought under this subsection represent an immediate threat to the public health, safety, or welfare, the Kentucky Board of Education shall summarily suspend the person against whom the charges are made. The action by the Kentucky Board of Education may be taken upon a recommendation of the chief state school officer, or the action may be taken by a majority vote of the Kentucky Board of Education without recommendation from the chief state school officer.

(3) The Kentucky Board of Education may suspend a district superintendent of schools or other public school officer under subsection (2) of this section or remove him pursuant to subsection (5) of this section only if, after thirty (30) days of receipt of the written charges specified in subsection (1) of this section, the proper school authorities having immediate jurisdiction, either the superintendent or the district board of education, have refused to act, have acted in bad faith, arbitrarily, or capriciously, or if a recommendation to the district board would have been futile.

(4) Any officer suspended by the Kentucky Board of Education under subsection (2) of this section shall be furnished with an emergency order specifying in detail the reasons for suspension and notifying the officer of his right to appeal the action and have an emergency hearing pursuant to KRS 13B.125.

(5) As an alternative to first seeking suspension, the chief state school officer may recommend by written charges the removal by the Kentucky Board of Education of any district board member, superintendent of schools, or other public school officer whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, willful neglect of duty, or nonfeasance, or who shall be removed pursuant to KRS 158.6455[~~(7)~~]. The officer against whom the written charges are issued by the chief state school officer shall be furnished with the written charges and notice of procedural rights conferred under KRS Chapter 13B. Within twenty (20) days after receipt of the charges, the officer may notify the Kentucky Board of Education of his intention to appear and answer the charges. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. If the officer fails to notify the board of his intention to appear and answer the charges, the Kentucky Board of Education may remove the officer by a majority vote, and the dismissal shall be final.

(6) The hearing shall be public or private at the discretion of the accused former or current superintendent and shall be public when testimony is taken for board members.

(7) The Kentucky Board of Education may meet in closed session to consider the evidence and may by a majority vote remove the officer. If the board votes to remove the officer, the board shall prepare final order specifying which charge or charges it found to be the basis for removal. If within ninety (90) days from the date of suspension if applicable, the state board has not removed the officer, or has dismissed the charges, the suspended officer shall be reinstated and shall be paid his full salary for the period of suspension.

(8) The officer shall have a right to appeal on the record to the Circuit Court located in the county of the school district in accordance with KRS Chapter 13B. If the decision of the court is against removal, the officer shall be paid his full salary from the date of suspension. The payment shall be made from funds appropriated to the State Department of Education.

(9) If a superintendent of schools is removed from office or resigns while charges are pending pursuant to this section after July 15, 1994, any continuing contract pursuant to KRS 161.720 to 161.810 shall be terminated. If the removal is reversed upon appeal, the continuing contract shall be restored and he shall be paid his full salary for the period of suspension.

The primary program shall include the following critical attributes: developmentally appropriate educational practices, multiage and multiability classrooms; continuous progress; authentic assessment; qualitative reporting methods; professional teamwork; and positive parent involvement. The implementation of the primary program may take into consideration the necessary arrangements required for students attending part-time and will allow for grouping of students attending their first year of school when determined to be developmentally appropriate.

b. A school council established pursuant to KRS 160.345 or if none exists, a school may determine, based on individual student needs, that implementing multiage and multiability classrooms need not apply for every grouping of students for every activity throughout the entire day. The school council or school shall revise the action plan to reflect any changes in the primary program's design.

2. The courses of study for students shall include American sign language which shall be accepted as meeting the foreign language requirements in common schools notwithstanding other provisions of law;

The Kentucky Board of Education may approve the request when the school district or school has demonstrated circumstances that may include, but are not limited to, the following:

1. An alternative approach will achieve the same result required by the administrative regulation;
2. Implementation of the administrative regulation will cause a hardship on the school district or school or jeopardize the continuation or development of programs; or
3. There is a finding of good cause for the waiver.

(b) Regulations relating to health and safety, civil rights, any state regulation required by a federal law, and regulations promulgated pursuant to KRS 158.6451, 158.6453, 158.6455, 158.685, and this section, relating to measurement of performance outcomes and determination of successful districts or schools shall not be subject to waiver.

All interest earned on moneys in the funds shall be retained in the fund for reinvestment.

(2) [~~Upon certification of eligibility by the Kentucky Board of Education,~~]The Finance and Administration Cabinet shall issue a warrant and the State Treasurer shall issue a check to the ***school district on behalf of the*** eligible school ***when the following conditions have been met:***

(b) The Kentucky Board of Education certifies that the school is eligible to receive the reward.

(3) All moneys credited to the fund, including interest, shall be used only for payments to eligible schools and shall not lapse, but shall be carried forward in the next biennial budget.

Section 14. KRS 158.6453 is amended to read as follows:

(1) The Kentucky Board of Education shall be responsible for creating and implementing a statewide, primarily performance-based assessment program to ensure school accountability for student achievement of the goals set forth in KRS 158.645 ***and KRS 158.6451. The board shall seek the advice of the Office of Education Accountability, the School Curriculum Assessment and Accountability Council, and the National Technical Advisory Panel on Assessment and Accountability***. The statewide assessment program shall not include measurement of a student's ability to become a self-sufficient individual or to become a responsible member of a family, work group, or community.[~~ The program shall be implemented as early as the 1993-94 school year but no later than the 1995-96 school year. The board shall also be responsible for administering an interim testing program to assess student skills in reading, mathematics, writing, science, and social studies in grades four (4), eight (8), and twelve (12). The tests shall be designed to provide the state with national comparisons and shall be the same as, or similar to those used by the National Assessment of Educational Progress. The interim testing program shall begin during the 1991-92 school year and shall be administered to a sample of students representative of each school and the state as a whole. The test scores shall be used, along with other factors described in KRS 158.6451, to establish a baseline for determining school success during the 1993-94 school year.~~]

(2) ***The assessment program shall be designed in accordance with current standards for educational and psychological testing. It shall include the following components:***

(a) A secure, customized, nationally normed or standards-based multiple-choice test obtained from a commercial publisher in reading and mathematics that matches Kentucky's core content for assessment and provides normative data that is valid and reliable for individual students in elementary, middle, and high school;

(b) Open-response and multiple-choice items to assess student skills in reading, mathematics, writing, science,

social studies, arts and humanities, and practical living and vocational studies.

1. These assessments shall be derived from the core content for assessment identified by the Department of Education during the 1997-98 school year. 2. Kentucky teachers shall have a significant role in their development;

(c) Writing portfolios consisting of samples of student work. The writing portfolio shall not include more than four (4) pieces of student work. The Kentucky Board of Education shall seek the advice of the Writing Advisory Committee for reducing the teacher and student time involved in preparing a writing portfolio that may include limiting the number of revisions or the time spent preparing a single entry, or collecting entries at different grade levels;

(d) Performance assessment events for schools that have students enrolled in performing arts organizations sponsoring sanctioned events with an established protocol for adjudication; and

(e) A technically sound longitudinal comparison of the assessment results for the same students on successive administrations of the assessments required under paragraphs (a) to (c) of this subsection[~~Upon July 13, 1990, the state board shall contract with three (3) or more authorities in the field of performance assessment to design the specifications for the interim and full-scale statewide assessment development effort. ~~(b) Direct the development of the formula to be used to determine successful schools pursuant to KRS 158.6455.~~

~~The assessment authorities shall review the bids and make a recommendation to the board. The authorities shall have no pecuniary interest with the successful bidder~~].

(3) *The assessments shall be designed to:*

(a) Measure core academic content, basic skills, and higher-order skills;

(c) Minimize the time spent by teachers and students on assessment by distributing the subjects assessed among different grade levels as determined by the Kentucky Board of Education.

(4) Results from the state assessment under this section shall be reported to the school districts and schools as soon as practicable.

(5) The Department of Education shall gather information to establish the validity of the assessment and accountability program. It shall develop a biennial plan for validation activities that shall include, but not be limited to, the match of testing material to the academic expectations and the core content for assessment, the consistency of student results across multiple measures, the congruence of school scores with documented improvements in instructional practice and school learning environment, and the potential for all scores to yield fair, consistent, and accurate student performance level and school accountability decisions. Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Interim Joint Committee on Education by September 1 of the first year of each biennium. Quarterly reports shall be submitted as required under Section 2 of this Act and a summary of the findings shall be submitted not later than September 1 of the second year of the biennium.

(6) In addition to statewide testing for the purpose of determining school success, the board shall have the responsibility of assisting local school districts and schools in developing and using continuous assessment strategies needed to assure student progress. *The continuous assessment shall provide diagnostic information to improve instruction and meet the needs of individual students.*

(7)[~~(4)~~] *The Kentucky Board of Education shall promulgate an administrative regulation in conformity with the provisions of Sections 4 and 5 of this Act, and KRS Chapter 13A establishing the components of a school report card to clearly communicate with parents and the public about school performance. The school report card shall be sent to the parents of the students of the districts and a summary of the results for the district shall be published in the newspaper with the largest circulation in the county. It shall include, but not be limited to, the following components reported by race, gender, and disability when appropriate:*

(a) Student academic achievement including the results from each of the assessments administered under this section;

(b) Nonacademic achievement including the school's attendance, retention, dropout rates, and student transition

Section 15. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

(1) ***After receiving the advice of the Office of Education Accountability, the School Curriculum, Assessment, and Accountability Council, and the National Technical Advisory Panel on Assessment and Accountability,*** the Kentucky Board of Education shall promulgate administrative regulations ***in conformity with the provisions of Sections 4 and 5 of this Act, and KRS Chapter 13A*** to establish a system of determining successful schools and dispensing appropriate rewards. The system shall be based on the following:

(a) A school shall be the unit of measure to determine success;

(b) School success shall be determined by measuring a school's improvement over a two (2) year period;

(c) A school shall be rewarded for an increased proportion of successful students, including those students who are at risk of school failure;

(d) ***The Kentucky Board of Education shall establish the expected growth in***[~~A threshold level for~~] school improvement ***for each school with a reward threshold, an improving threshold, and a not improving threshold set for each accountability cycle through the school year 2014. The board shall not establish a new improving or not improving threshold for a school or district classified as "in review" under subsection (5) of this section more than two (2) times through the school year 2014***[~~shall be established by the board to determine the amount of success needed for a school to receive a reward. The threshold definition shall establish the percentage of increase required in a school's percentage of successful students as compared to a school's present proportion of successful students, with consideration given to the fact that a school closest to having one hundred percent (100%) successful students will have a lower percentage increase required~~];

(e) ***A school shall be classified as "reward" if its accountability index is equal to or greater than the reward threshold for the accountability cycle. A school classified as "reward" shall not receive a financial award unless the school's dropout rate is less than six percent (6%). Distribution of rewards to local schools shall be based on policy established by the Kentucky Board of Education.*** Rewards shall be given to the[~~school on behalf of the~~] full-time, part-time, and itinerant instructional staff ***assigned to the school on the last working day of the accountability cycle unless a majority of the certified staff vote otherwise. Substitute teachers shall not be used in calculating the reward;

(f) [~~Rewards shall be calculated by applying the percentage set by the General Assembly in the biennial budget to the current annual salary of each certified staff person employed in the school on the last working day of the year of the reward. The reward for part-time and itinerant staff shall be calculated for the proportion of time spent in the school. In determining the percentage to be applied to a school for calculation of the rewards for the school's staff, consideration shall be given to the fact that schools already having a high percentage of successful students shall have a lower requirement for a percentage increase in its number of successful students. The staff person's identity in connection to his share of the reward shall be maintained when his share of the reward is deposited to the school's account;~~

~~(g) The certified staff members shall by majority rule collectively decide on the ways the reward funds shall be spent. Each individual staff person shall use the amount he earned in accordance with the decisions made by the total staff. Rewards shall not be added to a staff person's base salary and shall not be defined as compensation for retirement purposes under KRS 161.220(10); and~~

~~(h)~~]The Department of Education shall send the school's reward to the local district office for transmittal to the school ***staff; and***

(g) The Kentucky Board of Education shall identify reports and paperwork requirements from which schools classified in reward shall be exempt.

(2) ***After receiving the advice of the Office of Education Accountability, the School Curriculum, Assessment, and Accountability Council, and the National Technical Advisory Panel on Assessment and Accountability,*** the Kentucky Board of Education shall adopt by administrative regulation ***in conformity with the provisions of Sections 4 and 5 of***

(b) After receiving the advice of the Office of Education Accountability, the School Curriculum, Assessment, and Accountability Council, and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with the provisions of Sections 4 and 5 of this Act, and KRS Chapter 13A establishing the guidelines for conducting a scholastic audit, which shall include the process for:

1. Appointing and training team members. The team shall include at least a distinguished educator, a teacher, a principal or other local district administrator, a parent, and a university faculty member;

2. Reviewing a school's learning environment, efficiency, and academic performance of students;

3. Evaluating each certified staff member assigned to the school. Only certified members of the audit team shall evaluate personnel. The evaluation shall indicate whether subsequent evaluations other than those conducted by the district under KRS 156.101 are necessary. If the initial evaluation of a certified staff member is unsatisfactory:

a. The team shall recommend a subsequent evaluation or evaluations to begin no sooner than sixty (60) days. The recommendation shall identify any problem areas and professional development activities to address the areas of concern. No certified staff shall have their contract terminated under KRS 161.790 based on results of the initial team evaluation;

b. The certified employee may choose whether to have subsequent evaluations conducted by the certified members of the scholastic audit team or the assisting distinguished educator assigned to the school. The employee shall not be subject to the district evaluation conducted under KRS 156.101 during this period; and

4. Recommending that the Kentucky Board of Education classify the school as "not improving" or "in review".

(c) A school that is classified as "in review" shall be subject to the following actions:

1.[~~(b)~~] The principal shall immediately notify the students' parents of the students' right to transfer to a successful school, with procedures for initiating the request;

2.[~~(c)~~] Within thirty (30) days after the declaration by the state board under this subsection or no later than thirty (30) days before the start of the next school year, whichever is later, any student in that school may request and shall be allowed to transfer to a successful school as determined under the provisions of subsection (2) of this section. The superintendent shall select the receiving successful school in the home district or make arrangements with a neighboring district. If two (2) districts cannot agree, the superintendent of the student's resident district shall request the Kentucky Board of Education to resolve the issue and make a decision on the placement of the student within thirty (30) days of the request. The board of the district in which the student resides shall be responsible for all tuition and transportation costs incurred as a result of a student transferring from a "***in review***[~~school in crisis~~]" to a successful school. 5. ***The Kentucky Board of Education shall establish new "improving" and "not improving" thresholds for the school, using the accountability index for the accountability cycle it was classified as "in review" as a new starting point for the "not improving" threshold, and one hundred (100) as the goal for 2014. The new "improving" threshold shall be five (5) points above the new "not improving" threshold.***

(6) ***The Kentucky Board of Education shall recognize all schools with an accountability index above eighty (80) as high performing schools. Notwithstanding subsections 4 and 5 of this section, these schools shall not be classified as "not improving" or "in review".***

(7) ***Notwithstanding subsections (1) to (5) of this section and KRS 158.645 to 158.805, the Kentucky Board of Education, after receiving the advice of the Office of Education Accountability, the School Curriculum, Assessment, and Accountability Council and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation in conformity with the provisions of Sections 4 and 5 of this Act, and in accordance with KRS Chapter 13A, establishing a formula for school accountability and a school improvement goal for each school during the 1998-1999 and 1999-2000 school years, with the 1996-97 and 1997-98 school years serving as the baseline. The formula shall be based on the academic and nonacademic components that are administered in a consistent manner during the four (4) year period. The Kentucky Board of Education shall reward schools exceeding their threshold for improvement. Schools failing to improve shall be reviewed by the Kentucky Department of Education to determine whether a distinguished educator should be assigned to act solely in an advisory capacity. These schools shall also be eligible for school improvement funds under Section 16 of this Act.***

(8) The Kentucky Board of Education shall develop a system of rewards and sanctions for certified staff who are not assigned to a school in a local school district. The system shall be analogous to the system described in subsections (1) to (5) of this section. Rewards shall be given to ***the district based on the number of*** nonschool-based staff ***to be used for purposes determined by the local board of education*** when the district's proportion of successful students increases above a threshold adopted by the state board and comparable to the threshold adopted for schools. Sanctions shall be imposed when the proportion of successful students in the district declines in the same proportion used to determine school sanctions under subsections (3), (4), and (5) of this section. A school district that does not meet its threshold shall be required to develop a district improvement plan[~~ defined in KRS 158.650~~].

(9) A school district ***classified as "in review"***[~~in which the proportion of successful students declines by five percent (5%) or more in any biennium beginning with the 1994-96 biennium~~] shall be assigned one (1) or more Kentucky distinguished educators to assist the system ***and***[~~,~~] evaluate personnel ***at the option of the personnel following an unsatisfactory initial evaluation by the scholastic audit team***[~~, and notwithstanding any other statute to the contrary, make personnel recommendations every six (6) months on retention, dismissal, or transfer. If a district ***is classified as "in review"***[~~has a declining proportion of successful students~~] for two (2) consecutive biennial assessment periods, the district[~~ shall be declared an education development district pursuant to KRS 158.685, and the~~] board members and the superintendent shall be removed under the provisions of KRS 156.132 and 156.136.

(10)[~~(8)~~] The Kentucky Board of Education shall adopt administrative regulations to establish a process whereby a school shall be allowed to appeal a performance judgment which it considers grossly unfair. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the biennial assessment period which are beyond the control of the school.

Section 16. KRS 158.805 is amended to read as follows:

(1) There is hereby created the Commonwealth school improvement fund to assist local schools in pursuing new and innovative strategies to meet the educational needs of the school's students and raise the school's performance level. The Kentucky Board of Education shall utilize the Commonwealth school improvement fund to provide grants to schools for the following purposes:

In the event a vacancy occurs in the office of superintendent prior to the expiration of the term set by the board, the term shall expire on the date the vacancy occurs. Therefore, the board may appoint a superintendent for a new term as provided in this subsection, which shall begin on the date of the superintendent's appointment, except when the vacancy occurs after a school board election and before the newly elected members take office. When a vacancy occurs during this period, the position shall not be filled until the new members take office, but the board may appoint an acting superintendent to serve a term not to exceed six (6) months. This appointment may be renewed once for a period not to exceed three (3) months. The person appointed to serve as acting superintendent shall not be an applicant for, nor be appointed to, the position of superintendent. If a vacancy occurs, a local board may also appoint an acting superintendent during the period the screening committee pursuant to KRS 160.352 conducts its business and prior to the actual appointment of the new superintendent. No superintendent shall resign his term and accept a new term from the same board of education prior to the expiration date of his present term. In the case of a vacancy in the office for an unexpired term, the board of education shall make the appointment so that the term will end on June 30. The board shall set the salary of the superintendent to be paid in regular installments.

(2) Before any superintendent assumes his duties, he shall present to the board of education that appointed him a statement signed by the chief state school officer that the superintendent has been duly issued a certificate of administration and supervision issued in accordance with the provisions of law and which qualifies him to hold the position to which he has been appointed, and he shall hold such certificate throughout the period of his employment. A superintendent candidate who is to begin his duties after June 30, 1994, shall successfully complete the training program and assessment center process within one (1) year of assuming his duties as superintendent. (3) A superintendent of schools may be removed for cause by a vote of four-fifths (4/5) of the membership of a board of education and upon approval by the chief state school officer. However, if the dismissal of the superintendent has been recommended by ***the members of a scholastic team or the***[~~a~~] Kentucky distinguished educator pursuant to KRS 158.6455 and the action is approved by the chief state school officer, the board shall terminate the superintendent's contract. Written notice setting out the charges for removal shall be spread on the minutes of the board and given to the

superintendent. The board shall seek approval by the chief state school officer for removing the superintendent. (a) Insubordination, including but not limited to violation of the school laws of the state or administrative regulations adopted by the Kentucky Board of Education or lawful rules and regulations established by the local board of education for the operation of schools, or refusal to recognize or obey the authority of the superintendent, principal, or any other supervisory personnel of the board in the performance of their duties;

(b) Immoral character or conduct unbecoming a teacher;

(c) Physical or mental disability;

Prior to notification of the board, the superintendent shall furnish the teacher with a written statement specifying in detail the charge against the teacher. The teacher may within ten (10) days after receiving the charge notify the chief state school officer and the superintendent of his intention to answer the charge, and upon failure of the teacher to give notice within ten (10) days, the dismissal shall be final.

(4) Upon receiving the teacher's notice of his intention to answer the charge, the chief state school officer shall appoint a three (3) member tribunal, consisting of one (1) teacher, one (1) administrator, and one (1) lay person, none of whom reside in the district, to conduct an administrative hearing in accordance with KRS Chapter 13B within the district. (6) Upon hearing both sides of the case, the tribunal may by a majority vote render its decision or may defer its action for not more than five (5) days. Provisions of KRS Chapter 13B notwithstanding, the tribunal decision shall be a final order and may be rendered on the record.

(7) The superintendent may suspend the teacher pending final action to terminate the contract, if, in his judgment, the character of the charge warrants the action. If after the hearing the decision of the tribunal is against termination of the contract, the suspended teacher shall be paid his full salary for any period of suspension.

(8) The teacher shall have the right to make an appeal to the Circuit Court having jurisdiction in the county where the school district is located in accordance with KRS Chapter 13B.

(9) As an alternative to termination of a teacher's contract, the superintendent upon notifying the board and providing written notification to the teacher of the charge may impose other sanctions, including, suspension without pay, public reprimand, or private reprimand. The procedures set out in subsection (3) of this section shall apply, except to a private reprimand. The teacher may appeal the action of the superintendent, except a private reprimand, in the same manner as established in subsections (4) to (8) of this section. Upon completion of a suspension period, the teacher may be reinstated.

Rewards shall not be

No employee shall be placed on probation based on the school being designated "in crisis." Parents of students attending a school classified as "in crisis" may request to transfer their children to a successful school.

Section 21. Whereas it is imperative that the new assessment and accountability system be implemented as expeditiously as possible to better enable the General Assembly to carry out its constitutional duty to establish an efficient system of common schools, an emergency is declared to exist, and this Act shall take effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

(6) The hearing shall be public or private at the discretion of the accused former or current superintendent and shall be public when testimony is taken for board members.

(7) The Kentucky Board of Education may meet in closed session to consider the evidence and may by a majority vote remove the officer. If the board votes to remove the officer, the board shall prepare final order specifying which charge or charges it found to be the basis for removal. If within ninety (90) days from the date of suspension if applicable, the state board has not removed the officer, or has dismissed the charges, the suspended officer shall be reinstated and shall be paid his full salary for the period of suspension.

(8) The officer shall have a right to appeal on the record to the Circuit Court located in the county of the school district in accordance with KRS Chapter 13B. If the decision of the court is against removal, the officer shall be paid his full salary from the date of suspension. The primary program shall include the following critical attributes: developmentally appropriate educational practices, multiage and multiability classrooms; continuous progress; authentic assessment; qualitative reporting methods; professional teamwork; and positive parent involvement. The implementation of the primary program may take into consideration the necessary arrangements required for students attending part-time and will allow for grouping of students attending their first year of school when determined to be developmentally appropriate.

b. A school council established pursuant to KRS 160.345 or if none exists, a school may determine, based on individual student needs, that implementing multiage and multiability classrooms need not apply for every grouping of students for every activity throughout the entire day. The school council or school shall revise the action plan to reflect any changes in the primary program's design.

2. The courses of study for students shall include American sign language which shall be accepted as meeting the foreign language requirements in common schools notwithstanding other provisions of law;

With respect to physical standards of sanitary and protective construction for school buildings, the Kentucky Board of Education shall adopt the Uniform State Building Code;

The administrative regulations shall permit a student who received a physical examination no more than six (6) months prior to his initial admission to Head Start to substitute that physical examination for the physical examination required by the Kentucky Board of Education of all students upon initial admission to the public schools, if the physical examination given in the Head Start program meets all the requirements of the physical examinations prescribed by the Kentucky Board of Education;

(g) The transportation of children to and from school;

The Kentucky Board of

Education may approve the request when the school district or school has demonstrated circumstances that may include, but are not limited to, the following:

1. An alternative approach will achieve the same result required by the administrative regulation;
2. Implementation of the administrative regulation will cause a hardship on the school district or school or jeopardize the continuation or development of programs; or
3. There is a finding of good cause for the waiver.

(b) Regulations relating to health and safety, civil rights, any state regulation required by a federal law, and regulations promulgated pursuant to KRS 158.6451, 158.6453, 158.6455, 158.685, and this section, relating to measurement of performance outcomes and determination of successful districts or schools shall not be subject to waiver.

(2) ~~[Upon certification of eligibility by the Kentucky Board of Education,]~~The Finance and Administration Cabinet shall issue a warrant and the State Treasurer shall issue a check to the ***school district on behalf of the*** eligible school ***when the following conditions have been met:***

(a) The Kentucky Board of Education has determined that the data analyses, which included the effects of task sampling, indicate a high level of confidence in the dependability of accountability decisions to assure that according to accepted psychometric standards, and that it is statistically unlikely that a school or district that truly has a decrease in student performance will receive a reward or that a school or district that truly has improved student performance will be classified as "not improving" or "in review". The Kentucky Board of Education shall seek the advice of the Office of Education Accountability, the School Curriculum, Assessment, and Accountability Council, and the National Technical Panel on Assessment and Accountability before making its determination; and

(b) The Kentucky Board of Education certifies that the school is eligible to receive the reward.

(3) All moneys credited to the fund, including interest, shall be used only for payments to eligible schools and shall not lapse, but shall be carried forward in the next biennial budget.

The board shall also be responsible for administering an interim testing program to assess student skills in reading, mathematics, writing, science, and social studies in grades four (4), eight (8), and twelve (12). The tests shall be designed to provide the state with national comparisons and shall be the same as, or similar to those used by the National Assessment of Educational Progress. The interim testing program shall begin during the 1991-92 school year and shall be administered to a sample of students representative of each school and the state as a whole. The test scores shall be used, along with other factors described in KRS 158.6451, to establish a baseline for determining school success during the 1993-94 school year.]~~

(2) ***The assessment program shall be designed in accordance with current standards for educational and psychological testing. It shall include the following components:***

Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Interim Joint Committee on Education by September 1 of the first year of each biennium. Quarterly reports shall be submitted as required under Section 2 of this Act and a summary of the findings shall be submitted not later than September 1 of the second year of the biennium.

(6) In addition to statewide testing for the purpose of determining school success, the board shall have the responsibility of assisting local school districts and schools in developing and using continuous assessment strategies needed to assure student progress. *The continuous assessment shall provide diagnostic information to improve instruction and meet the needs of individual students.*

(7)~~[(4)]~~ *The Kentucky Board of Education shall promulgate an administrative regulation in conformity with the provisions of Sections 4 and 5 of this Act, and KRS Chapter 13A establishing the components of a school report card to clearly communicate with parents and the public about school performance. Section 15. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

(1) ***After receiving the advice of the Office of Education Accountability, the School Curriculum, Assessment, and Accountability Council, and the National Technical Advisory Panel on Assessment and Accountability,*** the Kentucky Board of Education shall promulgate administrative regulations ***in conformity with the provisions of Sections 4 and 5 of this Act, and KRS Chapter 13A*** to establish a system of determining successful schools and dispensing appropriate rewards. The system shall be based on the following:

(a) A school shall be the unit of measure to determine success;

(b) School success shall be determined by measuring a school's improvement over a two (2) year period;

(c) A school shall be rewarded for an increased proportion of successful students, including those students who are at risk of school failure;

(d) ***The Kentucky Board of Education shall establish the expected growth in***~~[A threshold level for]~~ school improvement ***for each school with a rewards threshold, an improving threshold, and a review threshold set for each accountability biennium through the school year 2020. The board shall not establish a new improving or review threshold for a school or district classified as "in review" under subsection (5) or (8) of this section more than two (2) times through the school year 2020***~~[shall be established by the board to determine the amount of success needed for a school to receive a reward. (e) ***A school shall be classified as "reward" if its accountability index is equal to or greater than the rewards threshold for the accountability biennium. A school classified as "reward" shall not receive a financial award unless the school's dropout rate is less than six percent (6%). Substitute teachers shall not be used in calculating the reward;

(f) ~~[Rewards shall be calculated by applying the percentage set by the General Assembly in the biennial budget to the current annual salary of each certified staff person employed in the school on the last working day of the year of the reward. The reward for part time and itinerant staff shall be calculated for the proportion of time spent in the school. In determining the percentage to be applied to a school for calculation of the rewards for the school's staff, consideration shall be given to the fact that schools already having a high percentage of successful students shall have a lower requirement for a percentage increase in its number of successful students. The staff person's identity in connection to his share of the reward shall be maintained when his share of the reward is deposited to the school's account;~~

~~(g) The certified staff members shall by majority rule collectively decide on the ways the reward funds shall be spent. Each individual staff person shall use the amount he earned in accordance with the decisions made by the total staff. 1. Appointing and training team members. The team shall include at least a distinguished educator, a teacher, a principal or other local district administrator, a parent, and a university faculty member. Members of the scholastic audit team shall be given release time from their respective school districts. The Department of Education shall reimburse the audit team member's school district for the employee's salary and pay the team member an additional amount for participating in the process;

2. Reviewing a school's learning environment, efficiency, and academic performance of students;

3. Evaluating each certified staff member assigned to the school. Only certified members of the audit team shall evaluate personnel. The evaluation shall indicate whether subsequent evaluations other than those conducted by the district under KRS 156.101 are necessary. If the initial evaluation of a certified staff member is unsatisfactory:

The recommendation shall identify any problem areas and professional development activities to address the areas of concern. No certified staff shall have their contract terminated under KRS 161.790 based on results of the initial team evaluation;

The superintendent shall select the receiving successful school in the home district or make arrangements with a neighboring district. If two (2) districts cannot agree, the superintendent of the student's resident district shall request the Kentucky Board of Education to resolve the issue and make a decision on the placement of the student within thirty (30) days of the request. The board of the district in which the student resides shall be responsible for all tuition and transportation costs incurred as a result of a student transferring from a "***in review***~~[school in crisis]~~" to a successful school. The new improving threshold shall be five (5) points above the new review threshold.

(6) ***The Kentucky Board of Education shall recognize all schools with an accountability index above eighty (80) as high performing schools. Notwithstanding subsections (4) and (5) of this section, these schools shall not be classified as "not improving" or "in review".***

(7) ***(a) Notwithstanding subsections (1) to (5) of this section and KRS 158.645 to 158.805, the Kentucky Board of Education, after receiving the advice of the Office of Education Accountability, the School Curriculum, Assessment, and Accountability Council and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation in conformity with the provisions of Sections 4 and 5 of this Act, and in accordance with KRS Chapter 13A, establishing a formula for school accountability and a school improvement goal for each school during the 1998-1999 and 1999-2000 school years, with the 1996-97 and 1997-98 school years serving as the baseline. These schools shall develop a school improvement plan and are eligible for school improvement funds under Section 16 of this Act.

(8) The Kentucky Board of Education shall develop a system of rewards and sanctions for certified staff who are not assigned to a school in a local school district. (10)[~~(8)~~] The Kentucky Board of Education shall adopt administrative regulations to establish a process whereby a school shall be allowed to appeal a performance judgment which it considers grossly unfair. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the biennial assessment period which are beyond the control of the school.

Section 16. KRS 158.805 is amended to read as follows:

(b) Beginning with the 1992-93 school year, special recognition shall be given to five (5) Kentucky distinguished educators each year in the form of a one (1) year sabbatical leave to work with instructional personnel across the state and to serve as teaching ambassadors to the state at large.

(c) Each recipient shall receive a monetary award of two hundred fifty dollars ($250) when selected and shall also be paid in accordance with his current salary for other program requirements which arise pursuant to subsection (1) of this section. (1) After considering the recommendations of a screening committee, as provided in KRS 160.352, each board of education shall appoint a superintendent of schools whose term of office shall begin on July 1, following his appointment. The appointment may be for a term of no more than four (4) years. In the event a vacancy occurs in the office of superintendent prior to the expiration of the term set by the board, the term shall expire on the date the vacancy occurs. Therefore, the board may appoint a superintendent for a new term as provided in this subsection, which shall begin on the date of the superintendent's appointment, except when the vacancy occurs after a school board election and before the newly elected members take office. When a vacancy occurs during this period, the position shall not be filled until the new members take office, but the board may appoint an acting superintendent to serve a term not to exceed six (6) months. This appointment may be renewed once for a period not to exceed three (3) months. The person appointed to serve as acting superintendent shall not be an applicant for, nor be appointed to, the position of superintendent. If a vacancy occurs, a local board may also appoint an acting superintendent during the period the screening committee pursuant to KRS 160.352 conducts its business and prior to the actual appointment of the new superintendent. No superintendent shall resign his term and accept a new term from the same board of education prior to the expiration date of his present term. In the case of a vacancy in the office for an unexpired term, the board of education shall make the appointment so that the term will end on June 30. The board shall set the salary of the superintendent to be paid in

regular installments.

(2) Before any superintendent assumes his duties, he shall present to the board of education that appointed him a statement signed by the chief state school officer that the superintendent has been duly issued a certificate of administration and supervision issued in accordance with the provisions of law and which qualifies him to hold the position to which he has been appointed, and he shall hold such certificate throughout the period of his employment. A superintendent candidate who is to begin his duties after June 30, 1994, shall successfully complete the training program and assessment center process within one (1) year of assuming his duties as superintendent. A superintendent shall not serve as director or officer of a bank, trust company, or savings or loan association which has his school district funds on deposit. Following appointment, the superintendent shall establish residency in Kentucky.

(3) A superintendent of schools may be removed for cause by a vote of four-fifths (4/5) of the membership of a board of education and upon approval by the chief state school officer. However, if the dismissal of the superintendent has been recommended by ***the members of a scholastic audit team or the***~~[a]~~ Kentucky distinguished educator pursuant to KRS 158.6455 and the action is approved by the chief state school officer, the board shall terminate the superintendent's contract. Written notice setting out the charges for removal shall be spread on the minutes of the board and given to the superintendent. The board shall seek approval by the chief state school officer for removing the superintendent. The chief state school officer shall investigate the accuracy of the charges made, evaluate the superintendent's overall performance during his appointment, and consider the educational performance of the students in the district. Within thirty (30) days of notification, he shall either approve or reject the board's request.

Section 19. KRS 161.790 is amended to read as follows:

(1) The contract of a teacher shall remain in force during good behavior and efficient and competent service by the teacher and shall not be terminated except for any of the following causes:

(a) Insubordination, including but not limited to violation of the school laws of the state or administrative regulations adopted by the Kentucky Board of Education or lawful rules and regulations established by the local board of education for the operation of schools, or refusal to recognize or obey the authority of the superintendent, principal, or any other supervisory personnel of the board in the performance of their duties;

(b) Immoral character or conduct unbecoming a teacher;

(c) Physical or mental disability;

(d) Inefficiency, incompetency, or neglect of duty, when a written statement identifying the problems or difficulties has been furnished the teacher or teachers involved.

(2) Charges under subsections (1)(a) and (1)(d) of this section shall be supported by a written record of teacher performance by the superintendent, principal, or other supervisory personnel of the district, except when the charges are brought as a result of a recommendation made by ***the scholastic audit team or*** a Kentucky distinguished educator under KRS 158.6455.

(3) No contract shall be terminated except upon notification of the board by the superintendent. Prior to notification of the board, the superintendent shall furnish the teacher with a written statement specifying in detail the charge against the teacher. The teacher may within ten (10) days after receiving the charge notify the chief state school officer and the superintendent of his intention to answer the charge, and upon failure of the teacher to give notice within ten (10) days, the dismissal shall be final.

(4) Upon receiving the teacher's notice of his intention to answer the charge, the chief state school officer shall appoint a three (3) member tribunal, consisting of one (1) teacher, one (1) administrator, and one (1) lay person, none of whom reside in the district, to conduct an administrative hearing in accordance with KRS Chapter 13B within the district. The chief state school officer shall name the chairman and set the date and time for the hearing. The hearing shall begin no later than forty-five (45) days after the teacher files the notice of intent to answer the charge.

(5) The hearing may be public or private at the discretion of the teacher. At the hearing, a hearing officer appointed by the chief state school officer shall preside with authority to rule on procedural matters, but the tribunal shall be the ultimate trier of fact. The local board shall pay each member of the tribunal a per diem of one hundred dollars ($100) and travel expenses.

(6) Upon hearing both sides of the case, the tribunal may by a majority vote render its decision or may defer its action for not more than five (5) days. Provisions of KRS Chapter 13B notwithstanding, the tribunal decision shall be a final order and may be rendered on the record.

(7) The superintendent may suspend the teacher pending final action to terminate the contract, if, in his judgment, the character of the charge warrants the action. If after the hearing the decision of the tribunal is against termination of the contract, the suspended teacher shall be paid his full salary for any period of suspension.

(8) The teacher shall have the right to make an appeal to the Circuit Court having jurisdiction in the county where the school district is located in accordance with KRS Chapter 13B.

(9) As an alternative to termination of a teacher's contract, the superintendent upon notifying the board and providing written

notification to the teacher of the charge may impose other sanctions, including, suspension without pay, public reprimand, or private reprimand. The procedures set out in subsection (3) of this section shall apply, except to a private reprimand. The teacher may appeal the action of the superintendent, except a private reprimand, in the same manner as established in subsections (4) to (8) of this section. Upon completion of a suspension period, the teacher may be reinstated.

SECTION 20. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

(1) The local board of education, in collaboration with the district's school councils, shall establish performance standards expected of students to demonstrate mastery of essential skills in reading and mathematics at a performance level necessary to achieve at the upper levels prior to being enrolled in regular middle school and regular high school courses. Schools shall provide alternative or supplemental instructional programs for those students who are determined to need the opportunity or additional time to achieve the standards, and schools shall not be limited to the minimum school term in providing this education.

(2) The local board of education shall establish procedures for identifying students who need alternative or supplemental instructional programs. Students may be identified through a variety of measures including standardized norm-referenced tests, diagnostic subject matter tests including but not limited to reading and mathematics, state administered tests, and teacher assessments.

(3) The major emphases of alternative or supplemental instructional programs shall be:

(a) To provide extended programming for students who have been retained or who are at risk of being retained in a class or grade or of failing to graduate on time without additional assistance; and

(b) To close the achievement gap of low-performing students so that the students will perform successfully in the instructional program appropriate to their age ranges.

(4) The alternative or supplemental instructional program shall include:

(a) A method to assess the priority educational needs of each individual student and to determine the performance standards to be exhibited by the student at the end of the extended program;

(b) An appropriate educational program designed for the individual student that assists the student in mastering the performance standards within the timelines specified by the program; and

(c) An ongoing method of informal and formal assessment to document the student's progress toward mastery of the performance standards.

(5) The Kentucky Board of Education shall promulgate administrative regulations establishing criteria to implement this section.

Section 21. Notwithstanding the provisions of Sections 1, 2, 12, 13, 14, 15, 16, and 17 of this Act to the contrary, the Kentucky Board of Education shall classify schools and districts based on the results for the 1994-98 accountability cycle according to the Kentucky Board of Education administrative regulations in force for the cycle on the effective date of this Act, except that the following rewards and consequences shall be applied for the biennium:

(1) Thirty million dollars ($30,000,000) shall be paid out of the Kentucky successful schools trust fund under KRS 157.067. The Kentucky Board of Education shall determine an amount to be distributed to every school that exceeds its 1994-96 baseline in the 1996-98 school years and twice that amount to every school that exceeds its threshold level for school improvement. Rewards shall be given to the school's full-time, part-time, and itinerant instructional staff assigned to the school on the last working day of the accountability cycle unless a majority of the certified staff vote otherwise. Rewards shall not be added to a staff person's base salary and shall not be defined as compensation for retirement purposes under KRS 161.220 (10);

(2) All schools failing to reach their school improvement goal shall develop a school improvement plan and may apply for Commonwealth school improvement funds; and

(3) All schools classified as "in decline" or "in crisis" may request the assistance of a distinguished educator to act only in an advisory capacity. No employee shall be placed on probation based on the school being designated "in crisis." Parents of students attending a school classified as "in crisis" may request to transfer their children to a successful school.

Section 22. Whereas it is imperative that the new assessment and accountability system be implemented as expeditiously as possible to better enable the General Assembly to carry out its constitutional duty to establish an efficient system of common schools, an emergency is declared to exist, and this Act shall take effect upon its passage and approval by the Governor or upon its otherwise becoming a law.
